

## What you will need

White card, Template, Colouring pens or pencils, Scissors, tape wool or string

Carefully cut out the elements to your mobile.

Use string to attach your face to the lower part of the band

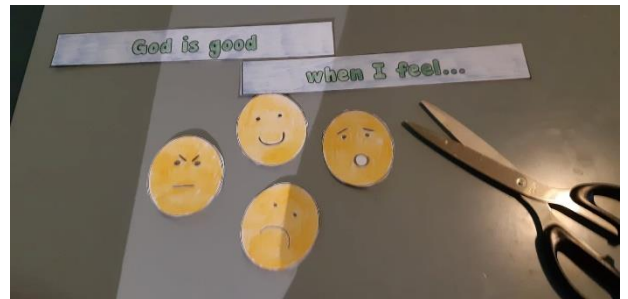

1

Print mobile template onto card.

Colour in the strips.

Draw emotions / faces, you could use wiggly eyes if you have some. You can do more than 4 faces if you have extra paper or card

2

3

Tape the strips into a band.

Attach string at four equally distanced points on the band and form a loop at the top to hang the mobile from.
