“SUPER CAPS”

IN THE KING JAMES HOLY BIBLE

Preface:

The King James AV 1611 Holy Bible (referred to from here on as “the bible”) is God breathed, inerrant, (without proven error) supernatural, perfect, and superior to any other piece of literature ever written. There is not another book like it in the world! God has given us his word and words in the English which is the last universal world language just before the Second Coming of the great God and Saviour Jesus Christ. The Holy Spirit has reemphasized this truth in my heart and mind countless times since being born again in April 1972. It is “The Scripture” and all other “per-versions” are Satan’s attempt to pull the wool over the eyes of lazy sheep who will not “Study to shew themselves approved unto God...” (2Tim 2:15) nor will they “Search the scripture...” (John 5:39) but they have willfully fallen victim to the little g “god” of this world, Satan, who blinds the eyes of anyone he can, always bringing doubt and questions in the mind of people concerning the truthfulness and integrity of the word and words of God. Gen. 3:1 “Yea, hath God said...?”

This paper is being written with the intent to highlight one of the marvelous “coincidences”, as illiterate scoffers would say, found in the text of the bible than is often overlooked by the casual reader and most assuredly it is overlooked by Greek or Hebrew scholars who thinks that they are smart enough to correct God’s word.

This phenomenon is the placement of words that appear in the bible that are written with all BLOCK CAPITAL letters or what I call “SUPER CAPS”. There are twenty five of these occurrences found in the bible and they create their own message within the book of God. They appear “randomly” (Bible believers know that there is nothing random about the word of God, the Lord has it mapped out beautifully) throughout the Bible and number anywhere from one to thirteen words in the cluster.

My prayer for you is that this brief paper on the subject will be a benefit to you and will intensify your love for God’s word, the King James Holy Bible.

A closer look at the

**“SUPER CAPS”**

**IN THE KING JAMES HOLY BIBLE**

“Super Caps” are words or clusters of words that show up in the scripture in ALL BLOCK CAPITAL LETTERS, any reference to the word “scripture” or “the bible” is referring to the only true perfect word of God, the King James AV 1611 Holy Bible, (I know that the Laodicean “Christians” don’t believe that statement but that’s because they don’t spend any time in the book and they are lazy, stupid, self willed, carnal and wish to be their own “final authority” instead of allowing God and his word to be their final authority, you’re welcome.)

The Bible displays twenty five occurrences of super caps throughout the scriptures; some contain only one word while others contain several words.

Eleven of the occurrences are references to God the Father,

Eleven of the occurrences are references to God the Son,

And three of them, when read in their immediate context where they appear, refer to Satan’s five thousand year old false religious whore wife who is still masquerading around as a “church” (Catholic, just so you know) and claiming to be “The True Church” (Catholic, just so there is no chance of you mistaking or misunderstanding to who I am referring) the whore of Babylon and are even to this day are carrying on the practices, rites, and traditions of the religious system from which it started way back in Gen. 10:10 under Nimrod in the first kingdom mentioned in the Bible, **Babel**, (Babylon in the plains of Shinar as we know it in scripture). The Babylonian whore religion comes complete with vestal virgins (nuns), black robed priests who are called “Father”, and the worship of the “Queen of Heaven, (Jer. 44:17-25 called “Mary” by the modern day worshippers of “Baal-Ashtoreth” (13 letters, Jud. 2:13, 10:6) incense, idols, “saints”, a “holy papa” and a false “bible” which is Satan’s counterfeit manuscripts from a Catholic monastery in Alexandria Egypt (type of the world), from where we got the RSV and all of the perversions that come from it such as the ASV, the NASV, the NIV and the New King Jimmie.

When these twenty five super caps are read as they appear in the Bible they take on their own true significance. A message within the text of the Holy Scriptures. Read the list over a few times before proceeding to get the full impact of what God is saying to us using just the super caps.

Chronological appearance of Super Caps as they are in the Holy Bible. This list appears again later with the reference address.

### **The Three Groups of Negative Caps**

First I want to wade into the cesspool, muck, and mire of the three NEGATIVE references in the list, these are connected to Satan's false religious system, both the spiritual [Whore Church in Rev.] and physical [the pagan Babylonian Dan. 5] these two kingdoms are a counterfeit of God two kingdoms [spiritual, the kingdom of God and physical, the kingdom of heaven] then we will come back up to the surface for a breath of fresh air. The three groups of "super caps" that we will discuss are found in Daniel 5, Acts 17, and Rev. 17 they are un-mistakenly "connected at the hip".

I would like to begin with the super caps found in Rev. 17 because they represent the culmination of the religion of Satan, the whore of Babylon, then we will connect Daniel and Acts to her looking back through the Bible.

Turn to Rev. 17:5, **MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS**

**AND ABOMINATIONS OF THE EARTH**

Here we have a set of super caps which are the unmistakable threefold description of the church, and bride, and city of Satan called in the scripture, mystery Babylon, the Great Whore. Her name given is "The whore" and her "name" is written on her forehead, just as the Antichrist will place his mark in the foreheads of the people in the tribulation period who worship the beast. This name has **13** words

(count them) containing a total of **65** (5x13) letters. It is no accident that this name of the church of Satan contains the multiples of number **thirteen** for the number thirteen in scripture has a negative connotation 85% of the time and you can't get more negative than the prince of darkness. For an example of thirteen as a negative number we need to look at the first place in scripture where two thirteens collide and that is in Gen. "13:13", the verse has 13 words and it is forever connected with "Sodom-Gomorra" (13 letters), "homosexuality" (13 letters). There are 2 words that appear for the very first time in scripture they are "wicked-sinners" (13 letters), and just by sheer coincidence (yeah, right) the sodomites were destroyed by "fire-brimstone" 13 letters in Gen. 19:24. Therefore the number 13 is forever connected with the sin of homosexuality, evil, rebellion and wickedness and this observation holds up consistently negative 85% of the time throughout the Bible.

In Rev. 17 we have Satan's five thousand year old false religion represented by a female who is said to be a whore who is still masquerading around today (2013) as a "church" (today it is called Catholic, same whore new name just so you know) and claiming to be "the true Church" (Catholic, just so there is no chance of you mistaking or misunderstanding to who I am referring) she is the whore of Babylon and she is carrying on all of the practices, rites, rituals and traditions and perversions of the pagan religious system reaching back to Gen. 10:10 under Nimrod in the first kingdom mentioned in the Bible, **Babel**, (Babylon in the plains of Shinar as we know it in scripture and as it exists today, read "Babylon, Mystery Religion", Woodrow 1966 and The Two Babylons by Hislop). The Babylonian whore religion parades around today just as it did under Nimrod five thousand years ago complete with a harem of temple prostitutes, "perpetual virgins" (nuns), black robed priests who dress like "mommas" and are called "poppas", who worship the "Queen of Heaven, (Jer. 44:17-25 called "Mary" by the modern day worshippers of "Baal-Ashtoreth" (13 letters, Jud. 2:13, 10:6 male and female deities propagating sexual perversion) with their incense, idols, a "holy papa", sexual perversions (predominantly pedophilia and homosexuality) based on a set of false "manuscripts" which were used to produce Satan's counterfeit bible beginning with the corrupt manuscripts found in Alexandria Egypt (type of the world) and continuing on to 1895, the RSV, and all of the perversions that came from it such as the ASV, the NASV, NEB, NJB, NWT, the NIV and the New King "Jimmie" perVersion.

The Mystery Whore in Rev. 17 is Satan's "bride" which is a counterfeit of the Lord Jesus Christ's pure chaste virgin bride (2Cor. 11:2), a counterfeit of Christ's city, New Jerusalem (Rev. 21), and a counterfeit of the real Church, the body of Christ (Eph. 4:4). She commits fornication with any and every false religion, king (vs. 2) and inhabitant of the earth and she makes them drunk with the wine of her fornication, she is a whore and that's what whores do. The power she has over the masses of ignorant religionists is staggering. Her colors are "scarlet and purple, she is decked with silver, gold, precious stones and pearls" (vs. 4 she loves her opulence) she drinks the blood of the saints and the martyrs of Jesus (vs. 6) out of her symbol which is a golden cup, along with her filthiness and fornication and she sits on seven mountains (Rome, religious Babylon vs. 9).

What a great wife you have there Saint Satan, she is very becoming of you, a great compliment to your existence. Rev. 17:18 (3x6) And the woman which thou sawest IS that great city, which reigneth over the kings of the earth, she is a religious and political system under the control of her husband the king of terrors. (Job 18:14)

Just for fun I am including a list of a few phrases that are connected closely with the pagan practices of Mystery Babylon. All of them have something in common, see if you can figure it out. Read them carefully.

\*Roman Catholic, \*purple-scarlet, \*Queen of Heaven (Jer.44:17), \*Christmas Tree (Jer. 10), \*Easter Egg Hunt, \*Saint Nicholas, \*Roman Soldiers, \*King of Babylon, \*The Golden City, \*The Antichrist, \*false brethren, \*false teachers, \*false prophets, \*false apostles, \*Baal-Ashtoreth, \*false doctrine, \*false religion, \*Judas Iscariot, \*Prince of Tyrus, \*unclean spirit, \*bottomless pit, \*Jacob's Trouble.

Do you see what they have in common? They all contain **13 letters**. Coincidence? Yeah right!

### **The Second Group of Negative Caps, Acts 17:23**

#### **TO THE UNKNOWN GOD**

Now let's turn to the second group of negative "Super Caps" found in the Book of Acts 17:23 (just as the passage in Revelation 17) here Paul is speaking to the "idolatrous city" (a "religious" city just like the city of Babylon the great whore.) of Athens, Greece. Paul addresses the religious, superstitious philosophers, Epicureans and Stoicks on Mars' hill and he said in verse 23, "For as I passed by, and beheld your "devotions" (a religious activity) I found an altar (a religious item) with this inscription, **TO THE UNKNOWN GOD**. (a religious deity) Whom therefore ye ignorantly worship, (a religious activity) him declare I unto you." So, you can see that these words were spoken by the Apostle Paul to a city full of lost, idol worshipping, religious pagans (straight out of Rome, the

connection is undeniable) and he uses this inscription to declare to them the one true God, the Lord Jesus Christ, who was “unknown” to the sinners in Athens. The one whom these idol worshipping people ignorantly worshipped, just to cover their “spiritual” religious bases, Paul declared as the true living God. Even though this inscription was not intended as a reference to the true God (as I numbered them in the preface) Paul made the brilliant application to the God of heaven and earth in his delivery to the Athenians. Here again, just as the super caps in Rev.17, we have the same crowd of religious pagans that are connected to Satan’s false system dating back five thousand years to Nimrod. The entire Roman Empire was influenced the religions and customs of the peoples that they conquered. The Romans were multi-god worshipping pagans whose religion included all sorts of sexual immorality and perversion in their “worship” services, feasts and daily activities. Athens was no exception as we see Paul dealing with the community leaders. Only the Lord Jesus Christ can deliver a soul from the “religion” of Rome as the men of Athens are soon to learn.

### **The Third Group of Negative Caps Dan 5:25-27.**

#### **MENE, MENE, TEKEL, UPHARSIN, MENE; TEKEL; PERES:**

Our third group of negative “super caps” shows up in the list thirteen places before the Whore of Babylon of Rev. 17, they are a supernatural message given to, who else? The king of Babylon, a type of Satan, as he is warned of his impending doom. This warning is also applicable to all of lost mankind!

Dan. 5:25-27

**MENE, MENE, TEKEL, UPHARSIN, MENE; TEKEL; PERES:** 7 words

(A loose New Testament interpretation of the handwriting on the wall could be: “For all have sinned and come short of the glory of God; Rom. 3:23, which is applicable to every man, woman, boy and girl alive today.)

Read the entire chapter and notice the context, Belshazzar the king of Babylon, the grandson of Nebuchadnezzar (a type of Satan) who captured the Jews and destroyed Jerusalem in 606 B.C., (as the Antichrist will do in the Great Tribulation period in 20??) is conducting a drunken “religious” orgy (nakedness, sex and booze always go hand in hand and are two sides of the same ungodly coin just as the modern day Baal worshippers can testify) in the Palace at Babylon which is the seat of the false religious idolatrous worship of Baal. He is entertaining a thousand of his lords, his wives, and his concubines (mistresses) and right in the middle of a great “religious worship service” (the scripture says that they were “praising the gods of silver”, while “defiling the gold vessels” taken from the Jewish Temple in Jerusalem by Nebuchadnezzar, that’s Satan’s idea of a great worship service, debauchery and blasphemy) but soon everything changes as the fingers of a man’s hand (the man Christ Jesus) appear over against the wall and write a message in the sight of the drunken fornicators while (in the middle of the festivities) they indulge in their idolatrous orgy (that’s the way that God is going to appear to the lost man, when he does so it will be sudden and unexpected, right in the middle of their “living it up”).

In Dan. 5:6 is the picture of what every lost, hell bound sinner will experience when they are confronted with God’s words at the Great White Throne Judgment (Rev. 20:11). Their countenance will change (from drunken, sensual pleasure to pure horror), his thoughts will trouble him, (Oh my God, that loud mouth preacher was right, what am I going to do now?) and his knees smote (knocked) one against the other, and then they will cry aloud...OH MY GOD!! Bring me my horoscope, my scientists, my philosophers, my priest and my holy papa! This is the horror that every hell bound sinner will face when his time comes unexpectedly to meet God. They will be “greatly troubled” vs. 9 their countenance will change and they will be astonished (old English, as a stone, speechless, astonished).

Here in Dan. 5:25-27 we see the seven “words” that God wrote on the wall with the fingers of a man’s hand, it truly is a warning to all sinners but specifically in the context it is the demise of Satan’s whore bride the false religion of Babylon.

**MENE, MENE, TEKEL, UPHARSIN, MENE; TEKEL; PERES:**

Thou art weighed in the balances and art found wanting (old English, lacking).

Thy kingdom is divided...

This can be loosely interpreted and applied to every lost man and woman as: “For all have sinned and come short of the glory of

God; Rom. 3:23) This is every sinner's problem they are found wanting when weighed in the balances of God's righteousness, for our "goodness" will not be compared to the goodness of "other sinners" if that were the case we would all make it to heaven but we will be weighed in the balances of God's righteousness against the Lord Jesus Christ who is God in the flesh and who is perfect and sinless. When God gets through weighing you there will be no doubt in your mind or the mind of every sinner there that his judgment was just. (Rom. 3:26)

This message doctrinally is addressed to Satan the husband of the great religious and pagan whore system of Babylon through Belshazzar, the king of Babylon, (see context) because it is Satan's "religious kingdom" that will ultimately be divided and fall at the Second Coming of the Lord Jesus Christ. (Rev. 14:8, Babylon the great is fallen, is fallen, that great city.) Coincidence? Bible believers know that there is no such thing as a coincidence in the King James Bible. That book is supernatural and it is put together wonderfully.

### **Now for some fresh air!**

The Alpha and Omega the "Bookends" of Super Caps.

The most remarkable "super caps" in the Bible to me is the "Alpha and Omega" the "first and last", the "beginning and the end" of the list of words. The first group of "super caps" in the Bible just so happens to be God's name and contains 7 (perfection or complete) words and is found in Ex. 3:14 and the last group of "super caps" in the Bible is also God's name containing 7 words found in Rev. 19:16. Reading the two names of God together you read God declaring:

### **I AM THAT I AM, I AM – KING OF KINGS AND LORD OF LORDS**

Amen! Holy "bookends", God the Father and God the Son forever connected across 6000 years of human history in the first 7 worded super caps and the last 7 worded super caps in the King James Holy Bible. They not only forever connect the Godhead (the Father and the Son as one in the same) but they also connect both the Old and the New Testaments together as one book and also both kingdoms, the kingdom of God, spiritual, and the kingdom of Heaven, physical. The Lord Jesus Christ and the God of Heaven and Earth are one in the same and the Bible, made up of sixty-six separate books, is in truth just one book, it is as seamless and as easily read as the fourteen word statement above, **I AM THAT I AM, I AM - KING OF KINGS AND LORD OF LORDS**. That book you've got a hold of there is some hot ticket bud! There is not another one like it on the face of the Earth! ANYWHERE! Most lazy carnal backslid English speaking "Christians" don't have a clue as to the significance of what they just read nor do they appreciate what God has given them in the reformation Bible I hold in my hands, the King James AV 1611 Holy Bible.

More on the - "I AM" connection!

The Lord Jesus Christ, in the Gospel of John, made **seven** (number for completeness or perfection) definitive statements beginning with "I AM" thus connecting himself to and declaring himself to be equal with Jehovah (7 letters) God, The LORD (7 letters). In John 6:35, he said "I am the bread of life", in 8:12, "I am the light of the world", in 10:7, "I am the door", in 10:11, "I am the good shepherd", in 11:25, "I am the resurrection", in 14:6, "I am the way, the truth, and the life", and in 15:1. He said "I am the true vine". The Lord also stated in Rev. 1:8 (also penned by the Apostle John) "I am the Alpha and Omega, the beginning and the end, which is and which was, and which is to come, the Almighty." in 1:17-18, he said "I am the first and the last: I am he that liveth and was dead and behold I am alive for evermore". In the Garden of Gethsemane when Judas betrayed the Lord and brought the soldiers to take him in John 18:4-6 "he said unto them, Whom seek ye? ... I am he... As soon as he had said unto them, I am he, they went backward, and fell to the ground." Just the words "I AM" spoken by the Lord Jesus Christ knocked them to the ground.

In John 8:58 the Lord Jesus told the Jews ..."Before Abraham was I AM", he claimed himself to be the Great I Am, the God of Heaven and Earth, the LORD God Jehovah, so they proceeded to stone him, there is no question as to who the Lord Jesus claimed to be so much as the Jews plotted his destruction and death. In John 4, the Lord told the woman at the well, "I that speak to thee am he (the Messiah). Without question Jesus declared himself as God in the flesh, the great I AM.

All of the "super caps" their number in the line-up as they appear (1 to 25), and the place (context) in the scripture where they appear is no accident, there are no accidents or coincidences in the word of God. Take a look at the words in Ex. 3, "I AM THAT I AM, I AM". Here in chapter three we have a total of seven words that are made up of only **three** separate words, I and AM and THAT, (3 words) the other words I and AM are a repeat of the first two words for a total of three times. The words I and AM are made up of **three** different

letters and those three letters are repeated **three** times total so you have the **Trinity** represented. Three separate words repeated three times consisting of three I's, three A's and three M's, even a fourth grade boys Sunday School class in a Bible believing youth department could see the significance of all of these three's, **IT IS THE TRINITY!**

I AM THAT I AM, I AM, (this is the Alpha, the First, the Beginning, the starting in Exodus)
