Friday 21<sup>st</sup> December, 2018

Dear Mr Elliott,

Further to my letter of 30<sup>th</sup> November, I am writing to provide further details of Extra's wider community engagement on our proposals for a new Motorway Service Area alongside the M25, close to Chalfont St Peter.

**We will be distributing circa 19,500 awareness raising leaflets on Thursday 3<sup>rd</sup> and Friday 4<sup>th</sup> January, 2019.** These leaflets will include details of our proposal and how to respond with comments. There will also be information about the exhibitions, the website and a freephone telephone number for queries. A FREEPOST response form will also be attached to the leaflet.

A PDF copy of the leaflet is attached to this letter and any help in distributing this through your networks would be appreciated. (NB. The PDF version does not include the FREEPOST response form as the Post Office are not able to guarantee delivery of comments if the paper is not of the correct size or quality – comments can of course be left through the project website). If you would like additional copies of the printed leaflet and response form for display, please let me know how many and where they should be sent to. A copy of the plan showing the leaflet distribution area is also attached to this letter.

**We will be holding two exhibitions** for members of the public to attend if they wish. Team members will be in attendance to answer questions. These will be:

- Friday 25<sup>th</sup> January 2019 from 1.30pm until 5.30pm at Maple Cross and West Hyde Community Centre, Longcroft Road, Maple Cross, WD3 9TE
- Saturday 26<sup>th</sup> January 2019, from 11am until 6pm at Chalfont St Peter Community Centre, Gravel Hill, Chalfont St Peter, SL9 9QX

**The project website will be updated to coincide with the leaflet distribution and a response facility will be included.** Further updates will follow towards the end of the month, when the material that we will have on display at the exhibitions will be uploaded for viewing.

**Advertisements for display locally have also been prepared.** A PDF copy of the advertisement is attached and any assistance in displaying this to raise awareness of the consultation would be much appreciated.

If you have any queries, comments or questions, please do not hesitate to get in touch.

Yours sincerely,

Andrew Long
