Welcome

Welcome to the CCPAS Disclosure Service. Many thanks for agreeing to fill the vital role of Recruiter for your organisation. By agreeing to become a Recruiter you will be playing an important part in the safer recruitment of workers. This process is crucial in preventing unsuitable or dangerous individuals gaining access to children and vulnerable adults. Operating a safer recruitment policy sends a powerful message to parents, children, visitors as well as those intent on harm, that safeguarding children and vulnerable people is taken seriously in your organisation.

Our data is securely hosted by Capita in the UK – which means full compliance with UK data protection law. The system works to global best practice standards and Capita holds an internationally recognised certificate in information security management (ISO 27001 Accredited). The system is regularly tested and monitored (including vulnerability and penetration testing) – which ensures the security of the data is never compromised. All confidential data is encrypted using an advanced combination of three encryption techniques in addition to regular backups – which prevent unauthorised access. Capita's high-security data centre operates the latest monitoring and protection systems – including sophisticated anti-virus and online security programmes.

A DBS check is one part of safer recruitment. Taking up a criminal records check is the last stage of an appointment procedure. You will already have followed the safer recruitment process outlined in our 'Welcome to the CCPAS Disclosure Service' document found at <http://files.ccpas.co.uk/documents/DisclosureService.pdf> or your bespoke guidance (if you are a part of a Diocesan Scheme) and described in more detail in the members area of our website <https://services.ccpas.co.uk/account/login> and our Practice guide 'I want to recruit workers safely' http://files.ccpas.co.uk/members/Safe-Secure/PracticeGuides/PG_Recruit_Workers_Safely.pdf

At CCPAS, our dedicated team of disclosure specialists, who all have first-hand experience of working in churches and youth work, give advice daily to our members on the issue of eligibility. This can be a complex area, which is why getting the right help and advice is crucial for organisations. If anyone has any questions or concerns about DBS checks and the legal eligibility criteria our Disclosure team is at the end of the phone to help all our members.

Barbara Ball, Head of Disclosures at CCPAS.

Payments

Full details of our charges and the method of payment will have been given to you either in our 'Welcome to the CCPAS Disclosure Service' document; or in your bespoke guidance (if you are part of a diocesan scheme). Please feel free to contact us if you need any further information.

The charges CCPAS makes may vary from time to time due to changes in charges made by the DBS and other external factors. You will always be notified of any changes well in advance.

CCPAS seeks only to cover the costs of running its Disclosure Service and makes no additional charge for providing consultation on good working practice or individual appointments. Research suggests CCPAS charges are significantly lower than the majority of other Registered Bodies and most of these do not provide the additional support CCPAS offers.

Why Carry out a DBS Check?

The Head of Investigations and Enforcement at the Charity Commission, says:

The public rightly expects charities to be safe and trusted environments where people are protected from harm, including the charity's own staff and volunteers. So all charities need to be alert to the importance of safeguarding those who come into contact with them.

The UK Government is committed to protecting vulnerable groups including children and wants to see a focused and effective safeguarding system, where harm or risk of harm is identified, acted upon effectively and ultimately prevented. The Government maintains that the State has a key role to play in, for example, barring unsuitable individuals from working with vulnerable groups including children, and in ensuring that organisations can access criminal record information on individuals when the role justifies it. Under the Protection of Freedoms Act 2012, employers have certain responsibilities and the following regulations apply:

- Employers, social services and professional regulators have a duty to refer to the DBS any information about individuals for whom they are responsible who are believed to pose a risk to children or vulnerable adults (where they are working in Regulated Activity).
- If your organisation works with children or vulnerable adults and you dismiss a member of staff or a volunteer (who were working in Regulated Activity) because they have harmed a child or vulnerable adult, or you would have done so if they had not left prior to your intended dismissal, you must tell the Disclosure and Barring Service. This also applies if a worker resigns before any action is taken; or if you remove them from Regulated Activity and place them in another role.
- A person who is barred from working with children or vulnerable adults will be breaking the law (and liable to prosecution incurring imprisonment and/or a fine) if they work or volunteer, or try to work or volunteer in Regulated Activity. An organisation which knowingly employs someone who is barred to work with those groups will also be breaking the law (and liable to prosecution incurring imprisonment and/or a fine).

Further information on the procedure for referrals to the DBS can be found on the DBS website www.gov.uk/dbs or by phoning the Barring helpline on 01325 953795.

Eligibility for a DBS Check

Unless a job is exempt under the provisions of the Rehabilitation of Offenders Act 1975 then a check is not legally possible. This means that most people who work with children in a church situation or perform personal care are eligible for a DBS check. This meets expectations by most Christian denominations, insurance companies and the Charity Commission (where the charity works with children or vulnerable adults).

Please see our Interactive Eligibility Guide at <https://interactive-guide.ccpas.co.uk/#/login> - this will enable you to determine whether your workers are entitled to a DBS Check and if so what level of check they require. Please note you will need to enter the username and password in order to access this guide. For details of this please email disclosure@ccpas.co.uk as this is different to your E-Bulk login details.

(The full legal definition of Regulated Activity is set out in Schedule 4 of the Safeguarding Vulnerable Groups Act 2006, as amended in particular; by the Protection of Freedoms Act 2012. You will find a link to this from our Interactive Eligibility Guide.)

Please call the Disclosure Team if you need further help or advice on eligibility requirements.

Any person who is working in Regulated Activity must apply for an Enhanced DBS in order to obtain a Barred Lists check.

Being clear about the definition of Regulated Activity matters because:

- In the future any individual working in Regulated Activity will be legally obliged to undergo a check of the appropriate barred list/s.
- An organisation which knowingly allows a barred person to work in Regulated Activity will be breaking the law.
- If you dismiss or remove someone from Regulated Activity (or you would have done if they had not already left) because they harmed or posed a risk of harm to vulnerable groups including children, you are legally required to forward information about that person to the DBS. It is a criminal offence not to do so.

Appointing Additional Recruiters

In addition to the Lead Recruiter, it is advisable that there is at least one other Recruiter appointed within the church/organisation to handle Disclosures. This is so that we always have a point of contact if the Lead Recruiter is unavailable; or if they or a relative of theirs needs checking. To do this you will need to complete a 'New Recruiter Appointment Form' (Appendix 1). **Please note, if you are a part of a Diocesan/Bespoke Scheme you will have your own New Recruiter Appointment Form contained within your bespoke guidance.**

Can I Accept a Disclosure from Another Organisation?

The only way certificates are portable from one role to another is via the DBS Update Service. Any applicant can subscribe to this service within 30 days of issue and take their certificate with them from role to role where the same level and type of check are required. The status can be regularly checked by the employer so there will be no further need to apply for fresh disclosures when renewing them. With the individuals permission, employers can go online for a free and instant check to find out whether the certificate is still up to date.

For further details see the CCPAS document in our members area:

<http://www.ccpas.co.uk/members/Documents/DBSUpdateService.pdf>

Is it Possible to Check Workers from Overseas?

If you are recruiting people from overseas and wish to check their overseas criminal record, a Disclosure and Barring Service (DBS) check may not provide a complete picture of their criminal record. This is because the DBS cannot currently access most criminal records held overseas.

For details of the procedure you should follow please click on the link

<http://files.ccpas.co.uk/documents/Overseas.pdf>

The Online System

E-Bulk online DBS checks can be completed by accessing the internet from any device. Through the E-Bulk system, information is securely transmitted electronically to and from the DBS. The disclosure result is also received electronically. The applicant will receive their own disclosure certificate sent to them from the DBS directly; however you will be able to tell from accessing the system whether it is 'clear' or 'blemished'. An applicant must always show you their blemished disclosure before they begin to work in their role. Some organisations in scheme membership require that the disclosure is posted to a nominated person at their organisation/denomination Head Quarters before the applicant starts work. We can't stress enough the importance of ensuring that this basic procedure is followed.

IMPORTANT

Before you give the applicant access to an online application form, they must have completed and returned to you a Self-declaration Form. This includes their consent for a DBS check. A model Self-declaration Form is found at the back of this guide and also at the back of the E-Bulk Guide for Applicants (some organisations may have their own declaration form for applicants to complete).

For churches who are a part of the Church of England you must show all self-declaration forms which have convictions or other relevant information to your Diocesan Safeguarding Advisor. This is a requirement of the Church of England National office and must be done BEFORE processing a DBS application form.

You will then need to invite the applicant to complete an online form by either completing it with them in your office; or sending them an email giving them your Organisation's Reference, Organisation's Code (not your own personal password) and the position applied for. It is essential that you also attach the E-Bulk Guide for Applicants so they can complete the online form. (See Appendix 3 for sample email wording.)

Stage 1- How to log in

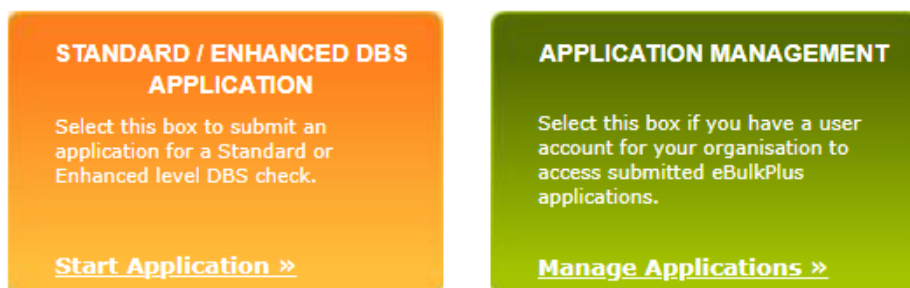

The first time you login please follow the instructions below as well as the information contained within the three emails you will have received from us, entitled 'welcome', 'notice', and 'E-Bulk Recruiters Acceptance'- remember to use the default date of birth (1st January 1998).

Stage 2 – Access Levels

Your organisation will have agreed with CCPAS which level of access you will have to the system. It is possible that you will have access to two or more different sections of E-Bulk.

2.1 If you are a Primary Applicant Manager (Lead Recruiter) you will see the following screen.

The screenshot shows the 'Applications Dashboard' with navigation tabs for Dashboard, Applications, Results, and Reports. Below the title, a text block explains that the table provides an overview of current applications, completed DBS applications over 180 days old, and Disclosure Scotland applications over 90 days old that have been archived.

3.2 If you are an Additional Recruiter you will be taken straight to the 'Applications for ID checking' screen.

3.3 Click on an applicant's reference number in the 'Our Ref' column to open up their application form.

3.4 You will now see two tabs of the applicant's completed form - Overview and Application).

The screenshot shows the 'Application Header' section of the application form. It includes the following fields:

Applicant Name:	TEST TEST
Date of Birth:	01/01/1993
Status:	Waiting ID Check and Section Y
Our Reference:	328TEST755

3.5 To view the application details entered by the applicant, click on the 'Application' tab. Here you can see the entire application submitted by the applicant, this **must** be used to ensure the correct job role has been entered and to verify the ID given by the applicant - remember to carefully check names, addresses, previous names and date of birth against all ID.

The screenshot shows the 'Application' tab of the application form. It includes the following sections:

3.6 In the 'Processing Details' box (on the right-hand side of the screen) it shows what sections have been completed. It will say in red "application incomplete" with a flag if the section has not been completed for either Section Y or ID verification. If there is a green tick it means that this action has been done and gives the date that it was carried out.

Verifying the Applicant's Identity

When the applicant has completed the online Disclosure Application Form they must then show you their original identification (not copies). **Full details of acceptable documents can be found in appendix 6.**

The correct identification and verification of addresses is crucial to the effectiveness of the disclosure process. When identity is verified beyond doubt, names can be matched with criminal records and also checked against DBS barred lists.

ID checking process:

The accuracy of the ID checking process directly impacts on the integrity of the disclosure result. A poor or inaccurate ID check can result in a worthless disclosure being issued.

You Must:

- Cross match the identity documents with the personal information provided on the disclosure application form (name, previous names, date and place of birth, address etc.).
- only accept valid original documentation.
- where possible, ask for photographic identity (e.g. passport, new style driving licence, etc.) and compare this against the applicant's likeness.
- Ensure that you see the relevant documentation to validate a name change (for example a marriage certificate/deed poll/civil partnership certificate/divorce decree absolute or civil partnership dissolution certificate).
- See at least one document in the applicant's current name.
- See at least one document which confirms the applicant's date of birth.
- See at least one document to confirm the applicant's current address.
- Cross match the applicant's address history with any other information you have been provided with as part of the recruitment, such as their CV. (This can highlight if an address has not been given e.g. if the applicant's CV shows that they have worked in Liverpool in the last 5 years but the application form only shows London addresses, you may wish to question the applicant further about this.)
- **You Must Not:**
 - check ID for yourself or an applicant related to you – you must ask another recruiter for your organisation to do this.
 - accept photocopies of any identification documents.
 - accept documentation printed from the internet e.g. internet bank statements.
 - accept the foreign equivalent of an identity document if that document is listed as '(UK)' on the list of valid identity documents.

What if an applicant is unable to see me with their documents in person?

The applicant can either post you their documents, or for an additional fee they may get their documents checked at a post office via the Post Office Document Certification Service; see <https://www.postoffice.co.uk/document-certification-service> Please contact us for more details.

What if the applicant has been adopted?

If an applicant was adopted before the age of 10, they do not need to provide their surname at birth on the DBS application form. This is because the age of criminal responsibility is deemed to be 10 years, under the Children and Young Persons Act 1933, Chapter 12, Section 50. This means that there is no possibility that an individual could have a criminal record in a name that was used until the age of 10.

How do I check for indicators of fraud?

Always check for signs of tampering when checking identity documents. Documents should be queried if they display any signs of damage, especially in the areas of personal details such as the name and the photograph. Follow the link https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/536918/Guidance_on_examining_identity_documents_v_June_2016.pdf to guidelines which should help you look out for any suspicious signs when authenticating documents.

Recruiters must not attempt to amend the application form without the applicant's knowledge and agreement, as it will invalidate the declaration by the applicant and may breach data protection legislation.

How to enter the ID

3.7 Click on 'Complete ID check' and this will take you to the Identity Documents screen.

E-Bulk will automatically ascertain the route that should (or must) be taken based on the nationality stated by an applicant within their application form and will also take into account their 5 year address history. If an applicant does not hold sufficient ID to be able to go through Route 1, you will then be required to click the 'Unable to verify ID via Route 1 – proceed to Route 2' button at the bottom of the screen.

Applications > 328TEST755 > Identity Check

Please select the physical documents seen using the dropdown lists below, for further information please refer to the Information panel on the right hand side of this screen.

Route 1 - Identity Documents

Applicant Name: TEST TEST

Applicant Category: UK_EEA_LONGTERM_RESIDENT (European Economic Area national resident in UK for more than 5 years)

Current Address: TEST TEST
BA14 7AW
UNITED KINGDOM

Date of Birth: 01/01/1993

Please note - the DBS have requested that if an Applicant indicates they have a Passport and/or a Driving Licence then this information must be provided.

If an Applicant declares any changes of name, you must ensure that documentary proof is provided to support this. If an Applicant is unable to provide proof to support a change of name, you should hold a probing discussion with the Applicant about the reasons why before considering to validate their Identity.

Group 1 Document: -- select --

Document 2: -- select --

Document 3: -- select --

Current Address Checked: No

Date of Birth Checked: No

Cost Code / Personnel Number:

- Please select the ID the applicant has provided for you from the drop down boxes. Guidance notes can be found on the right hand side of the screen and are in accordance with the DBS Code of Practice.
- Please ensure at all times that you follow the ID checking rules e.g. do not accept a utility bill if it is more than 3 months old or do not accept an out of date passport. Ensure that you have seen proof of a change of name wherever possible. If the applicant is unable to provide this, then the DBS state that you must have a probing discussion to ascertain why they are unable to show evidence.
- Ensure that you confirm from the drop down boxes that you have verified a document showing the applicant's address and also that you have verified their date of birth - always check ID against the application form. It is not sufficient to make a note of the ID seen and later enter it on the system. If you can't enter ID when the applicant presents it then take a photocopy or image of the original ID to later compare against the application.
- If you require a Cost Code or Personnel Number to be assigned to the specific application, this can be entered in the Cost Code / Personnel Number field - only usually needed for large organisations with different departments.
- Now click 'Save' and then click the 'Return to Application' icon in the green box located at the top of the screen. Now you are ready to complete Section Y of the form.

Please note, that if an applicant cannot verify their identity via Routes 1, 2 or 3 they will not be able to process their application through E-Bulk and will need to complete a paper application stating 'NO' in section W59. Fingerprints will need to be taken and consent will be required by the applicant.

A full list of DBS acceptable ID for each route can be found at the end of this guide - Appendix 6.

External ID validation check (Route Two applicants only)

3.8 As part of the ID checking process for Route Two, an External ID validation check is required in addition to the forms of identification that are witnessed. An external ID validation check is a way of verifying the identity of an applicant. The procedure is explained in full detail in Appendix 4.

The result of the External ID validation check must be stated on the ID screen before the application can be approved for Countersignatory Authorisation. The result of the External ID validation check will simply be a PASS or FAIL. Dependent on the result of the external ID validation check, you will then either authenticate the applicant or consider moving to Route Three. **ALL ID Verifiers must have exhausted Routes One and Two before considering processing via Route Three.**

If the result of the External ID validation check is **PASS**, then this must be selected from the drop down box on the identification screen. Once PASS is selected, this will open up two more fields that can be completed, one for 'Validation Notes' of the External ID validation check result and one for an 'External Reference' if a reference number is provided with the result.

Finally click 'Save' to complete the identification verification process.

If the result of the External ID validation check is FAIL, then this must be selected from the drop down box on the identification screen. Once FAIL is selected, a pop up box will appear advising you that you may now consider proceeding to Route Three. To do this click the 'Proceed to Route 3' button in the bottom left hand corner of the pop up box.

If you are unable to proceed to Route Three, the applicant will be required to complete a paper application and give consent to have their fingerprints taken. If this is the case, you must click the 'OK – fingerprints required' button in the bottom right hand corner of the pop up box. The application will then be archived from the system.

If the applicant cannot meet the requirements of Route One and Two, you should have had a probing discussion with them to establish why they could not meet these requirements and whether there has been a recent or previous change of name that has not been declared.

If you are an Additional Recruiter your part of the process is now complete. Please note that once you have entered the I.D. the application will disappear from your records. Your Lead Recruiter will complete the process and send the application to CCPAS.

Stage 4 - How to complete Section Y – Lead Recruiters only

4.1 From the Dashboard page, in the top left hand box titled Pre DBS Processing, click on 'Waiting ID Check and Section Y'

4.2 Click on an applicant's reference number in the 'Our Ref' column to open up their application form.

- Audit tab – this provides a real-time audit trail of any activity relating to an application. This will show the date and time when a user views or edits an application as well as when the ID Check/ Section Y was completed.

To view the application details entered by the applicant, click on the 'Application' tab. Here you can see the entire application submitted by the applicant, this can be used to ensure the correct job role has been entered and to verify any ID given by the applicant in a previous surname or previous address.

If any of the information stated on the application is incorrect this can be amended by the Lead Recruiter (with the applicant's consent). To edit any part of the application, click 'Edit' against that section of the application. Once you have amended the information on the application, click the blue 'Save & Return' button on the right hand side to go back to the overview screen. A Lead Recruiter can amend any part of the application up until it has been countersigned by CCPAS; once the application has been countersigned it can no longer be edited.

For further guidance on editing applications please click on the following link to a video tutorial [Click Here](#) or go to <https://www.ccpas.co.uk/disclosures/tutorials> and select Editing Ebulk Applications.

4.4 To complete Section Y click on 'Complete Section Y'. Access to this section is located in two places – to the right of the screen or on the overview of the actual form itself. You will now be on the 'Section Y' screen.

The screenshot shows a form titled "Application Details" with the following fields and dropdown menus:

- Application Type: -- select --
- Workforce: -- select --
- Are you entitled to know whether the applicant is barred from working with adults: -- select --
- Are you entitled to know whether the applicant is barred from working with children: -- select --
- Working with vulnerable groups at the applicant's home address: -- select --
- Is Volunteer: -- select --
- DBS Adult First Check Required: -- select --

- Application Type - always select 'Enhanced'.
- Workforce - this relates to the group of people that the applicant will be working with. E.g. a Youth Worker or Sunday School Teacher will be working in the Child Workforce and a Church Minister working with children and vulnerable adults will be in the Child and Adult Workforce. The 'other' workforce option should NEVER be used.
- Regulated Activity - Please see <https://interactive-guide.ccpas.co.uk/#/login> to clarify the disclosure type required. This is important as you should only confirm that they are working in Regulated Activity (RA) if they meet the DBS Criteria. If they are working with children and/or adults at risk and qualify for an enhanced disclosure (but not in RA) then you should select 'no'.
- Working with vulnerable groups at the applicants home address - Enter 'yes' for applicants who carry out some or all of their work with children or adults at risk from the place where they live. You can also enter 'yes' for individuals whose application is eligible for a check because they live in the household of someone who is being or has been checked because they work with CHILDREN and carry out some or all of their work from their own home. There must be the opportunity for the household member to have contact with children in the home.
- Volunteers - Regulation 2 of the Police Act 1997 (Criminal Records) Regulations 2002 defines a 'volunteer' as:

'Any person engaged in an activity which involves spending time with, unpaid (except for travel and other approved out-of-pocket expenses), doing something which aims to benefit some third party and not a close relative.'

For the purposes of this definition, applicants claiming volunteer status must be unpaid. The DBS advise that the applicant must not be in receipt of any form of payment, be it remuneration, an allowance, benefit, payment in kind, or other means of support in relation to the activity (except where they are considered by the DBS to constitute 'travel and other agreed out-of-pocket expenses'). Students on placement or individuals working towards ordination or accreditation (for example in counselling) are not regarded as volunteers as they will personally benefit from the work they are doing by means of accreditation or a qualification.

If you have any doubts about a particular situation in terms of whether a check can be legally carried out or if an individual qualifies as a 'volunteer', then contact CCPAS further. CCPAS will seek clarification from the DBS where necessary.

- Adult First Check - Please note that a DBS Adult First is a check of the adult barred list which simply asks for the barring information without waiting for the full disclosure to be completed. It is a service exclusive to the health sector. Requests for DBS Adult First checks carry a strict criteria and are permissible only where it is necessary to take such action because of a real danger that staffing levels will fall below statutory obligations, there is an additional charge for this service and you should always phone CCPAS to discuss this before requesting this check.

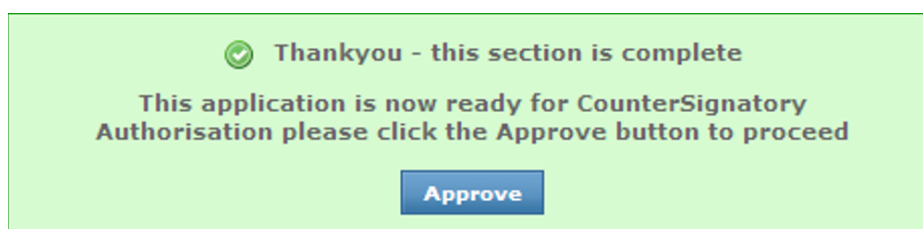

4.5 In the 'Additional Information' box it is your responsibility to give a description of the applicant's job role and how they are working in regulated activity (if applicable). This will greatly increase the speed with which the application is processed and ensure that the correct level of check is applied for. If the level of check requested in Section Y does not match the information provided in the additional information box and the position applied for then we will change the check requested to the appropriate level as we can't request ineligible checks e.g. if the applicant is a Youth Worker or Sunday School Teacher then they would be 'child workforce' – not adult; neither would they be working in regulated activity with adults in that scenario.

4.6 Finally click 'Save' then click on 'Return to Application' in the green box at the top of the screen.

If you need any further help completing section Y then please click on the following link to a video tutorial. [CLICK HERE](#) or go to <https://www.ccpas.co.uk/disclosures/tutorials> and select Completing Section Y.

Stage 5 – Approving and Sending the Form to CCPAS – Lead Recruiters only

5.1 Now click on the 'Approve' button in the green box. (Please note that if you are not already in the applicant's details this is accessed by clicking on the applicant's reference in the 'Our Ref' box). This sends the application to CCPAS and moves it into the 'Awaiting Authorisation' box. (This box is found on your Dashboard screen).

If you do not click the 'Approve' button the form will not be sent to CCPAS and it will not progress any further

5.2 Once a form has been countersigned by CCPAS, the application will be moved to the 'DBS E-Transfer' section. Applications at this stage are awaiting collection by the DBS. Once the DBS have collected them they will move into the processing stage.

NB. An application form can be withdrawn at any time up to and including Countersignatory stage. Once a form has been electronically transferred to the DBS from CCPAS we cannot withdraw it without incurring the DBS charge. If you wish to withdraw an application at Countersignatory stage, please contact CCPAS by phone immediately, to enable the process to be halted.

Stage 6 – Tracking Applications and Monitoring Results – Lead Recruiters only

6.1 On the Dashboard you will see on the right hand side a box called 'Submitted'.

The screenshot shows the 'Applications Dashboard' with a navigation bar at the top containing 'Dashboard', 'Applications', 'Results', and 'Reports'. Below the navigation bar, there is a section titled 'Applications Dashboard' with a brief description: 'The table below provides an overview of the status of your current applications within the system, completed DBS applications over 180 days old and Disclosure Scotland applications over 90 days old have been automatically archived.' Below this description are two columns: 'Pre-Submission' and 'Submitted'.

Pre-Submission		Submitted	
Awaiting Verification	73	Processing	8
Queried Applications	4	Certificate Review Required	0
Awaiting External ID	0	Completed	0
Awaiting Payment	0		
Awaiting Authorisation	6		

6.2 To track an application with the DBS click on "Processing", this will take you to a screen which will show all the applications for your organisation that are being processed by the DBS.

Date Created	Our Ref	Surname	Date of Birth	Org Ref	Application Ref
29/05/2013	[E] 708DUMM31	DUMMY	06/05/1990	CHEQSORG	E000000018 Track

Showing 1 result

6.3 To track an individual's application click the work 'track' in the right hand column e.g. E0000069136 Track. This will take you directly into the DBS's tracking page for that applicant.

6.4 To view a disclosure result from the Dashboard DBS box click 'Completed'. This gives you the disclosure results for applications completed for 180 days from the issue date of the certificate. (There will be no need for you to check this daily as you will receive an automated email prompting you to logon to the system, when a disclosure result is available for you to view.) You will not have the facility to download a certificate from the online system.

Once an application has been completed, the certificate result status will be one of two statuses;

- "Certificate contains no information" – This means the certificate contains no criminal convictions, cautions, warnings, reprimands or other police information. By clicking on 'certificate contains no information' you will be able to view a Result Snapshot. Please note that this is for information purposes only, it does not represent a DBS Certificate or act as an alternative. The information contained within the snapshot is not to be viewed by or passed on to any individual who does not have the appropriate authority to view it.
- "Please wait to view applicant's certificate" – This means the certificate contains information and you will have to view the applicant's certificate to see this information before they can begin work with children or adults at risk. When viewing a certificate remember to ensure its authenticity by making sure it has:

- a 'crown seal' watermark repeated down the right hand side, visible both on the surface and when holding it up to the light
- a background design featuring the word 'Disclosure', which appears in a wave-like pattern across both sides of the certificate; the pattern's colour alternates between blue and green on the reverse of the certificate
- ink and paper that change colour when wet

If the information on the certificate is 'blemished' in any way we strongly advise you to contact our helpline on 0303 003 11 11 option 2 to speak to a professional adviser or in the case of a bespoke scheme you **must** speak to your organisation HQ/Diocese.

Helpful hint - an easy way for you to view the blemished disclosure results is to click on the 'Completed' folder found in the DBS box on the dashboard. From the dropdown menu select 'match'. Then click on 'Go'. This will show all blemished disclosures for the last six months. Don't forget you **MUST** see the applicant's paper certificate in these circumstances and in the case of a bespoke / Diocesan scheme this must be shown to your HQ/Diocese **before** the applicant works with children and/or vulnerable adults.

Indicating sight of the applicant's certificate – see screen shot on next page.

6.5 To help an organisation keep track of which applicants have brought their certificate in to be viewed by the organisation, the system is able to record the date the applicant's certificate has been seen by their organisation. As a Lead Recruiter, you are able to add this date on to an application to indicate that their certificate has been seen. This is an essential part of the procedure for any blemished disclosure. Some organisations require sight of all applicants' certificates regardless of the outcome, however this is for your organisation to decide.

To add a date or to view whether a date has been added to indicate sight of an applicant's certificate, click on the reference number of the application from the 'Application Complete' folder or the 'Awaiting Applicant Certificate' folder. Once in the application, the date can be added in the 'Applicant's Certificate Seen' section of the Processing Details box on the right of the screen.

This will then move the application out of the 'Certificate review required' section to the 'Completed' section. For this reason it is vitally important to search for blemished disclosures using the 'Completed' box as per the process detailed in 6:4 above.

Stage 7 – Reports – Lead Recruiters only

Lead Recruiters are able to run management information reports in relation to their organisation.

The most common reports that organisations may require are shown on the above screen shot and can be generated by selecting the 'Report' icon. Alternatively Lead Recruiters can create their own specific report by clicking on the 'Custom Report' icon (top right of the screen).

When creating a custom report, you must also click on 'Search Archived' if you have entered dates more than 6 months ago. Clicking 'Search Archived' will not bring up results for the last 6 months even if you have entered that period in the dates from and to.

To reconcile your monthly Direct Debit notification (not applicable for those organisations whose fees are paid by their Head Office):

1. From the main 'dashboard' click on the reports section (found on the top bar furthest to the right).
2. Click on the DBS invoice Report Box 'Enter report'.
3. In the boxes 'Date From' and 'Date To', select the date from the 1st of month to the last day of the month you were charged for (you will receive the direct debit notification from us after the last day of that month). (This will automatically be set for the latest invoice month).
4. Click on 'Go' (blue rectangular box).

This Report shows all the online applications that were billed for the month shown. This can be downloaded into an Excel or PDF document by clicking on the appropriate image.

If you are unable to reconcile the direct debit notification with your list you downloaded then please email your list to us so that we can investigate the matter further.

If you need further help running reports then please click on the following link to view our video tutorial. [CLICK HERE](#) or go to <https://www.ccpas.co.uk/disclosures/tutorials> and select Creating Reports.

ALL USERS – PLEASE LOG OFF AT THE END OF YOUR SESSION (FOR SECURITY REASONS). IF A SESSION IS INACTIVE FOR MORE THAN TEN MINUTES YOU WILL BE AUTOMATICALLY LOGGED OFF.

LEGALESE – ATTACHED NOTES

The Disclosure of any offence may not prohibit employment. Please refer to our Rehabilitation of Offenders Policy.

As this post involves working contact with children, young people and/or vulnerable adults all applicants who are offered an appointment will be asked to submit to a criminal records check before the position can be confirmed. You will be asked to apply for an Enhanced Disclosure through the Disclosure and Barring Service (DBS) (England & Wales) or through Access NI if you are in Northern Ireland or through Disclosure Scotland if you live in Scotland.

As the position is exempted under the Rehabilitation of Offenders Act this check will reveal details of cautions, reprimands or final warnings, as well as formal convictions not subject to DBS filtering rules. Because of the nature of the work for which you are applying, this position is exempt from the provision of section 4(ii) of the Rehabilitation of Offenders Act 1974 (Exemptions Orders as applicable within the UK), and you are not entitled to withhold information about convictions which for other purposes are 'spent' under the provisions of the Act with the exception of those that are subject to the DBS filtering rules.

In the event of appointment, any failure to disclose such convictions could result in the withdrawal of approval to work with children or vulnerable adults within the church/organisation.

This process is subject to a strict code to ensure confidentiality, fair practice and security of any information disclosed.

The DBS Service Code of Practice and our own procedures are available on request for you to read. It is stressed that a criminal record will not necessarily be a bar to appointment, only if the nature of any matters revealed could be considered to place children or vulnerable adults at risk.

As a place of worship/organisation we agree to abide by the Code of Practice on the use of personal data in employee/employer relationships under the General Data Protection Regulations effective from May 25th 2018, as well as the expectations of the DBS.

Notes - Children and Young People

Under the Protection of Freedoms Act 2012 it is an offence for any organisation to offer employment to anyone who has been convicted of certain specific offences, or included on either of the two barred lists held by the Disclosure and Barring Service where the post falls within the scope of regulated activity (as defined by the DBS, under the Safeguarding Vulnerable Groups Act 2006 and the Protection of Freedoms Act 2012). An enhanced with barred list check must be completed. Those working with children and / or adults at risk in posts which fall outside the scope of regulated activity may still be eligible for an enhanced disclosure WITHOUT a barred list check.

The DBS offers both an enhanced check and for those engaged in regulated activity an enhanced with a barred list check. For applicants in Scotland and Northern Ireland, similar provisions apply.

ID Verification – how does the process work?

- The Recruiter obtains consent from the applicant to undergo an ID Verification Check.
- The Recruiter follows the link given below to an online form in a secure area of our website.
- The Recruiter enters their name, organisation name and reference number along with the applicant's full name, previous name (if applicable), title, address (including postcode), date of birth and email address – all of this information is essential and you will be unable to progress without it.
- The applicant will be sent an email from us confirming that the Recruiter from your organisation has requested a check. The check will appear on the applicant's credit file as an ID check but will not affect their ability to obtain credit in any way.

Regulated Activity Decision Making Flowchart Notes

Adults – If an applicant is not in Regulated Activity but works with adults who may be vulnerable then it is possible they are still eligible for an enhanced DBS check but without a check of the barred lists. It is the expectation of the Charity Commission, major Christian denominations and many insurance companies that you apply for a DBS check where the applicant's role is legally eligible for one. The worker may still be able to have an enhanced check (without a check of the barred list) if they are a Trustee of a charity that works with adults at risk or are working weekly, or 4 or more days in a 30 day period, or overnight with those who are receiving health or social care and they are giving care, supervision, treatment, therapy, advocacy, transportation, teaching, advice, guidance and/or assistance in a group aimed at adults who need help because of their age, illness, disability or live in certain types of accommodation such as a prison, remand centre, residential care home etc. Workers employed in a care home who are not in Regulated Activity will be eligible for an Enhanced check. A recent example of workers not eligible for any check is a church group for adults with learning disabilities where no personal care is undertaken nor any other roles in Regulated Activity. They do teach those adults but as the group meets twice a month it is not frequent enough to be legally eligible for a check.

Children – If you have worked through the Regulated Activity Flowchart and determined that an applicant is not in regulated activity but they supervise, teach, train, instruct and/or care for children, or provide advice/guidance on well-being or drive a vehicle only for children on more than one occasion then they are eligible for an enhanced DBS check but without a check of the barred lists. It is the expectation of the Charity Commission, major Christian denominations and many insurance companies that you apply for a DBS check where the applicant's role is legally eligible for one.

There is eligibility for an enhanced check (WITH a check of the barred lists) where a person lives in a household of someone who is working in regulated activity with children and who carries out some/all work from home. A trustee of a charity that works with children is eligible for an Enhanced DBS check.

*This only applies if the member of the household has opportunity for contact with the children- they are not in regulated activity but the barred listed can still be checked. This is an exception to the rule.

Definitions: Health Care is defined as health care provided by a health care professional (meaning a person regulated by bodies like General Medical Council; Nursing & Midwifery council for example). Health care means all forms of health care provided for adults for physical or mental health needs and includes palliative care. Psychotherapy and counselling are included when provided by or referred by a health care professional or a social services placement/referral. Services not provided by a health care professional are not covered by Regulated Activity i.e. life coaching; pastoral counselling etc; although if these are performed at least once a week, or four or more days in a 30 day period, or overnight they could be eligible for an enhanced DBS check without a check of the barred list/s. Please contact CCPAS for specific advice.

Personal Care (Adults) is defined as those who provide or prompt an adult with physical assistance with eating; drinking; toileting; washing or bathing; dressing; oral care or care of skin, hair or nails due to the adult's age, illness or disability, these would all be in Regulated Activity (except in circumstances where a hairdresser or a person cuts the hair of an adult).

Personal Care (Children) is defined as physical help with eating, drinking, toileting, washing, bathing or dressing for reasons of age, illness or disability as is prompting, supervision or training when a child is otherwise unable to decide for themselves in relation to any of these personal care activities

Frequently / Intensively for the purpose of Regulated Activity only 'frequently' is once a week or more; 'intensively' is four or more days in a 30 day period or overnight between the hours of 2 and 6am

Scenarios of Roles and their eligibility basis:

- A creche worker who physically assists young children with going to the toilet (on one occasion or more) would be in Regulated Activity.
- A Sunday School worker would only be in a Regulated Activity if they work every week or more and are not always supervised; or if they are providing personal care to the children e.g. toileting. If this does not apply they would still be eligible for an enhanced DBS check without a check of the barred lists even if they are always supervised.
- Purely administrative roles i.e. Church Administrator or Treasurer are NOT eligible for a Disclosure (unless they are a Trustee) as they do not work directly with vulnerable groups. Additionally Disclosures cannot be accessed for those who handle sensitive or confidential information (unless they are supervising those working in Regulated Activity).
- A church worker who visits housebound people and on occasions is asked by the homeowner to do some shopping or pay a bill on their behalf is engaging in Regulated Activity.
- A church worker who is part of a group of volunteers that drive/ accompany church members to their GP surgery or hospital appointments is working in Regulated Activity.
- A luncheon club/foodbank or street outreach whose workers just serve food, drinks, or have a friendly chat with those they work with will not be in a Regulated Activity with adults unless they are giving professional counselling/health care or personal care to adults. They will qualify for Regulated Activity with children if they are advising/supervising/caring etc for children frequently or intensively on an unsupervised basis. If they are not in Regulated Activity but they do care for/supervise/give guidance/mentor children or vulnerable adults then they are likely to be eligible for an enhanced DBS check without a check of the barred lists - see additional notes above.
- Prayer teams whose members pray with/for adults and children in a public area/town centre type setting are not in Regulated Activity nor do they qualify for an enhanced DBS check. If however, their job role includes praying with a child/children frequently or intensively in an unsupervised setting, this would be Regulated Activity.
