Introduction

The Parochial Church Council (PCC) takes seriously its responsibility to protect and safeguard the welfare of children, young people and vulnerable adults.

This Policy and Procedure applies to all who have received the Bishop's Licence or Permission to work and all others who work with children and young people and vulnerable adults in our Parish/LEP/Benefice.

The term 'Parish' is used to denote the PCC and Incumbent who are together responsible for ensuring that safeguarding policies and procedures are implemented.

The PCC will:

- 1 Appoint a **Designated Person** to work with the Incumbent on safeguarding matters
- 2 Follow the **Safeguarding Children and Vulnerable Adults Guidelines**
- 3 Report any abuse or suspected abuse if discovered.
- 4 Have adequate insurance cover in place
- 5 Ensure all those whose work brings them into regular contact with children and vulnerable adults are safely recruited, complete a Confidential Declaration Form and are subject to a criminal records disclosure.

For the purposes of this document a child is anyone under the age of eighteen years.

1 Safeguarding Children and Vulnerable Adults Policy

We recognise that :

- the welfare of the child or young person is paramount
- everyone has different levels of vulnerability, and each of us may be regarded as vulnerable at some time in our lives
- all children and adults who may be vulnerable (regardless of age, disability, gender, racial heritage, religious belief, sexual orientation or identity) have the right to equal protection from all types of harm or abuse which can occur in all families and communities
- domestic abuse if witnessed or overheard by a child, is a form of child abuse by the perpetrator of the abusive behaviour
- working in partnership with children, their parents adults who may be vulnerable, their carers and other agencies is essential in promoting their welfare.

We will develop a safeguarding culture in our church that:

- enables and encourage concerns to be raised and responded to openly and consistently and protects children and adults who may be vulnerable from actual or potential harm
- is child-friendly and ensures that all people feel welcomed, respected and safe from abuse
- values, listens to and respects children and adults who may be vulnerable, encouraging them to be active contributors to the church community
- encourages adults who may be vulnerable to lead as independent a life as possible

When concerns are raised we will:

- respond without delay to every concern raised that child or adult who may be vulnerable may have been harmed, or be at risk from harm, through abuse, harassment or bullying; or about the behaviour of an adult or child
- work with the DSO and the appropriate statutory bodies during an investigation into abuse, including when allegations are made against a member of the church community
- challenge any abuse of power especially by anyone in a position of trust

If abuse has occurred, we will ensure in partnership with the DSO and other agencies that:

- informed and appropriate pastoral care is offered to any child, young person or adult who has suffered abuse, including support to make a complaint if so desired
- supervision is provided for any member of our church community known to have offended against a child or vulnerable adult, or to pose a risk to them.
- appropriate pastoral care is offered to any member of our church community against whom an allegation is made

In all recruitment and selection we will:

- ensure careful selection of ordained and lay ministers, voluntary and paid workers with children and young people and adults in line with safer recruitment principles and checks
- provide supervision, support and training after appointment
- commit ourselves to support, resource train and regularly review those who undertake work amongst people who may be vulnerable.

In our publicity we will:

- share information about good safeguarding practice with children, parents and adults who may be vulnerable, their carers, and all those working with them

2 Responding to child or adult who may be disclosing abuse

We will endeavour to:

- Listen carefully, take the child or vulnerable adult seriously
- Tell the child s/he has done the right thing by telling
- Clarify if necessary
- Say if we can what we will do next
- Make an accurate record as soon as possible

We will not

- Promise confidentiality
- Investigate
- Ask leading questions
- Repeatedly question/ask the child or adult to repeat the disclosure over and over

Imminent risk

- If we encounter a child in a situation where the child or adult is in imminent danger, we will act immediately to secure the safety of the child. We will seek the assistance of the police and then make a referral to Local Authority Social Care in accordance with the Child and Adult Protection Procedure below. If a child or adult needs emergency medical attention, we will seek this immediately and directly from the emergency services. We will keep parents, if available, fully informed.

3 Child and Adult Protection Procedure

We will follow the procedure below where there is concern that a child or vulnerable adult has been harmed and urgent action is needed

1. If there is concern that a child or vulnerable adult is at risk of harm, inform the Parish Safeguarding Officer or Incumbent who will take advice from the Diocesan Safeguarding Officer (DSO) or Local Authority Social Care. ***If the incumbent is implicated, inform the DSO.***
2. If there is concern that a child or vulnerable adult has been harmed, immediately inform the Parish Safeguarding Officer or Incumbent or DSO and agree who will make the referral to Local Authority Social Care team. If no-one is available contact the Local Authority Social Care Team or Police directly.
3. Make an immediate telephone referral to MASH (0300 126 1000). Make it clear from the first point of contact that you are making a child or adult protection referral.
4. Describe the event or disclosure and give information about the child and family or adult for example the child/adult's name, date of birth, address, telephone number and GP if known.
5. Follow up your telephone call with a completed referral form (sometimes available on the Local Authority web site) or letter. This should be acknowledged. If it is not, chase it.
6. Remember that the child and family should, wherever possible, be informed about and consent to the referral ***unless this would put the welfare of the child or vital interests of the adult who may be vulnerable, or another person at further risk.*** *If you have serious concerns, the absence of consent should not prevent a referral.* The Duty Social Worker will give you advice over this if necessary.
7. Be prepared to have further discussions with the social work team or the police investigation team. Say if you do not want your details disclosed to the family.
8. For out of hours referrals, call the Emergency Social Work Team or where urgent, the Police.
9. Consult with the DSO at any point in this process but in any case always ensure the DSO is informed of the concern and actions taken.

Do not delay your referral. Clergy and Diocesan Officers are NOT authorised to investigate any allegations and must never attempt to do so. Only the Police and the Local Authorities are granted such powers in law.

Most situations are not emergencies.

However: If a child or adult who may be vulnerable needs immediate medical help, call emergency services, and ensure that ambulance and hospital staff are informed of any protection concerns. If it would be dangerous for the child or adult who may be vulnerable to return home, or he or she does not want to return home and you are sufficiently concerned for their safety, contact the emergency social care service or the police. If you observe a child or adult who may be vulnerable being harmed

or at risk of harm by someone other than a family member, you should inform the parents or carers immediately, and work with them on appropriate referral to police or social care.

5 Safeguarding children and adults training

The Parish will make every effort to ensure that clergy, licensed workers and lay ministers, volunteers and employees working with children and vulnerable adults regularly seek and obtain safeguarding training to the level of their responsibility. Clergy should attend the Diocesan Safeguarding Children Basic Awareness /Refresher training once every three years.

6 Safer Recruitment

- All church workers with children and adults will complete and sign an application form and confidential declaration.
- Written references and identification will be required and will be carefully checked.
- A criminal disclosure will be required in relation to all eligible roles
- All church workers with children and adults will be interviewed in relation to a role/job description or person specification.
- After appointment support and training will be offered.

7 Those who pose a risk to children

When it is known that a member of the congregation, or someone wishing to join the congregation, has sexually abused a child or young person, or is not a sexual offender against children but nevertheless may pose a risk, we will consult with the Diocesan Safeguarding Officer, so that a safe course of action in accordance with recommended Church of England procedure can be pursued in conjunction with the relevant statutory agencies.

8 Care of Survivors of abuse and their families

We will seek to work with anyone who has suffered abuse, developing with them an appropriate ministry of informed pastoral care.

9 Record Keeping and Storage

Notes will be made of all safeguarding incidents involving children or adults. They will be treated confidentially and will be securely stored by the incumbent or designated person. They will be retained even if the information received was judged to be malicious, unsubstantiated or unfounded. During an interregnum, the designated person will be responsible for all safeguarding records which will be passed to the incoming incumbent.

10 Safe Practice with children

We will ensure our work with children is carried out in a 'safe' environment in accordance with Safe Parish Guidelines

- Each group will have a minimum of two adults and a gender balance will be maintained if possible.
- The ratio of leaders to children, above and beyond the minimum of two, will comply with the Children Act 1989 (*There are no specific requirements as the number of leaders will depend on the activity, the age of the children and the experience of the leaders. As a guide the following ratios are suggested:*
 - 0-2 yrs 1 adult to 3 children

- 2-3 yrs 1 adult to 4 children
 - 3-8 yrs 1 adult to 8 children
 - 8-18 yrs 1 adult to 10 children)
- Adults will not work alone with children
 - We will seek to ensure meeting places are safe, secure and suitable for purpose
 - We will be clear about boundaries with regard to touching always related to the child's needs and normally initiated by the child.
 - We will obtain parental/guardian permission for attendance at groups, trips, use of images and transporting children in private cars.
 - *(This can be done once a year for those groups meeting on a weekly basis and can cover regular off site activities where parents are taking/picking up their own children – e.g Grid and Link visits to Pizza Hut, Laser Maze).*
 - *A contact telephone number is required in case of emergency.*
 - *Specific consent must be obtained if the children are to be taken off site. (see Transport below)*
 - All those who drive children on church-organized activities should have held a full driving licence for over two years which must be “clean” i.e. with no current points.
 - All cars that carry children should be comprehensively insured for both private and business use. The insured person should make sure that their insurance covers the giving of lifts relating to church-sponsored activities.
- **Toileting** - Children of different ages have different needs and even those of the same age differ in abilities. Where appropriate they should be asked what help they want and this should be provided. They should not be given unwanted assistance. Where possible, assistance should take the form of instructions rather than intervention. If it is necessary to intervene another team member should be informed. Parents should be told what was done as soon as possible.
- Babies and children should be changed if they are in wet or soiled clothing. Whenever possible the child's parents should be located and asked to do this. Where this is not possible and where written permission has been given by parents, volunteer workers are permitted to do this task if they are willing.

11 Unaccompanied Children

If children attend our church services without their parents' or carers' knowledge we will welcome the child(ren) and try to establish whether their parents are aware of where they are. We will make sure an adult recruited for work with children takes care of the child and try to discover when they are due home and encourage them to keep to that arrangement. Depending on the age and competence of the child, we will ring the parents or ask the young person to ring to gain the parents' consent to the child remaining. If the child comes regularly, we will endeavour to establish regular contact with the parents or carers.

12 Visiting adults who may be vulnerable, in their homes (including residential homes)

Church workers will always complete an assessment of risk before visiting someone in their own home. They will always carry a mobile phone on a home visit, and ensure that someone knows

where they are and when they are expected to return. They will always call by appointment and carry identification. Where our workers need to refer the person to another agency we will talk this through with the vulnerable adult, seeking his/her permission before passing on personal information. Our workers will always endeavour to be clear about what behaviour from the vulnerable adults is acceptable and what is not.

13 Bell Ringing

The PCC will appoint the tower captain and others who are likely to be in charge of ringing at any time. All Tower Captains and ringers are expected to abide by the Child Protection policy of the Central Council for Bell Ringers. In particular, no adults will work alone with children and young people, at least one adult should be in calling distance at all times and instruction should be given without physical contact.

14 Organizations hiring Church Building or Premises

The PCC is responsible for all activities and events which take place in church buildings or grounds which are not run directly by the PCC, and will require visiting groups to ensure that children and vulnerable adults are protected at all times, follow safe recruitment procedures, and aware of health and safety issues in the building. Visiting groups will be required to sign a hire agreement and abide by the Parish Safeguarding Policy.

15 Tenants

Due to the number of children and vulnerable adults using Church House the tenancy agreement for the flats shall require tenants to abide by the Safeguarding Policy and to undergo a DBS check.

16 Social Media and Engaging with Young People

Children and Young people's workers should be familiar with the full policy set out in the Safe Parish Guidance

E mails on line chat and texting

- Parental agreement should be obtained before communicating with young people (to be included on the generic consent form completed at the beginning of each year)
- Language should be clear and unambiguous
- All conversations must be made available for viewing by a worker's supervisor.
- Workers may provide advice and support, but avoid counselling
- Contact should be limited to the use of the Link Facebook group and via text – workers should avoid other social media to facilitate monitoring.
- Facebook will only be used for Link. Volunteers should only accept friend requests from members of this group (not younger) – they should never initiate a request. Messages will normally be put on the wall where they can be read by all members – when it is necessary to use private messaging workers should ensure that the messages are available for a supervisor to review if needed.

Mobile Phones

- They should use group texts wherever possible
- There should be an agreed length of time for conversations and a curfew e.g no communication between 10:00pm and 7:00am
- Conversations causing concern should be saved/transcribed and passed to supervisor
- Photos should only be taken in accordance with safeguarding guidance

- Images should be forwarded to the church office and only downloaded to a computer authorised by the PCC (The associate workers laptop which will be made available for review by PSO or the Rector on request and the office computer). Workers should not store any images on their own computers.

All of the above should be shared with young people.
