Collect - The Fourth Sunday of Epiphany

God our creator, who in the beginning commanded the light to shine out of darkness: we pray that the light of the glorious gospel of Christ may dispel the darkness of ignorance and unbelief, shine into the hearts of all your people, and reveal the knowledge of your glory in the face of Jesus Christ your Son our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever.. Amen

Working party

The Fabric Task Group has agreed to hold a working party from 9.00am on Saturday 10th February. The main job will be to demolish the wall between Church House garden and the Churchyard, sort and stack the stone, and dig down to a firm base in readiness for laying a concrete foundation prior to engaging a professional company to rebuild the wall. The more of this job we can do with unskilled labour the cheaper it will be. Hopefully some of the Dads who will be at "Who Let The Dads Out" that day will be able to join in later in the morning!.

All over the world millions of people find hope and help in knowing Jesus Christ. Hope Explored is a three-session series about the life, death and resurrection of Jesus that examines his extraordinary claims. The structure of each session is simple: a short Bible study, a talk and a chance for discussion and to ask questions...

Hope Explored shows how Jesus offers us a hope worth having, a hope that won't disappoint us.

You may have questions, and we don't assume any previous knowledge.

We would love you to join us..
