

Armament Inventory

Introduction

Brother David Edwards asked this writer to forward certain selected studies to him. This was done and Brother Edwards wrote to this writer to thank him for the studies, stating "...after the Bible these materials are some of the best armament on the earth." Brother Edwards has begun copying and the circulating the studies to fellow inmates of the Federal Correctional Institute, Fort Dix, New Jersey, USA. The studies, listed below, are an armament inventory, see ***Conclusion***, and matching lists of the studies have been included for available sources where they may be accessed.

[2019 Update. The study *Long John and The Black Spot* has been added to the inventory in blue text.](#)
