

Print off the Basket template, Card is ideal but paper will work

Cut out the inside of the basket handle and remove

From where the Handle attaches on the outside us a craft knife or carefully cut with scissors AVOID cutting from the edge.

You should be left with an A4 piece of paper with the handle of the basket cut out. Fold the paper in half, where the back pirce will support the basket and the handle

Cut a line just above the message on the basket.

Use strips of paper to be the barley sheafs that Ruth collected. secure them on the back of the basket, with tqape or glue.
