**REMINDER - Covid Guidance**

We have updated our parent guidance which you can find [HERE](#).

We now have a [Face Covering Protocol](#) in place.

**REMINDER - Rapid lateral flow testing for households and bubbles of school pupils and staff**

On Sunday 28 February, the [Department of Health and Social Care announced](#) that from Monday 1 March, households with primary school, secondary school and college age children, including child care and support bubbles, can test themselves twice every week at home as schools return from Monday 8 March. Households, childcare and support bubbles of primary, secondary and college staff can also be tested. Twice-weekly testing will also be offered to adults working in the wider school community, including bus drivers and after school club leaders. The twice-weekly test kits can be accessed:

- via employers if they offer testing to employees
- at a local test centre
- by collecting a home test kit from a test site
- by ordering a home test kit on-line

This [guidance](#) provides information on who can be tested and how you can get a test.
