

### **Beaconsfield Old Town to Walkwood**

circular walk on paths and in woods

Distance = 3 miles /4.8km

*Walkwood can be quite muddy so suitable footwear and clothing are advised.*

Park near church and with the Saracens Head on your right cross over at the pedestrian crossing, walk to the left of the shops and turn right into Shepherds Lane. Nearing the end of the lane, the cemetery on your left is well worth a detour.

On reaching Candlemas Lane, turn left and follow it until you reach the pond. Turn left and after about 100 metres cross to the other side of Station Road. Continue south and then take a right into Grove Road. After about 500 metres take a footpath into Walkwood. Follow this through the wood and when the path splits take the left hand path until it emerges in Tilsworth Road, turn left.

At the end of Tilsworth Road turn right into Butler's Court Road, left in Wattleton Road and right into the Spinney. Follow the Spinney all the way to the top with Beaconsfield School to your left. Continue to bear right and into Factory Yard and on reaching Wycombe End, turn left Proceed up the hill until you reach the bus stop on the opposite side on the road.

**CAUTION BUSY ROAD** Use the central island to cross the A40 safely and proceed up the drive alongside Hall Place towards the church. Once past the church door, bear diagonally to the left through the churchyard to emerge in Windsor End and your starting position.
