

## Thinking it through

The right response to knowing that Jesus has risen is to follow and worship him as God's promised king. The true story can be found in Matthew 27:62-28:20

How did different people respond to what had happened?

Why did the women respond with joy and obedience? What did they do with this good news?

Why were the guards afraid? What had they not understood about Jesus' death?

Which response is right?

Why do some people still react like the Jewish leaders and guards with anger or fear?

This week I've put in some extra worship songs.

Take the time to thank and praise God for His greatest gift to you.

God loves to hear our voices, whether in prayer or praise.
