

Hope Explored is an informal and relaxed three-week course and will start in the New Year. It's for everyone who wants to find hope, peace and purpose in life. It's run by ordinary Christian people local to you and is completely free. You don't need to know anything about the Bible, and you won't be asked to pray or sing. You can ask questions as you like, or you can just sit and listen.

Whoever you are, whatever you're thinking, **Hope Explored** is a place for you to discover the hope of a future that is better than you could ever imagine.

If you are interested in joining in then send an email to hope@stbots.church and we'll let you know when it's starting.

Further Details will be available in the New Year.

Collect - The First Sunday of Epiphany

Eternal Father, who at the baptism of Jesus revealed him to be your Son, anointing him with the Holy Spirit: grant to us, who are born again by water and the Spirit, that we may be faithful to our calling as your adopted children; through Jesus Christ your Son our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever. Amen
