

# Thinking it through

Have you ever lost something? How valuable to you was it, how hard did you search for it?

## Some things to chat about

In the parable of the sheep, we are like the sheep and in the parable of the coin, we are the coin. God is doing the searching, what does this show about what God is like?

Why were the neighbours and friends happy too? How do we respond when someone becomes a Christian, are we happy too? Perhaps we find it difficult, if so, ask God to soften your heart, to rejoice when God rejoices

## A game to play

If you can, play a game of hide & seek. If you are hidden imagine someone taking the effort to find you. If you are the seeker, what sort of places do you have to look. Remember the story.

## A quieter time

Spend some time with God, thank Him that he has looked for you, because you are special to Him.

God loves to hear our voices, whether in prayer or praise.

God, you're good to me
