

St James' Pre-School

It has been a busy and exciting new term at Sutton St James Pre-School, welcoming our little people back after for some a very long time away. We have also welcomed some new friends who have just started their learning journey with us.

Every single one of our wonderful children have amazed us with how quickly they have settled into Pre-School life and we are so proud of each and every one of them.

We have been learning all about ourselves this term, including our homes, our bodies, our emotions, and our senses.

We have actually just had our very own spa day exploring our senses with foot spa's hand massages and listening to relaxing music as well as tasting different yummy food all in our Pyjama's! The children loved it!
