Sadly Alf Gibson has died and our thoughts are with his family

Bill Dowse is now in the hospice and Joan can visit him there..

Bosley St. Mary's School

The school is full and vibrant once more! We welcomed all our children back to school on Monday 8th March after school closures back in January and what a week it's been.

Our exciting adventure can now begin...the children at Bosley St.Mary's have thrived this week. We've had unexpected visitors in the playground which meant our children became zoologists for the day, the National History Museum wrote to us after we had spotted what we thought was a Dodo print in the playground and to top it off, we have explored our new outdoor provision, 'Bewilder @ Bosley.

What has really touched me as headteacher of our wonderful school is the kindness and generosity our local community. A lot of hard work has gone into the design and building of our new outdoor provision and without the donations, time and effort from our friends and families, we wouldn't have been able to open our new outdoor learning area as quickly as we have.

Even though we battled against the elements, the children had a fantastic time and the air was filled with joy and laughter - just what the doctor ordered!
