

Maths:

For this week's homework we would like you to practise telling the time.

___ o'clock

___ o'clock

___ o'clock

___ o'clock

___ o'clock

___ o'clock

___ o'clock

___ o'clock

___ o'clock

___ o'clock

___ o'clock

___ o'clock

Grow your mind: See if you tell the time on a clock at home when it gets to 'o'clock'!

Maths:

For this week's homework we would like you to practise telling the time.

Grow your mind: See if you tell the time on a clock at home when it gets to 'o'clock' or 'half past'.

Maths:

For this week's homework we would like you to practise telling the time.

Write the time that is **1 hour before** the time on each clock.

Write the time that is **1 hour after** the time on each clock.

Write the time that is **2 hours before** the time on each clock.

Write the time that is **2 hours after** the time on each clock.

Grow your mind: See if you tell the time on a clock at home.

Reading:

Please make sure you read with somebody at home 5 times a week so you can keep building upon your fluency and sight recognition. Keep practising the sounds and words in your reading folder too. We are very impressed with how lots of you are spelling these words perfectly in your work now!

Grown ups, please make sure you write down on the paper reading record or on GoRead each time you hear your child read. Thank you :o)
