

Thinking it through

The church came into existence because the Word of God (the message about Jesus) is preached and people respond.

The disciples waited in Jerusalem for something they needed in order to do an important job for Jesus. What were they waiting for?

How do you feel when you hear what Peter says about Jesus here?
You can remind yourself in Acts 2:22-36

What do **you** need to do to receive forgiveness and the Holy Spirit?
Can you remember what Peter told the people who were listening?
Acts 2:38

Churches vary in how they baptize people. Could you find out how your church, baptizes people. Who might be a good person to ask? Someone in your family or maybe someone who leads or teaches on a Sunday?

God loves to hear our voices, whether in prayer or praise.
