

Thinking it through

Paul's journey was not only long, it was dangerous and didn't go according to the plans that were made.

What have been some of the times that your plans haven't worked out?

Some things to chat about

In the storm Paul trusted God.

We may not face weather storms and shipwrecks like Paul, but what are the "storms" in our lives things that happen that "knock us off course". How do we develop our lives to trust God?

What does it mean to you when we hear that God is in control?

Time to listen

Take some time to read the Bible or have it read to you.
Do you have a favourite story? How has that helped you.

God loves to hear our voices, whether in prayer or praise.
