As you know CFN has not been available for the past few weeks, this has been due to my illness (better now) and computer problems. So this is a temporary version of CFN since still having computer problems which are now being resolved. However the normal CFN still won't be available until after 12th June since I'm away on holiday for two weeks from 29th May. Please check the St Bots website for important information as it becomes available.

Remember if you have anything you want publicised in future CFN's please email to me at jimroughton@stbots.church.

Collect - Sixth Sunday of Easter

God our redeemer, you have delivered us from the power of darkness and brought us into the kingdom of your Son: grant, that as by his death he has recalled us to life, so by his continual presence in us he may raise us to eternal joy; through Jesus Christ your Son our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever. Amen

Collect - Ascension Day (Thursday 26th May)

Grant, we pray, almighty God, that as we believe your only-begotten Son our Lord Jesus Christ to have ascended into the heavens, so we in heart and mind may also ascend and with him continually dwell; who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever. Amen

Family Worker Funding Appeal

The Rector and Wardens would like to thank all those who have responded to the letter we wrote in January asking for pledges for a further three year term to continue to employ Helen as our Families Worker when the current term ends in July 2022. However, to date, we are still somewhat short of the total needed for this further three year term. This shortfall could at least in part be because some people who have or who are currently supporting Helen have not formally responded to advise whether or not they wish to continue donating for this new term. This makes it difficult to calculate a reliable total that would be raised.

So we would ask - if you haven't responded to our January letter asking for pledges for a further three year term from July/August this year, are you now in a position to do so? You may be able to continue your current commitment, or to advise any change to that commitment, or, if you are not currently financially supporting Helen and would wish to do so from July/August this year, to advise whether you would wish to make a one off or regular payment and how much you would wish to pledge to give.

This note is therefore a huge thank you to all who have responded already and intend to continue or to start to support the wonderful work that Helen is doing as part of our ministry team, For those who haven't, please prayerfully consider the part you can play in ensuring a continuation of this important ministry. It would be greatly appreciated if you would kindly advise your response to Peter Jackson.

For those who will be donating by bank transfer, standing orders or cheques paid into a bank please contact the office for our bank account details
