HALF TERM ACTIVITY

Random Acts of Kindness Week
Challenge

We can try to win a kindness bench for our school PLUS there are amazing prizes for ourselves!

We're inviting you to take part in our five-day Kindness Challenge to celebrate Random Acts of Kindness Week. Each day, you will be tasked with doing a specific kind activity and writing about how you felt when they did it. Not only will you be helping other people, you will also be helping yourselves because when we're kind it improves our own physical and mental health.

The competition is open to Key Stages 1 and 2, but Reception can do it too!

Please read the full [Competition Terms & Conditions](#) before entering. All the information is attached - ignore the half term date, Gloucestershire is different!

Deadline for entries: 4 March 2023.
