During the service on 14<sup>th</sup> March there will be some letters to look out for. You will know it is a letter you are looking for as it will have a picture of the Rich Young Ruler on it

The letters may not appear in the exact order that you need them, so you may need some help to get them in order to spell out the word we are looking for.

There will be extra pictures with some letters, all related to the service.

See what you can spy, and get an adult to email your answers to me for a small prize.
