FEAST brings the fun to the school holidays, offering loads of different activities for everyone to take part in.

All children and young people across North Yorkshire can get involved in a range of activities, with free places and a free meal for eligible children and young people, thanks to funding from the Department for Education.

If your child is eligible for benefits-related Free School Meals or is made eligible by exception (see our website FAQs for details), you will receive a voucher from their school via an email or text, through an online platform called HolidayActivities. This will enable you to book school holiday activities that are part of the FEAST programme for free, using the online platform HolidayActivities.

To see all the fantastic activities on offer and learn more about how to claim a free place, visit the FEAST website.

If you have any questions about FEAST, please email hello@northyorkshiretogether.co.uk
