

## Food drop off details

Donations can be delivered to the warehouse Monday-Friday between 10-11 am please.

The warehouse address is:

One Can Trust Food bank  
11b Duke Street  
High Wycombe  
Bucks  
HP13 6 EE

We are located behind the train station and next to the station car park and the Wilkinson sword building.

We are the far-right building (we decided to remove the yellow foodbank sign to safeguard the warehouse from being burgled in these difficult times).

The double grey doors to the right are where you will take your donations:

Please ring the buzzer, stand way back for social distancing and wait for the door to be opened... if no one answers please ring the office buzzer by the far-right white door.

Just inside the double grey doors there is a large “donations here” sign; please leave your food donations on the floor beside the sign. There should be a book there so you can record where the donations have come from and approximately how many bags you are donating.

Donations can be delivered to the warehouse Monday-Friday between 10-11 am please. After this it all gets crazily busy when our volunteer drivers arrive to collect and deliver all the food...

Any issues, please don't hesitate to call Jo on her mobile: 07940 819534. Please wear disposable gloves if possible and use hand sanitiser as soon as they are removed.

Good luck!!!
