Use your log in from your home learning book - the same one you have used this week in Maths.

Choose the 'jamming' option and practise the times tables you wish to work on!

The screenshot displays the TT Rockstars game interface. At the top, there are two main categories: **SINGLE PLAYER** and **MULTIPLAYER**. Under **SINGLE PLAYER**, there are four options: **GARAGE** (Self Set), **JAMMING** (You choose), **STUDIO** (12 x 12), and **SOUNDCHECK** (25 questions). Under **MULTIPLAYER**, there are three options: **FESTIVAL** (12 x 12), **ARENA** (Self Set), and **ROCKSLAM** (12 x 12). Below these options is a large purple banner for **JAMMING** with an information icon and a **PLAY** button. The banner includes a table icon with the text "Tables: You choose", a musician icon with "20 questions No timer", and two gold coins with "8 per correct answer". Below the banner are three selection buttons: "Multiplication and Division" (8 per correct answer), "Multiplication only" (4 per correct answer), and "Division only" (4 per correct answer). At the bottom, there are three buttons for question counts: "10" (10 questions), "2" (20 questions), and "5" (30 questions).

# Spellings

This term your spellings will be words using the rules and patterns we have looked at together in class...
