

Thinking it through

Have you been on a long journey, or will you be going on one this summer? Imagine what it must have been like for Daniel & his friends, they did not choose to go on their journey.

Daniel did make choices though. He knew how to honour God and chose not to eat food that would spoil his relationship with God.

This meant eating only vegetables and drinking only water.

How would you feel if that was all you could eat?

Did Daniel choose vegetables because he was fussy?

How can we show God that He is special to us?

Some songs to help you praise God and think about trusting Him.

Daniel chose to do what was good and trusted God to help.

We don't need to be strong to live God's way, we need to trust Him
