Dear Parents,

It has been lovely to be back in school this week, I am very proud of both the children and staff who have returned this week and in the way they have dealt with new rules and routines. A big well done and thank you to everyone!

How wonderful to see so many of you join our zoom collective worship on Thursday. Look out next week for the details of our next worship time.

Great also to chat with some of our parents and children on the telephone. If you missed our call during our weekly ring around this week, do feel free to give us a call at school next week.

### **School Arrangements**

Our arrangements for school attendance remain as before. We are limited to the number of children that we can safely accommodate at this time due to space and staffing. Therefore, we ask that you do not send your child to school without contacting us first, giving us a minimum of 24 hour notice informing us of your intention.

Priority for places will be allocated in the order as stated below:

1. Vulnerable children
2. Children of key workers
3. Children in Year 6
4. Children in Year 1
5. Children in Reception

Please contact us via the admin email to confirm that you would like your child to attend school and we will confirm if we have a place for your child to attend.

Next week, Mrs Rose, Mrs Jackson and Mr Featherstone will be the teaching staff present in school and I will be in school on Monday, Wednesday and Friday. Home-learning packs will be sent as usual on Monday morning.
