## CHRISTMAS BOOKS

"A wonderful book which equips your whole family to discover the Christmas story afresh."

KATHARINE HILL, Director of Care for the Family

he first Christmas was an adventure like no other.

The angels blazed brighter than any Christmas lights. Elizabeth and Zechariah's joy at their baby was beyond any grandparents' delight at a kids' Christmas play. Mary's preparation was more chaotic than any festive family gathering. Joseph's journey to Bethlehem was harder than any road trip to relatives. The shepherds' midnight arrival was more entertaining than any family film night. The wise men's gifts were more precious than any sparkly wrapped present.

Let the incredible adventure of the first Christmas light up your family's Advent with these straightforward, Jesus-focused devotions. Each day includes questions for every child aged 3 to 18 (and their parents) alongside the Bible text and craft ideas.

"Makes family discipleship easier – this truly is a gift that keeps on giving."

BARBARA REAOCH, Author of A Jesus Christmas

ED DREW is the Director of Faith in Kids, which exists to support churches and parents in raising children to trust in Jesus Christ eternally ([faithinkids.org](http://faithinkids.org)). For twelve years Ed was the Children's Worker at Dundonald Church, SW London. He's married to Mary, and they have three children.

## 50 Christasiest Bible Stories for Children

Mince pies, snow, Christmas presents and carol singing; surely they don't feature in these 50 Bible stories?

Well, believe it or not, they do have biblical beginnings! From myth busting, to uncovering the meanings behind Christmas traditions, join a huge host of kings, busy angels and expectant mothers and learn about the One who's at the heart of Christmas; and the Bible:- Jesus! The writer and illustrator Andy Robb, presents Bible stories to children in an unforgettable way, with the aim of sparking in them an enthusiasm to get to know God's Word more and more.

Using colourful cartoons and his distinctive style of storytelling, Andy brings fifty Christmassy Bible stories to life. He ends each story with a cliff-hanger and a question, encouraging readers to look up and discover the endings for themselves in the Bible.

## Hope Explored

HOPE|EXPLORED

WHAT'S THE BEST FUTURE  
YOU COULD EVER IMAGINE?

**Hope Explored** is an informal and relaxed three-week course and will start in the New Year. It's for everyone who wants to find hope, peace and purpose in life. It's run by ordinary Christian people local to you and is completely free. You don't need to know anything about the Bible, and you won't be asked to pray or sing. You can ask questions as you like, or you can just sit and listen.

Whoever you are, whatever you're thinking, **Hope Explored** is a place for you to discover the hope of a future that is better than you could ever imagine.

Look out for further details in CFN over the coming weeks.

Life is full of unexpected twists and turns. But the most unexpected and significant event in the history of the world actually happened over 2000 years ago when God himself became one of us in the person of Jesus Christ.

These Advent reflections, written by David Mathis, help us to lift our eyes to the wonder of the incarnation and worship the one who came to save us.

Be amazed once more by the unexpected details of Jesus' unique birth and saving work with these short daily devotions and prayers, and renew your worship of our humble, generous and loving Saviour.
