

Remembrance Day 2020.

Due to Covid restrictions this year's Remembrance Day commemorations have had to be very different, however our villages have found new and exciting ways to mark the occasion.

In Sutton, the Bus Shelter was decorated.

In Bosley people have been painting rocks to hide around the village and then when found moved to the Soldier in the graveyard.

Wincle School have been learning all about WW2 and even had a day when school lunch was rationed.
