Ofsted Covid Research Project

The Covid research project with Ofsted took place yesterday and we will be receiving a letter in due course which we will share with you as soon as we are able.

Music Service

If anyone is interested in signing their child up for music lessons delivered by peripatetic music teachers, please find details below of the contacts that we have:

North Yorkshire Music Hub – visit www.northyorkshirmusicub.co.uk for further details about what lessons they provide. I have a small stock of leaflets in the school office if you would like one.

Please note these lessons are parent's responsibility to book and pay for directly with the provider. We are happy to allow children to have their lesson during school time.

Forest School and PE

Next week, the infant children will be doing Forest School and the juniors, PE. The infants may come to school in their forest school clothes.

Outdoor Clothing

Please could you make sure your child comes to school in suitable footwear and has a warm coat, hat and gloves. We do like the children to go out for fresh air unless the weather is particularly awful and it makes it much more enjoyable for them if they are warm and dry. Thank you.

Have a great weekend.

Liz Orland
