Dear friends, as we make our way back to church our fervent desire is that we all are kept safe. For this reason we will be asking everyone to maintain social distancing, to wear face masks unless exempt and to agree to follow the **Track and Trace** protocol. The full list of exemptions and additional information on face coverings and attending services can be found on the Church of England website

<https://www.churchofengland.org/more/media-centre/coronavirus-covid-19-guidance-churches#na>

We will require those who attend to provide contact details, which we will hold for three weeks after each visit. Should a church attender test positive for Covid 19, all those who may have come into contact with them will then be contacted and ask to self-isolate for 14 days.
