

**November 2020**

We have had another busy month at Bosley St Mary's CE Primary School

We had a super introduction to our new whole school text - The Pirates Next Door! Both classes followed clues to find treasure and 'hook' them into our new topic.

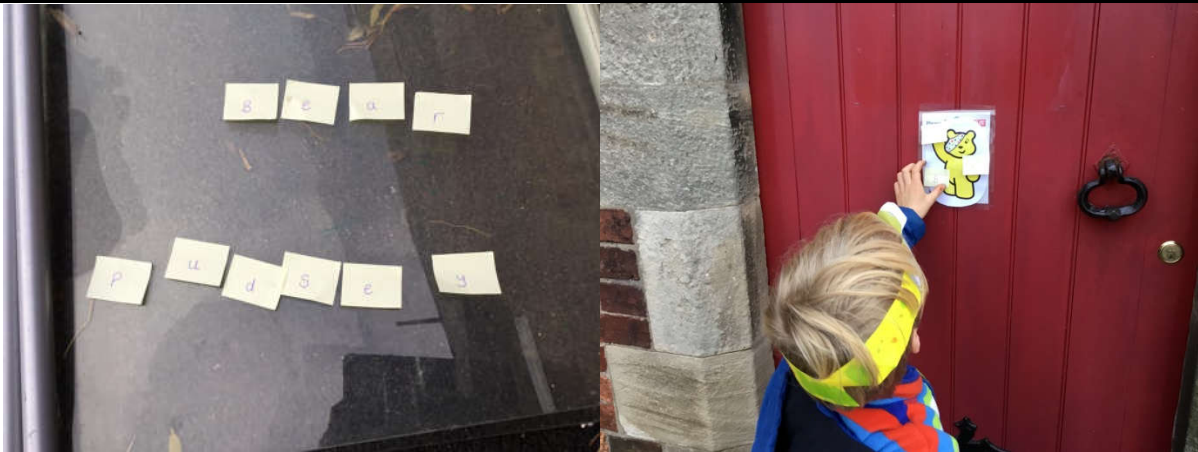

Class 2 have used oil pastels and explored different techniques. Then they recreated Vincent Van Gogh's Starry Night. We have a class full of budding artists!

The children took part in lots of different activities to commemorate Remembrance Day. Our painted pebbles are placed outside our main school gates.

Anti-bullying week started off with Odd Sock day. Throughout the week the children completed lots of talking activities and scenarios. We ended the week on Kindness day and the children have now decided to have a kindness award in our celebration assemblies.

On the 25<sup>th</sup> of November, we took part in No Pens Wednesday. The children had to focus on communication and active listening skills to complete lots of different activities – It was a challenge but great fun!
