

# Uley C. of E. Primary School Development Summary 2023-2024

## Quality of Education

Reinforcing children’s fluency and understanding of number and the four operations (mentally and written)

99 club to be rolled out throughout the school on a Friday and shared with home

Coming in maths implemented in all year groups that develops understanding number and four operations

To fully embed the school’s assessment systems for all subjects

All the systems in place to assess all subjects and all staff to consistently input assessment information into agreed formats

Subject leaders to use assessment information to inform their subject

Maintain and continue to improve provision, outcomes and progress for SEND pupils

Monitor the support the teacher has identified and implemented – how well is this working/is it making a difference?

Parents and children are involved more to support the plan – building relationships

Carrying out checks/assessments on send children at the start of the process, during the process and the end of an intervention

## Personal Development

To review and improve personal development within the school

To review the SMSC curriculum and identify its strengths and areas for development

British values to be embedded within our curriculum and across the school
