

## Bosley Methodist Walk Through Harvest

Everything is done differently this year, and Bosley Chapel Harvest Festival was no exception to this rule.

Mervyn Lovatt suggested we had a walk-through harvest, and the rest of us jumped on the idea.

Sunday 11<sup>th</sup> October all came to fruition. We were blessed with a lovely sunny day which was sandwiched between two very wet days and helped proceedings enormously.

We were grateful for Revd. Pam Butler's administrations at given times throughout the event, thank you Pam. £601 was raised for 'All We Can' the Methodist relief fund for those in need abroad, and the New Life Church Food Bank benefited greatly by the generous donations of food.

Thank you to all the members who worked so hard to set out an outpouring of Thankfulness through their displays and thank you to everyone who came to support us so generously.
