1 Thes 3v2 **And sent Timotheus, our brother, and minister of God, and our fellowlabourer in the gospel of Christ, to establish you, and to comfort you concerning your faith:**

Phile 1v1 **Paul, a prisoner of Jesus Christ, and Timothy our brother, unto Philemon our dearly beloved, and fellowlabourer,**

See also Phil 2v25, Phile 1v2 'fellowsoldier', 'companion'... are you a fellowlabourer and a fellowsoldier... or are you just a hindrance (Gal 5v7) as many Christians are?

Not just another newsletter!

Right from the start, way back in **2001** when **Tft! News** was first published, we wanted it to be different to any other newsletter put out by Christians all over the world, not better, just different. We now touch **158 countries** as a ministry, which is quite incredible seeing as we started in our bedroom printing our first tract on an Oki laser printer nearly **30 years ago**. I write as honestly as I can 'telling it as it really is', because that is what the Lord has called me to do. Ruckman called himself 'The junkyard dog', I guess I'm the 'Jack Russell' of Kidderminster according to Hypo-Hunter? It's funny, even when people make a statement & unsubscribe from our mailing list, they STILL read Tft! NEWS, *you betcha life they do!* Pride is the biggest problem in the Christian's life today, it always has been. In this issue you will read a lot of negative stuff because this tends to be the way things are going in the world, & sadly also in the Church, it's just another sign that we are living in THE LAST of the 'last days'. Even among Bible Believers there is very little unity today. I find it very concerning just how bad things are getting. Why is it, hardly any Christians can get along, they fall out over the smallest of things. *So here we are again, Tft! NEWS Issue 86* can you believe. I try to put something for everyone in each issue. You may not read half of what is here, but hopefully something will grab your attention. **Tft! NEWS** is there to challenge, rebuke, encourage, & build you up spiritually, all depending upon where you are in your Christian life & how much you read of it, **looking up every Scripture quoted**, that is a **must** if you are going to get the most out of every issue. I warn you about some of the 'fakes & flakes' that are in the church, I try to let you know some of the things I'm personally going through in my life, so you can take something from it, if you too are in similar situations. I am as **open & honest** in my writings as I can be, & because of this, many *snakes* will take this information & use it *against* me. You will see in this issue, so-called Christians attacking me, my wife, my dad, & my friends, all because of what I have written, due to my openness & personal failings. I will warn you about these kinds of people, so you don't have to go through **what I do at times**. Some of the emails I receive are too vulgar, filthy & perverted for me to print verbatim, & these are from supposedly 'Christians', which I find hard to believe. I also let you know the **good things** that are happening to us here at Tft! as there are many, which we thank the Lord for. **Time for Truth!** is not an easy read, it should be a challenge to all of us who seek a deeper relationship with the Lord. I'm not trying to be 'someone', even though I'm accused by others of trying to be, I'm just a **Bible Believer** walking through life, going through similar situations just like you. I have my good times & my bad times, just like you. I have my victories & my defeats, just like you. So, grab yourself a coffee, sit down & let's get going...

I never thought it would be this bad, did you?

Well on May 4th I will have been saved 30 years. I never would have thought that Christianity in England would get to the state that it is today, after that first year of conversion. As Christians we should all be united in one goal, reaching the lost with the Gospel, yet fighting among the ranks seems the number one priority today, there is very little unity anywhere, with everyone thinking they have the corner on truth. Pride seems to be prevalent in most Christians lives which is tragic, especially when we are all called to humility (incidentally, the word 'humility' occurs the perfect seven in Scripture). Why is that? Christians on YouTube think that THEY should be the ONLY ones you should listen to, & you SHOULD financially support them because THEY ONLY have the TRUTH, & you won't find it anywhere else (Hunter, Fake-Pfenny, Breaker etc.) We really are living in some weird times, with weird people, making weird statements. To be honest, I don't like most of the Christians I know, especially those with such arrogant spirits, some of which you'll read about in this issue (Hunter, Fake-Pfenny, Breaker etc.) Isn't it sad that you can only find true friendship & fellowship among just a few people? Do you think that you are living as you really should be for the Lord? Are you a help or a hindrance to other Christians? Are you a great testimony to the Lord in such a corrupt world (Gal 1v4, Phil 2v15, Acts 2v40, Mark 8v38, Luke 9v41, 1 John 5v19, John 17v14-17, 1 John 2v16, Jer 5v23, Deut 32v5) **Behold, how good and how pleasant it is for brethren to dwell together in unity!**

51 Years and Counting – by Mike Schreib

My friend, John Davis, has asked me to write my testimony. At first, I thought he had contacted me by mistake; surely, others have much better stories to tell. Then I wondered if he simply needed filler material to bulk up the next newsletter. But since neither of these seem to be the case, and knowing how seriously he takes this ministry, I am honored.

I was born December 23, 1960 in Southern California, USA (as were my younger sister and brother) to the best parents in the world. Both my father and mother were saved as teenagers in the early 1950's. They met in the same church and were married in 1956 by their pastor, a soul-winning preacher named Karl Marx Folk (his parents were Communists). Not long after, my father was a student at BIOLA (the Bible Institute of Los Angeles). It's often said that timing is everything, and his was the last graduating class from the Bible "Institute." I attended his commencement (still in utero) with my mother in June of 1960. That school soon went from "Institute" to "College," and then to "University." It's now an ecumenical liberal-arts school, where the mere sight of a King James Bible can attract ridicule from students of their Theological Cemetery (Oops! I meant Seminary). Anyway, my father began preaching, winning souls, and pastoring (while holding down a fulltime job), with my mother beside him. But enough about them, this is *my* testimony after all.

On Sunday, November 5, 1967, I paid closer attention to my Dad's sermon, and suddenly understood that I was a sinner (I knew I had disobeyed my parents, etc.). If God had the right to judge sinners, that included me. My father gave an invitation call, and with tears in my eyes, I walked forward. I knelt down as a six-year-old little boy and could only cry, "Dear God, forgive me! Forgive me!" But at that moment I knew I was born again and saved for eternity. It's been more than 51 years (although I'm only 36), yet that is still the most vivid memory of my early childhood.

An immature preacher might ask, "Was that enough to think you were truly saved?" He forgets that Christ is the one who said, "**Suffer the little children ... for of such is the kingdom of God**" (Mark 10:14), that when "**we know not what we should pray for as we ought ... the Spirit itself maketh intercession for us**" (Rom 8:26), and Christ's reminder that, "**Whosoever shall not receive the kingdom of God as a little child, he shall not enter therein**" (Mark 10:15). Paul and Silas didn't give the Philippian jailor Billy Graham's 240-page book on *How to be Born Again* and say "Read this." They answered him, "**Believe on the Lord Jesus Christ, and thou shalt be saved...**" (Acts 16:31). Yes, I was saved.

My parents paid for us to attend private Christian schools, which were permitted to spank us if we misbehaved; admittedly, I received my share. Perhaps I just wanted Dad and Mom to get their money's worth. My teenage and high school years were unremarkable, and I remember sitting through the commencement exercises, thinking, "I've just wasted the past four years. Now, what do I do?" I floundered about from job to job, unsure of my future.

And then it happened. I met a pretty girl, Michelle, who would later become my wife. She wasn't a Christian, but a devout Roman Catholic, and as I say, she was pretty. On one date, while in a restaurant, I excused myself to the men's room. There, on the counter someone had left a copy of Chick Publications' *Alberto*, the testimony of Dr. Alberto Rivera, a former Catholic priest. I remembered reading Chick gospel tracts as a kid, and after skimming a few pages of the book, I realized she was lost, and I had not been witnessing to her. I tucked the book in the back of my pants and told her that we should call it a night. I took her home, went to my own home, and didn't sleep until I had read that entire book. I was under conviction.

Through gospel tracts and various sermons, she eventually got saved, and our relationship began to develop. God even allowed me to meet Dr. Rivera in his home, and later go to work for Chick Publications.

[Since the US Library of Congress defines a book as 24 pages or more, it makes Jack T. Chick the most widely published and circulated author in Church history (over 300 titles of tracts, comic books, and full-length books, in over 100 languages, and more than 1 billion copies), second only to Paul the apostle, and I was proud to know him.]

While there, Michelle and I were married in 1984. But something else happened. A co-worker of mine gave me a taped sermon by a preacher named Dr. Peter S. Ruckman (Pensacola, FL), on the subject of the *New Scofield Reference Bible*, which my father and I had both recently purchased. With our "bibles" in hand, Dad and I sat down together and listened to this message. Every criticism and every observation Dr. Ruckman made about this "improved" bible, we could see for ourselves! He was right. We had been misled by the Christian bookstores. My father had always preached eternal security, the heresy of Charismatics, the errors of Rome, dispensationalism, and knew only the King James Bible ... but he didn't know why. Neither of us knew how bad the "campaign of corruption" over the Bible actually was. Now we did.

In time, I found a new career in the funeral business, training to be an embalmer. I liked telling folks that people were "dying to see me." I found that staying in the back room preparing the deceased wasn't as appealing as I thought. I like people (the living ones) and realized that working with the public at the funeral services was a better fit. I still had a desire to learn the Bible more fully, so in 1990, with two small children, I enrolled in Pensacola Bible Institute (PBI) to be taught by Dr. Ruckman. Classes were at night, so I worked during the day at a local funeral home there, graduating from PBI in 1993. I can honestly say that, besides Bible school, most of my training as a preacher has come from being involved with more than 17,000 funerals over the past 32 years in the business. I have witnessed the customs and practices of Catholics, Protestants, Jews, Hindus, Muslims, Mormons, JW's, Buddhists, Baptists, Charismatics, not to mention the assorted races of people: White, Black, Hispanic, Vietnamese, Korean, Cambodian, Filipino, (and even Irish!).

I've had the chance to win a few people to Christ through the course of the job. I once led an 87-year old woman in a nursing home to Jesus Christ, holding her hands over the body of her just-deceased roommate, as she prayed and asked God to save

her soul. Brethren, God is good! You never know where He may lead, or what blessing He may drop in your lap. You simply need to be ready and available.

As my father got older, it seemed a natural thing for me to succeed him as pastor of our church; the same church where I was saved, attended Sunday School, was baptized in, and married in. In 2002, we merged with a Korean Baptist congregation who now had the Korean King James Bible. They were following Dr. Ruckman's ministry as well and believed everything we believed (Pastor Gene Kim was one of my Sunday School students). Our combined ministry is now the Bible Baptist Church International in Southern California. You can find us at bbcenglish.org (with apologies to you Brits), or **bbc international on YouTube**.

Having been saved over 51 years, I never thought I would be preaching in the same place I grew up. Apparently, God had other plans. Southern California is a raven's nest for every kind of church, belief, race, and persuasion. You could be a missionary to any country in the world here, without leaving the states.

I will close with a personal request. Two years ago, I was diagnosed with esophageal cancer, already at stage 4 development. Since then, I've been getting chemotherapy every two weeks. My oncologist recently told me I will likely need chemo for the rest of my life (I didn't ask how long THAT would be?). Yet, somehow I don't feel weakened, and I'm still working between treatments and preaching each week. Through my contacts in the mortuary, I've had Buddhists nuns tell me they would pray (to whom exactly? I don't know), I ended up on the "prayer list" at one Catholic church, and had another Catholic priest "anooint" me for healing. These of course, are empty gestures. My real blessings have come from fellow students at PBI, and so many brethren around the world who are praying for me. I'M ASKING FOR EVEN MORE. Thank you in advance, dearly beloved. **"Even so, come, Lord Jesus."** (Mike Schreib is the English pastor at Bible Baptist Church International in Southern California, USA). Mike & Gene are doing an amazing job in getting the truth out. They are both lovely guys. I would highly recommend both of these guys as excellent teachers & preachers. **I would also earnestly ask you to pray for Mike regarding his cancer, maybe even drop him an email or letter of encouragement.**

Jesus Christ is just perfect...

There isn't a man alive who even comes close to Him, in fact, not one of us resembles the Lord do we? Can you think of anyone who reminds you of the **Lord Jesus Christ**? I can't. There isn't one Bible teacher, preacher, pastor, evangelist, leader or 'Christian' that reminds me of Jesus Christ. Today I am appalled by the pride & hypocrisy I find in Christians, to most, it doesn't even bother them. It's a very sad world we live in today & the church is in the worst state I have known. The word 'Christian' is the best title you could ever have. To represent & be an ambassador for the Saviour is the greatest honour – 2 Cor 5v20, Eph 6v20, there's nothing better. But are we *really* living as we ought, for the Lord? Now just stop & think upon the Lord, His purity & holiness, love, compassion & forgiveness. Now think of what your own filthy mind is like, your jealousy, anger, pride & arrogance to name just a few. What are you feeding on, the TV, YouTube, Media etc? Explain to me how you think you are like the Lord?! People like Pfenny & Chicken-wing-Breaker with his arrogant spirit, Hunter with his fake-humility (which is pride), & all the other idiots professing to be somebody (Gal 6v3, 1 Cor 8v1-3, Rom 12v3, 1 Cor 4v6, Luke 6v26). Think about this... *what is your motive, for telling someone, how many times you have read the Bible?* Think about that. We're not in competition with each other to know more than each other (1 Cor 8v1) so we can boast (Ps 10v3, Prov 25v14, Jas 3v5) are we, yet this seems to be the 'norm' today among Christians. I'm not competing with you, if the Lord has blessed you with talent, use it for Him, to bring honour & glory to Him, not to yourself. The more you look upon the Lord, read & study His word, the more you see yourself for who you really are, it's like looking in a mirror (James 1v22-25). Read these verses regarding the Lord... 1 Pet 2v22 (note it adds up to 7 – perfection!), 2 Cor 5v21, 1 John 3v5, Heb 4v15, Heb 9v14, 1 Pet 1v19, Isa 53v9 (in contrast to Rom 16v18), John 18v38, John 19v4+6. Behold THE MAN! (John 19v5). Now that is a MAN, unlike any other man EVER! It's all very 'nice' to say & pray that we want to be 'like the Lord', but when you *really* think about it, you're nothing like Him are you, & neither am I. Isn't it time we really got serious regarding our Christian walk, & start living as the Lord wants us to? Are you happy with your Christian life? Are you content or always desiring more of the Lord & His word? How are you having an impact on your family, friends, work colleagues & people around you? Do you even know what your ministry is? Don't just drift through life, let the Lord guide you (Prov 3v5+6, see page 47 in the Christian Soldier's Battle Notes – 'Knowing the Lord's will for your life'). Time is so short, don't waste it (Eph 5v16, Col 4v5), use it wisely. If it means making some drastic & radical changes, DO IT, but talk to the Lord first. He alone knows what is best for you. We could all love more couldn't we? We could all learn to forgive better, & have compassion in a deeper more meaningful way couldn't we? Are you asking the Lord to change you? What do you pray for? Are you actively serving the Lord at present? Are you involved in your local church? How are you supporting & helping others? Too many Christians are lazy & doing nothing with their lives only living for themselves, are you like that? Don't get wrapped up with this world & all of it's lights, 'attractions & distractions' (James 4v4, 1 John 2v15-17, John 17v14, Mat 6v24, Gal 1v10). Ecc 2v11 **Then I looked on all the works that my hands had wrought, and on the labour that I had laboured to do: and, behold, all was vanity and vexation of spirit, and there was no profit under the sun.** What are you doing that is working out as 'profit'? (James 1v23, Prov 14v23). Ecc 5v16 **And this also is a sore evil, that in all points as he came, so shall he go: and what profit hath he that hath laboured for the wind?** See also Jer 2v11, Mark 8v36, 1 Cor 10v33, Rom 15v2, 1 Cor 9v19+22+10v24, James 2v14-18. *Now if you looked up every Scripture in this article, you've had some study!*

Isn't it sad how bad things have got?

When I was saved back in 1989, those early days, I knew nothing, only that Jesus loved me & I loved everyone & wanted them saved too. That was it. That was the start of my Christian journey, and now 30 years later, most of the people I went to church with no longer go & many have even run back to the world. It all starts out so nice doesn't it, *yet sadly so fake*. When you start getting to know people & you really get into the word of God, everything changes. Have you got many Christian friends today, real good friends, honestly? If you have, you've done very well indeed. I've never known so much disunity in the church today. Rather than Christians focusing on the lost sinners of this world, they are taken up with fighting each other among the ranks instead. It's a huge problem, yet there are so many heresies infiltrating the church, it's hard NOT to fight with other Christians. Another thing I've noticed today more than ever, is that Christians only *really* fight each other over their *pet* doctrinal beliefs (e.g. **Hunter** with 'interracial marriage' because he's married a Filipino girl, **Pfenny** with his DON'T *pray* to get saved & DON'T repent, nonsense, **Breaker** with his DON'T 'ask' God to forgive you, as this is *working* for your salvation, others with *the Trinity doesn't exist*, DON'T go to church... & on & on it goes), & all these YouTube Christians want is for you & I to STOP going to church & JUST watch them on their channels, financially supporting them, that's it, that's their aim in life & they really believe they are serving God by doing so. Let me tell you this, they **are** serving 'god' (2 Cor 4v4) by doing this! Modern day Christianity is producing cowards who are terrified to get out there in the world & try to reach lost sinners with the Gospel. *What else do I see today that's changed?* Well, if I say I love a certain Christian musician because he has encouraged, challenged & helped me in my Christian walk, I'll always get some idiot Christian start attacking them because their doctrine isn't 100% correct, & then tell me that I shouldn't be listening to them. This is just ONE example, it could be about anything, not just music, e.g. preaching, a film etc. Christians LOVE to judge others & *comment on everything*, rather than just keep their mouths shut. If I send out an email to everyone on the Tft! mailing list, you can guarantee someone will come back to me with something negative, it's quite amazing how judgmental Christians have become - Mat 7v1, Luke 6v37, John 7v24 (1 Cor 2v15). Rather than take the 'good' in Christians we'll condemn them because they haven't got their doctrine 100% right (e.g. Hunter). Well folks I'm not going down that path I'm afraid. I'll recommend people to those of you who email & call me, because I know that they can help you, & yet I wouldn't agree with ANY of them 100%. I love **Keith Green's** music, **Steph MacLeod's**, **Larnelle Harris**, **Matt Ward** etc. not all of their material, but a lot of it I absolutely love. Now I know that many of you don't like these guys, & that's fine, but if I find you attacking them, I WILL STAND AGAINST YOU! The same goes for when people attack Ruckman etc. I will stand AGAINST YOU because these men have been such a help & blessing to me in my life, so tread carefully if you don't want your name in print, Capiche? It's sad that I have to write like this, but Christians who should be my friends are actually my enemy in many cases. I love life, & I love being a Christian. I'm just very sad how bad things are getting among Christians today, especially Bible Believing Christians, as pride & arrogance seems to be such a prominent character trait among them. They have forgotten how to love, care & forgive. So many people are hurting in this world, & all so-called Bible Believers are doing is ignoring them & instead, fighting each other, thinking they are serving the Lord (John 16v2). What a state to be in. How are you & your church impacting the people around you where you live? Many 'KJV Only' Christians aren't even soul-winners & couldn't care less that sinners are dying & going to Hell. The local Pentecostal church near them is doing more good than they are, at least they are taking the Gospel to the lost. You can get so wrapped up in 'right doctrine' that you neglect living & serving the Lord. **Knowledge puffeth up** – 1 Cor 8v1.

Do you pray for people you don't like?

Mat 5v44 **But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you;** Luke 6v28 **Bless them that curse you, and pray for them which despitefully use you.** Come on, be honest, when was the last time you prayed for someone you don't like? It's hard isn't it? But I tell you this, the more you do, you'll find yourself become more loving, caring, patient, tolerant & more 'Christian', it will do you the world of good. Don't pray grudgingly, do it from your heart, with love. You & I have been wronged by other Christians, let down, felt disappointed by the way we've been treated, but don't let bitterness creep into your life (1 Sam 1v10, Heb 12v15), pray asking God to bless that certain person, yes BLESS not curse. How far this verse seems to us at times... Eph 4v32 **And be ye kind one to another, tenderhearted, forgiving one another, even as God for Christ's sake hath forgiven you.** Sometimes we find it very hard to forgive, but the more we focus on the Lord, the more we'll be able to. Write down five names of people you don't like... now start praying for them, asking God to BLESS them! It will change your prayer life. Luke 11v1 **And it came to pass, that, as he was praying in a certain place, when he ceased, one of his disciples said unto him, Lord, teach us to pray, as John also taught his disciples.** What else do you ask God to teach you? Ps 90v12 **So teach us to number our days, that we may apply our hearts unto wisdom.**

Donna's eye examination at the hospital

Donna had to go for an eye examination due to results showing 'whisby lines' from her last eye test. After seeing the surgeon, he said it was scar tissue probably from her rheumatoid arthritis & was nothing to worry about. Thank you Lord! When it comes to a problem with your eyes, it's worrying, we really do thank the Lord for sorting this out for Donna.

Great encouragement

Going through your expository on Roman's every night. Really loving it brother. Spent 3 hours last night just going through Roman's chapter 1. Thank you John for your steadfast faithfulness to the Lord Jesus Christ (Eph 4:11-12). I thank God for you John. I was sharing Jesus Christ on Facebook, and one of my secular friends who says he's a Christian said to me you can believe and not be a *radical*? **Question**, is it a bad thing to have people on the outside view me as this? In my experience, when you're a Christian, all you want to do is talk about Jesus Christ, share His word, read His word, and witness to the lost (2 Cor. 5:11, Prov 11:30). I have been passing out tracts with my son in my community here in California. What we do is go for walks and put them in the mail boxes. On their windshields, pass them to people walking by, so if you get some responses from Moreno Valley/Perris, CA it's us :) Feeling better now after my surgery. Hope you are well John. Know this, I'm listening to you daily brother and I love it. Sure wish I could meet you. Well maybe in the Air (1 Thess. 4:17) soon? Amen.

Getting hung up on the wrong things...

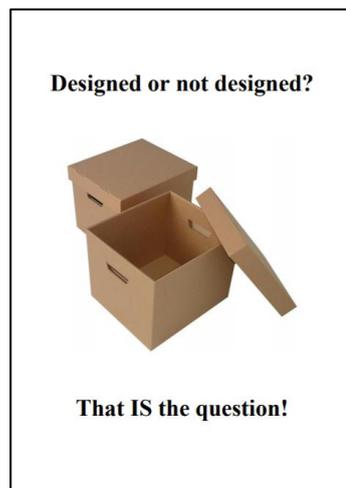

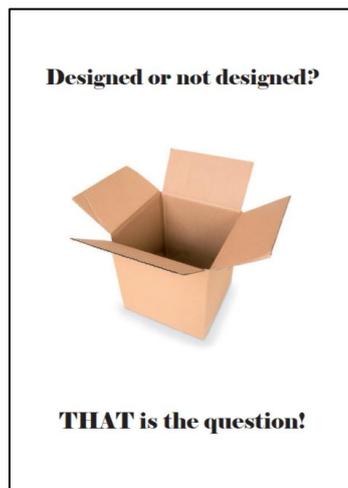

Don't we all? How many times in your life have you got mixed up & wasted so much time on things that don't *really* matter? How do you prioritise? Every day we must make decisions, but how many of us make the right decisions? It's easy to go with the flesh, or with what we think is right, but how often do we ask the Lord to help us make the right decision? Prov 3v5+6 are great verses to try to live by. Next time you have to make a decision, ask the Lord to help you.

25 Years of Marriage

Well on the **25th February 2019** Donna & I shall have been married for **25 years**. I just cannot believe where the time has gone. Like everyone, we could write a book about our lives so far, it's been an incredible journey/adventure. We just thank the Lord for every day He gives us. 'Old people' talk about being married for 25 years, not us, it's mad. I couldn't ask for a better wife & I'm very thankful to the Lord for Donna. She's been there in my deepest darkest hour & with me when I'm more hyperactive than a Jack Russell chasing a ball. Thank you Lord Jesus Christ for every day of life together.

Our Gospel Booklet 'Designed or not designed?' has been 'Ripped Off'

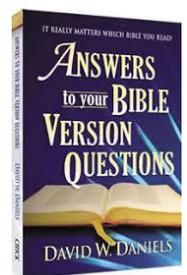

I owe these guys an apology! I didn't realise it was them who had copied our booklet. **I actually gave them permission** to do so back in 2016.

They asked if I could... **kindly print a correction** in your next 'Time for Truth' newsletter.

They went on to say... *As you say it's about getting the Gospel out there. **We have freely distributed nearly 40,000 of our 'Designed or not designed' tracts** Praise God! As a fellowship we go out 3 times per week (to the Jew first) for evangelism and to also distribute tracts. Indeed, we distribute 10s of thousands of tracts per year to homes in the north west - May God bring the increase (where ever that may be), in His time. **So, from our original, now there are another 40,000 out there preaching the Gospel.** Well done & sorry for the confusion.*

If you DON'T use the King James Bible, you are NOT reading God's word...

As you know, here at Time for Truth! we stand upon the king James Bible as being PERFECT, that means WITHOUT any 'error' in it. Now you may not believe that or trust your Bible like this, BUT WE DO, that's why we are Bible BELIEVERS & not Bible 'correctors' (Ps 12v6+7). Now there is a wealth of material you can get on the internet, in books, on CD & DVD regarding WHY the King James Bible is the word of God for today, so I don't personally spend much time preaching & teaching on the subject, as many preachers & teachers have covered the issue in so much depth, answering every question that has been raised by Bible deniers, sceptics, 'correctors' & rejectors, but from time to time I do preach / teach on the subject as you will find on our YouTube channel. Recently I purchased a book by David Daniels called '**Answers to your Bible Version Questions**', & Lord willing, we shall be stocking it soon, therefore making it easily available to those especially in the UK. It's a great little book that answers many of the questions you'll get asked regarding this subject & I would highly recommend buying a copy for yourself & friends.

Thy word is very pure: therefore thy servant loveth it. Ps 119v140

Friendships come & go... don't they?

Why do friendships break up? Whose fault is it? Have you had someone who has fallen out with you & suddenly your friendship is no longer there, it seemed irreconcilable? Pride is often the key factor as to why friendships & relationships fall apart. When was the last time you totally forgave someone for the mistakes they made? When was the last time you said sorry for the pride that caused the friction? Prov 13v10 **Only by pride cometh contention...** Prov 18v6 **A fool's lips enter into contention...** Prov 22v10 **Cast out the scorner, and contention shall go out; yea, strife and reproach shall cease.** Acts 15v36-40 **And some days after Paul said unto Barnabas, Let us go again and visit our brethren in every city where we have preached the word of the Lord, and see how they do. And Barnabas determined to take with them John, whose surname was Mark. But Paul thought not good to take him with them, who departed from them from Pamphylia, and went not with them to the work. And the contention was so sharp between them, that they departed asunder one from the other: and so Barnabas took Mark, and sailed unto Cyprus; And Paul chose Silas, and departed, being recommended by the brethren unto the grace of God.** The apostles knew about contentions & break-ups too, it happens. Depending upon how much you value a friendship will depend on how hard you will fight for it I guess. Some of our closet friends will let us down... **Yea, mine own familiar friend, in whom I trusted, which did eat of my bread, hath lifted up his heel against me.** Ps 41v9, yet a true friend will love at ALL TIMES - Prov 17v17. **A man that hath friends must shew himself friendly: and there is a friend that sticketh closer than a brother.** Prov 18v24. How much effort do you put into your friendships? Maybe you ought to try a little harder? A friend will also TELL YOU THE TRUTH, something that a lot of 'friends' CAN'T seem to take these days - **Faithful are the wounds of a friend; but the kisses of an enemy are deceitful.** Prov 27v6. We NEED to be told the truth & NOT get offended - **A brother offended is harder to be won than a strong city: and their contentions are like the bars of a castle.** Prov 18v19. Learn to take criticism & man up. If you have been wounded by a friend, know this, IT CAN BE FOR THE GOOD, it's just hard to take at the time. I guess it's all about motive. Jesus even called Judas 'friend' (Mat 26v47-50), now there's a thought. If you have a couple of friends, look after them, & go out of your way to love, care & support them. We need each other in this dark world we live in.

Hyper-Diapers Baby-Colic-Caldwell, Ghostly-Ed, Moron-Moore, Stammering-Stam, Chicken-wing-Breaker etc.

Now all of the above are either FULL-ON Hyper-Dispensationalists or moderate Hyper-Dispensationalists, but **ALL OF THEM** teach heresy! *Here are a few signs to look for regarding whether someone is a Hyper-Diaper...*

- 1) **Prayer is a work** – if you ask God to save you, He'll send you to Hell because you're working for your salvation (as taught by Pfenny & his small cult of disciples e.g. Lex etc.)
- 2) **Don't preach 'Repentance'** - even though their hero Paul DID – Acts 20v21
- 3) **Water Baptism & Communion** – are finished with today, to which we answer TOSH!
- 4) **Eternal Security** – is found in every dispensation. You CAN lose your salvation in the OT & in the Tribulation.
- 5) **The Body of Christ** – started with Paul in Acts 9 – Mid-Acts (Baby-Eli teaches this)
- 6) **Rom 10v9-17 is NOT the Gospel** – They don't understand dual application or the significance of Biblical numerics.
- 7) **Don't confess your sins AFTER you're saved** – Yes you should! I do it all the time with the Lord.
- 8) **They believe in a 'mental ascent' Gospel** – To get saved you have to *mentally ascend* (Pfenny & Baby Eli teach this)
- 9) **The Body of Christ is not the Bride of Christ** – They think there is more than ONE Body (Baby-Eli thinks there's three)
- 10) **Ruckman isn't saved because he called upon God to save him, he asked Jesus Christ to save him** – (Eli believes this!)

Now IF you are not sure as to whether you have a Hyper-Diaper in front of you, just start with a few questions like this...

How many Gospel tracts have you given out over the last 6 months? Who have you ever led to the Lord? If someone wants to get saved, how will you lead them to Christ? Did your hero Paul street preach? Have you ever street preached?

For an in-depth study on the Hyper-Dispensational CULT, please see our website tab '**ERRORS of Hyper-Dispensationalism**', as we cover every verse they pull out of context to teach their ERRORS.

Now let us run a few verses to blow this CULT clear out of the water...

Gal 1v11-19 – Paul's Gospel was revealed to him by none other than Jesus Christ Himself. Look at the time Jesus spent with Paul. Paul didn't learn it from 'men'.

1 Cor 3v10 – the proof text for the Hypers, yet they stop short, read the NEXT verse! (v11) – Paul is NOT the foundation, Jesus Christ IS. The Body of Christ did NOT start with Paul in Acts 9.

Eph 2v16 – the Church started AT THE CROSS, not with Paul in Acts 9.

Col 1v18+24, Eph 1v22+23 (1 Cor 12v13, Rom 6v3, Gal 3v27) – The Body of Christ is the Church. You get baptised INTO Christ through the Spirit of God.

Gal 1v13 – the Church existed BEFORE Paul.

Col 1v20-22 – The Church started at the Cross, through the death of the Testator (Heb 9v16), you get in it through the shed Blood of Jesus Christ. OT saints were NOT in the Body of Christ no matter what old Chicken-Wing-Breaker teaches!

Acts 8v1+3 – The Church existed BEFORE Paul.

Rom 16v7 – The Church, the Body of Christ existed BEFORE Paul.

Rom 12v4, Rom 12v5, 1 Cor 10v17, 1 Cor 12v12, 1 Cor 12v13, 1 Cor 12v20, Eph 2v16, Eph 4v4, Col 3v15 - There is only ONE Body NOT two or three as Baby-Eli, Stammering-Stam & Moron-Moore teaches. (Baby-Eli thinks 'in the Lord' always means IN Christ... it certainly doesn't! Look up the term & see how many times IN THE LORD appears IN the OT & also during the Tribulation). You either RIGHTLY DIVIDE (2 Tim 2v15) or WRONGLY JOIN as the Hypers do all the time.

Eph 3v1-11 (note v6) Jew & Gentile IN ONE BODY, the SAME body, not two bodies.

Col 1v26+27, Eph 1v9+10 – Jew & Gentile in ONE Body was a mystery hidden in all other ages, it was a mystery revealed to Paul.

The apostles were IN CHRIST.

Gal 1v22 – JEWS were IN CHRIST – note churches in Judaea.

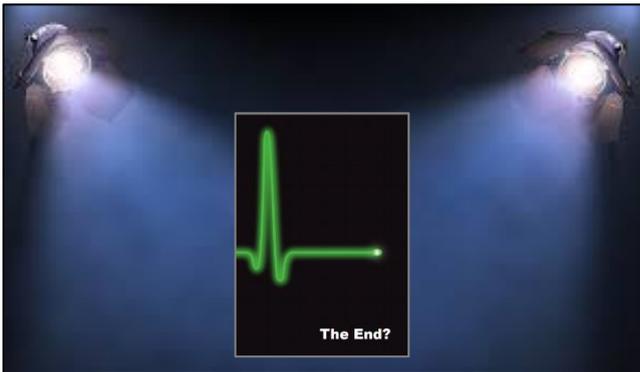

1 Cor 12v13+27+28, John 17v21-23, Eph 4v11+12 – Note the apostles were IN THE BODY OF CHRIST.

Eph 2v13-20 – ONE Body, starting AT THE CROSS, not with Paul, NOT 'Mid-Acts' like the Hyper CULT teaches.

Now you have enough Scriptures here to blow this FALSE CULT away. They are a curse on the Body of Christ (although they don't know WHAT the Body of Christ IS, neither WHEN it started – e.g. Baby-Eli).

People like Ed-Pfenny & his ilk never go out tracting or try to win souls for Christ. They never preach the Gospel (because they don't know what it is), they never teach the Bible on their YouTube channels (all they do is attack other Christians), they never EVER talk about soul-winning & couldn't care less that 154,000+ souls die EVERY DAY. All they want is a following, which none of them can get, except for a few mentally unstable people. Hypers are useless, sterile, puerile & achieve NOTHING for our Lord Jesus Christ. Just unsubscribe & let them continue on their downward spiral.

Our Gospel booklet – 'The End'

This booklet is probably one of the most direct ones I've ever written, & it's caused quite a few people to respond already. It wasn't written to *antagonise* anyone, it was written **out of love** (Eph 4v15) & directed at old people who are coming to the end of their lives. For some, this booklet may be 'too' direct, hence why I wrote '**Growing Old**' as an alternative, both have a place & a specific audience. If you have the chance to meet & witness to the elderly, I would recommend using both of these booklets. There is nothing worse than dying without having your sins forgiven by the Lord Jesus Christ.

The Yanks are much worse than the British at worshipping in 'The Flesh'...

Believe it or not, it was a Pentecostal pastor who once said something to me that has really stayed with me... "**God hates showmanship!**" That's true! When I see **King James Bible Believers** running around the church shouting, throwing their hymn books in the air & onto the floor, punching the air etc., I see THE FLESH at work NOT the Spirit. Now you may disagree with me on this, but if you are drawing attention **to yourself**, THAT'S THE FLESH at work, NOT the Spirit. We can all get excited, yet you should still keep everything under control (1 Cor 9v27). You don't see New Testament Christians in the Bible running around the church like madmen, do you? 'Shouting & screaming' is the flesh at work. Shouting amen once in a while is fine, but there were times when even Ruckman had to calm down his congregation because he could see THE FLESH at work. **If you are an attention seeker you are a carnal Christian**, beware of this.

Kent Hovind vs 'Aron Ra' (he doesn't like to use his real name)

Let's start with 1 Cor 11v14. Anyway, this atheistic conman who tries to convince the world that there is no God, came up against Kent Hovind recently in a debate, & got slaughtered. In the end, he got so mad with Kent Hovind that he lost the plot & started using the most obscene language imaginable, all because he was out of his depth, this is how atheists react when confronted with Bible Believers. Now as I have said on many occasions, Kent Hovind is the best debater in regard to Creationism vs Evolution

there is, he's brilliant. He also believes the KJV Bible is perfect. This is where it stops for me, as Kent has overstepped the mark regarding his gift & talent, & ventured into **Bible prophecy**, & sadly he is utterly USELESS when it comes to rightly dividing the word of truth. Hovind is a Post-Tribber who is so far off the radar when it comes to understanding the Scriptures & 'End Times', that Joyce Meyer could do a better job. But, when it comes to his forte of Creationism, he's brilliant. As I always say, **take the good & leave the bad**, unlike Hunter, who would kick him out because he hasn't got everything right!

Jealousy & getting a kick from showing off to others...

Human nature is horrible at times, just watch children & the way they deal with each other when it comes to spite. Even as adults we can act this way, we show off to each other, get a kick out of someone else's misfortunes, get jealous when someone else is doing better than us & the list goes on. This is immaturity & very unchristian, yet we can all see it within ourselves, can't we? I know of old ladies who love to talk to me about others, & drop hints without telling the whole story, just to get a reaction. I deal with so called 'men' who are always trying to score one up on me, whether it's over the Bible, a sport or game, in fact anything. Human beings are very strange creatures (2 Cor 5v17), even though we should be godly, holy, sanctified, & walking in the Spirit (Gal 5v16), we still struggle with this wretched flesh (Rom 7 & 8) that we are in 24/7. The more I know about human nature the less I like it. Are you striving to rise above all this carnality or are you happy just being the person you are? Isn't it funny how other Christians can bring out the worst in you... or is it just you? Do you try to be a better person, more loving, caring & forgiving, or are you just concerned with knowing more Bible than your counterparts?

Very encouraging...

I received the following email recently... I want you to know that God has used you to help me grow in Christ as well as other saved people have been encouraged by you and your efforts and website/articles and newsletters, too. You are so right about the deceptive teachings of the hyper dispensationalist "diaper babies" lol. What is sad is I have personally seen exactly what you said, brother John. I know several men and women who started out as Biblical Baptists and were drawn in to the "grace movement" of the Hypers. One was a sound doctrine King James Bible Baptist and even a Ruckmanite and he befriended some of the Mid Acts people and now they have him fully under the spell of their doctrine. Where I do give him credit: He has affirmed to me that he believes only the King James Bible and he does believe and defend church age eternal security. However, he is messed up in all the other areas that the 'Mid Acts' have convinced him to follow them. I told him the founders like O Hair and Cornelius Stam and Bullinger had a lot of false teachings and I even showed him your very well-detailed articles exposing the Mid Acts lies...but he seems to be solidly in it. His response is that while he accepts you and myself as brothers in Christ, he thinks we are "hanging on to first century things" as bad as the Charismatics, but, the things he claims we are hanging on to are water baptism and Lord's supper ordinances. He loves to throw the verse at me from Colossians about ordinances being nailed to the cross. I told him that has to do with the Old Testament Law and such things, but he doesn't accept that. Well he is free to believe those errors and lies if he wants. Very sad.

I am so thankful to the Lord Jesus Christ for first of all having saved my soul from Hellfire eternal Hell the lake of fire but also for having gotten me out of so much false doctrine. I used to go to charismatic churches and see the tongue babblers first hand and also Calvinist "reformed" (I now call them "Deformed") churches. Have you ever heard of a man named Will Kinney? I forget if I mentioned him to you. He has a website: <https://brandplucked.webs.com/kjarticles.htm> Now, this man is a very great defender of the Authorized word of God, the King James Bible. In that I give him credit. However, he is a STAUNCH and I mean STAUNCH Five Point Tulip Sniffing Calvinist LOL.

You will see on his website that he has written extensive articles defending the false teachings of Calvinism and twisting Scripture to do so. What makes his teaching on that so spiritually dangerous is that I can easily see him convincing younger Christians or Christians who are not well-rooted in the word of God on these doctrines to become a Five Point Calvinist. I was one for a while because of arguments used by men like Kinney but thank God He used Pastor Brian Kelly of the King James Bible Baptist Church and my own King James Bible studies and the work of Doctor Peter S Ruckman to get me out of that lie. Anyhow, God bless you and your family in Jesus Name.

My comments... *Will Kinney is brilliant on the version issue topic, but when it comes to rightly dividing the word, he hasn't got a clue. I like him, but he's totally useless at understanding the Bible because of his dead Anti-Scriptural Calvinism.*

Prison Ministry

As you know we have tried many times to get Bibles, tracts & books into prisons, but it is the so-called 'Christians' that KEEP US OUT, especially the Church of England 'priests & vicars' etc. This week we received another letter from a prisoner requesting Bibles. Rather than just send them *hoping* that they will 'get in', we are contacting the family of the guy & trying to get the wife to take them in personally.

Do you spend more money on dog-food than on tracts?

I heard a preacher ask this question recently & it got me thinking. Most Christians spend their money on everything BUT getting the Gospel out to sinners, why is that? Is it because we don't care much about lost souls? Isn't this a far cry from Paul... **For though I preach the gospel, I have nothing to glory of: for necessity is laid upon me; yea, woe is unto me, if I preach not the gospel!** 1 Cor 9v16. Paul had such a love for the Lord Jesus Christ & a passion to serve Him, by reaching lost sinners everywhere he went. I haven't met many Christians with that same kind of love today, have you? We all have 'other interests' & some have hobbies, but I wonder if the majority of the time, we spend the Lord's money on things that are to no profit? (Ecc 2v11). If you are not on the front line, you can still support those who are, but do you?

Why do so many Christians struggle?

How would you answer that question? Are you struggling in life at the moment? Do you know why? Obviously, there are many reasons why Christians struggle & in what areas, but oftentimes it's because of our poor choices & bad decisions if we were honest. Why are you in the situation you're in? It's easy to blame others for our failings, but we are told in Scripture to examine OURSELVES (Ps 26v2, 1 Cor 9v3, 1 Cor 11v28, 2 Cor 13v5, 1 Cor 4v3), rather than judge each other (Mat 7v1, Luke 6v37, John 7v24). We should take responsibility for our actions & admit that we have made a mistake rather than let pride get the better of us. I know too many Christians who are falling & failing all because they are making poor decisions & because of pride, won't admit they are wrong... it's destroying them. Life is certainly NOT easy, & if you find yourself going through a really hard time at present, think hard as to why? Maybe it's time to repent for not listening to God neither walking according to His word. How do you expect things to go right if you are rebelling against God & not seeking counsel through the Scriptures? Too many Christians blame God when things go wrong, yet it is themselves who are to blame. Think, pray, read your Bible, asking the Lord to help you make the right decisions. If things aren't going well for you right now, there is a reason for it, & the problem is probably YOU, not all the time, but most of the time. If you're struggling to get a job, how hard are you really trying & actively looking? Are you knocking on all the right doors (Mat 7v7) or just going through the motions? How hard do you try to do things right?

NEVER trust the Media, NEVER talk to the Media!

I've said that for years! And Jesus And, behold, there was a man named the publicans, and he was rich. And he **could not for the press**, because he was NOT see Jesus because of THE PRESS!!! – known as 'The Press' (Gutter-Press), is my mind, journalists who work for 'The like John Sweeney for the BBC & his ilk anything for a story. You don't believe me, then watch this...

entered and passed through Jericho. Zacchaeus, which was the chief among sought to see Jesus who he was; **and little of stature**. Luke 19v1-3. He could very interesting! The Daily papers, also about as low as you can go these days. In Papers' are scum of the earth. People are habitual liars who will do & say

Now I don't condone Tommy Robinson, but he's certainly a brave man who stands up for free speech.

In his documentary he utterly **exposes the BBC & the Media** for the LIARS they really are.

I would also recommend watching the following videos, they are very interesting indeed...

FAKE NEWS is pandemic among the Media!

Calling all you Bible students!

Can you understand the following study?

If so, what is the ending, the outcome? Any ideas? You can ADD extra Scriptures if you like.

Heb 1v10-12

Ps 102v25-27

Ps 8v3

Ps 19v1-6

Isa 51v6

Ps 104v2+6

Isa 40v22

2 Pet 3v10+11

Rev 20v11

Mat 27v28

John 19v5

Now if you can understand this study, you've gone deeper than 99.99% of Christians ever have!

Let's get personal a little, shall we?

I'm 48 years old. I've been saved since May 4th 1989, therefore I've been a Christian nearly 30 years. A lot has changed in my life. For those of you who have been following our ministry **Time for Truth!** over the years, you will know much of what we have gone through. We've been involved in many churches, different denominations & lots of Christian ministries. We've touched the lives of numerous people, Christians & non-Christians, all over the world. This is a great honour, privilege & responsibility that we do not take lightly. Lord willing, we go & do what the Lord wants us to. It's 2019 now, & the Lord has allowed & guided us into setting up our own business (now into our 8th year), which we are very thankful for. We are being blessed by the Lord, & through the money we earn, we can produce & distribute thousands of tracts, Bibles, CDs & books etc. worldwide. Every day is an adventure, whether it's on the road or staying at home, life as a Christian is very exciting. I've never been happier than I am now to be honest, & I owe **everything** to Jesus Christ my Lord, Saviour & very best friend. There are many things I don't like about life though; the way this country is going, transgender & sodomy nonsense which goes against the teachings of the Bible. I don't like how aggressive society has become & how lying & deceit seem to be the 'norm' today. I am ashamed of the generic church & the majority of Christians today, most of whom are so inflated with their arrogant-egotistical-selfish spirits, it's hard to tell they *are* Christians. Prov 16v19 **Better it is to be of an humble spirit with the lowly, than to divide the spoil with the proud.** Prov 29v23 **A man's pride shall bring him low: but honour shall uphold the humble in spirit.** Humility seems non-existent today for some reason? Even those who read & study their Bibles have become so proud & arrogant regarding the knowledge they have acquired, what's gone wrong with Christians today? I'm sick of all this Brexit tosh too, let's just *get out & stay out* no matter what. I'm sick of such an anti-Christian government who promotes everything BUT Christianity, Biblical principles & morals. Oh, don't get me wrong, there is a lot about life I don't like, but on the whole, I enjoy *every* day. I would like to do more for the Lord, & I'm always asking Him to open & close doors according to His will, not mine. I realise I spend too much time working rather than serving, this frustrates me a lot too. I don't want 2019 to be *just another* year, I want it to be special... the Rapture would top it off very nicely. I don't know about you, but I want to walk closer to the Lord than ever, so I'm trying harder to get to know Him through His word, through prayer, while asking Him to help me think & act the way He wants me to, guiding me in every decision I make. Like everyone, I mess up & sin daily, but I strive for a godly walk in Christ Jesus - (Ps 4v3, Ps 12v1, Ps 32v6, 2 Cor 7v9-11, 1 Tim 1v4, 2 Tim 3v12, Titus 2v12, Heb 12v28, 2 Pet 2v9).

Are you about to make the WRONG decision?

STOP & THINK before doing something you'll regret! We've all done it haven't we? We've all made a rash decision & lived to regret it, all because we acted irrationally. Our prayer life should be constant & engaging with the Lord in everything we do, whether you think it mundane or not, talk to Him about everything. Seek His will in all that you do. Don't rush, don't act foolishly. One of the greatest things I love about the Lord is how He loves & forgives all the time when we mess up – read 1 John 1. Too many Christians just drift through life it seems, without any purpose or aims. They just let every day role into the next without trying to live for the Lord & get something out of each day. Do you have goals, plans etc.? If not, why not? What do you want out of life? Another day passes & what have you achieved? What are you seeking for? - Ps 27v8, Isa 34v16, Isa 55v6, Mat 6v33. Don't let another day go without trying & doing something worthwhile for the Lord Jesus Christ. If you need to make some radical changes, do it, but talk to the Lord first – Ps 62v8.

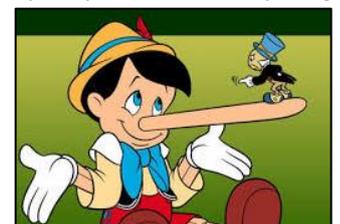

A few questions to ask the evolutionist...!

If everything came from nothing (which is unscientific to start with & impossible), where did the intelligence come from to say that we needed a bone structure to hold us together, along with veins to carry our 'blood' & ligaments & tendons to help us move? How did all THAT just evolve by blind chance over billions of years via mutations? Sounds like you've gotta have a lot of faith to believe all that nonsense doesn't it?

When, where & how, did the 'intelligence' enter in, to say that the 'thing' evolving will need to reproduce itself?

When, where & how, did the 'thing' evolving, come to realise that 'it' needed to eat (therefore needed a digestive system with stomach etc) plus a waste disposal system? Man alive, how could that evolve just by chance. You really have to be a nutcase to 'think' ('believe' more like, as evolution is certainly 'a religion', as it isn't science) these things just happened by random chance over time. It is absolutely impossible for anything like this to happen.

Think how much design goes into making just a wooden box. You've never seen a tree (a living organism) suddenly die, or through a catastrophe, say a big explosion, & suddenly a perfectly formed wooden box appear, with a few nails holding it together. Chaos never produces order! That wooden box needed a designer. Think how complex you are, & everything that is going on in every part of your body right now, from your brain with billions of things going on in that lump of flesh, to your toe nails growing, the hair on your head growing, BUT the hair on your eyebrows, eyelashes & arms NOT growing! How come there are laws governing all that lot? Where did this order, laws, & rules come from? Why isn't *everything* growing? The only thing growing on the evolutionist body is his big LIAR nose! It is categorically impossible for evolution to take place. It's the biggest lie ever told! Have you fallen for it? Send me a list of questions you would like to ask an evolutionist, I'll print them.

Time to be interviewed...

- 49) Describe yourself, your character etc. How do you think others see you?
- 50) What more can you do?

Hopefully just by answering these 50 questions, it has highlighted certain things that you now need to address in your life.

'Big Leap of Faith' is NOT indirectly ASKING / BEGGING for Money... that's NOT 'Faith'

Here we go again, more *begging* from a Christian who wants YOU to support HIM. I won't embarrass this guy, but let's face it, do you *really* think this is the way the Lord wants Christians to act & live today? For some very strange reason, some Christians think that the church *should* support them, rather than them *working* for a living. I'd love to spend all my time between reading & studying the Scriptures, tracting & evangelism, preaching & teaching the Bible, but I've got to work to support my family. The internet is full of Christian ministries begging for YOUR money, because these so-called Christians, will not go out to work. 1 Tim 5v8 **But if any provide not for his own, and specially for those of his own house, he hath denied the faith, and is worse than an infidel.** I wonder how many Christians are denying the faith by not working? I love pouring money into ministry, I love buying 10,000 tracts & seeing them get distributed all over the world. Tft! does not beg, we work hard & we plough the money into getting the Gospel out.

NUMBER 1. I'm your FULL TIME PASTOR! Our **REALLY BIG NEWS** is that I am leaving my secular job. I am trusting the Lord to be able to minister for you, full time, as **YOUR LOCAL MISSIONARY!**

We plan this to start from **11 FEBRUARY**. It feels like a big leap of faith! Our church giving is not at all sufficient to meet the need. Unlike bigger churches, we have no denominational backing to help pay a livable wage for a pastor.

BUT GOD... We believe God will supply the need for this local ministry through the faithful giving of His people. Our church committee will shortly confirm their recommendation of a 'faith target'. If ever the church budget is not enough I will waive my wage, and won't get paid. We will not be a burden on the church.

I've long wanted to serve the Lord and His people fully, and feel that now is the time, after serving a 20 year apprenticeship! I expect to be able to devote 70 hours a week to minister for you. It's exciting!

These made me smile!

A child asked his father, "How were people born?" So his father said, "Adam and Eve made babies, then their babies became adults and made babies, and so on." The child then went to his mother, asked her the same question and she told him, "We were monkeys then we evolved to become like we are now." The child ran back to his father and said, "You lied to me!" His father replied, "No, your mom was talking about her side of the family."

Q: Is Google male or female?

A: Female, because it doesn't let you finish a sentence before making a suggestion.

A teacher asked her students to use the word "beans" in a sentence. "My father grows beans," said one girl. "My mother cooks beans," said a boy. A third student spoke up, "We are all human beans."

A mom texts, "Hi Son, what does IDK, LY, & TTYL mean?" He texts back, "I Don't Know, Love You, & Talk To You Later." The mom texts him, "It's ok, don't worry about it. I'll ask your sister, love you too."

This is the true story of George Phillips of Meridian, Mississippi, who was going to bed when his wife told him that he'd left the light on in the shed. George opened the door to go turn off the light but saw there were people in the shed in the process of stealing things.

He immediately phoned the police, who asked, "Is someone in your house?" and George said, "No," and explained the situation. Then they explained that all patrols were busy, and that he should simply lock his door and an officer would be there when available.

George said, "Okay," hung up, counted to 30, and phoned the police again.

"Hello, I just called you a few seconds ago because there were people in my shed. Well, you don't have to worry about them now because I've just shot them all."

Then he hung up. Within five minutes three squad cars, an Armed Response unit, and an ambulance showed up. Of course, the police caught the burglars red-handed.

One of the policemen said to George, "I thought you said that you'd shot them!"

George said, "I thought you said there was nobody available!"

A woman was taking an afternoon nap. When she woke up, she told her husband, "I just dreamed that you gave me a pearl necklace. What do you think it means?" "You'll know tonight," he said. That evening, the man came home with a small package and gave it to his wife. Delighted, she opened it to find a book entitled "The Meaning of Dreams."

Man, don't forget what God looks on! – By Barry Galvin

But the Lord said unto Samuel, Look not on his countenance, or on the height of his stature; because I have refused him: for the Lord seeth not as man seeth; for man looketh on the outward appearance, but the Lord looketh on the heart. - 1 Sam. 16:7.

According to the Bible, today's gospel message is very clear and simple - the Lord Jesus Christ died for your sins, He was buried, and He rose again the third day according to the scriptures. Believe this with all your heart, trusting Christ as Saviour, and you're on your way to Heaven when you die. That's it; you are now a saved Christian. Before I became a Christian, I had no understanding of such terms as salvation, saved, born again, repentance, propitiation, scripture, doctrine, perfect blood sacrifice, and so on. I was raised a Roman Catholic, and I had no idea what was in the Bible or what the gospel was. I had never heard any Roman Catholics talk about Jesus, and I was never encouraged or challenged to study the Bible for myself. And if I did ever want to read the Bible, I was told that I must have a priest present with me in order for him to interpret it and 'expound' the verses. I always thought that was a bit strange - why wasn't I 'allowed' to study and read for myself? Was I incapable of reading the same English as him? What were they trying to hide I wondered? Perhaps that's for another article. After many years of searching for the truth, I finally became a saved Christian when I heard a preacher teach about a place called Hell. It was the description of the place and the very thought of me going there if I died in my sins that truly frightened me. I wasn't really paying attention to the Bible verses he was quoting, because, at that time as an unsaved man, the Bible meant absolutely nothing to me. It was all the talk about Hell and eternal death that really got to me; I simply knew I didn't want to go to that place of eternal torment when I died. Let's pause for a moment. Because I didn't listen to Bible verses as an unsaved person, did that mean that I wasn't ready to be saved? Did it mean that I wasn't genuinely wanting to know how I could escape going to Hell? After all, what was I going to be saved from if it wasn't from Hell? Didn't Jesus preach and teach more on Hell than any other topic? Wasn't the only time in the word that Jesus repeated something 3 times, on the subject of Hell? (See Mark 9:44, 46, and 48 in God's inspired and preserved word, the AV Bible). Even though I didn't realise it at the time, my motive for wanting salvation was Biblical - I didn't want to go to Hell! After scaring me with Hell, the preacher went on to talk about Jesus' death, burial, and resurrection; sharing the gospel of salvation. With a simple, child-like manner, I fell on my hands and knees crying my eyes out and calling out to God in fear, trembling, desperation, humbleness, weakness ... pleading with Him to stop me from going to Hell. I remember saying something like, *"God, if what I've just heard about Hell is real and true, and Jesus did die for me to stop my soul from going there when I die, then I want it, I want salvation. I want to be forgiven of my sins!"* It was something along those lines; I certainly didn't include the Biblical terms I mentioned earlier, and I also didn't fully understand exactly what took place on the cross, or that Christ's blood is what cleanses me from sin, but friend, the most important thing about my attitude at that moment, was that I BELIEVED what I had heard! I believed with all my heart that Christ died for me, was buried for me, and rose again the third day for me, and that, by me believing this, I was now saved from Hell. Friend, I had never spoken with God before, so I spoke with Him in the best way I could and in the best way I knew how. Could you say that I 'called out' to Him? Absolutely! Did I ask Him for forgiveness? Absolutely! Did I plead, talk, beg, cry out ... of course I did, absolutely! The fact is that the Lord knew I was ready to hear the truth, so put someone in my path to give me the message of His wonderful salvation, and I believed it when I heard it; accepting His free gift. At that very moment, I was saved for eternity as He promises, and I felt such an overwhelming peace fill my soul that my tears turned to joy, and from that moment, my life changed forever. **But I fear, lest by any means, as the serpent beguiled Eve through his subtilty, so your minds should be corrupted from the simplicity that is in Christ. - 2 Cor. 11:3** Why am I sharing all this? Well, it's because far too many Christians today are overcomplicating salvation; making it difficult for someone to get saved, or, with regards to the genuinely saved Christian, confusing them into doubting their salvation just because they didn't say this or that, or they 'called out' to God, or they didn't use a particular word, and so on. If these Christians think I worked for my salvation because I cried out to God pleading with Him to save me, then I guess I'm not saved. Let's say that I didn't even call out to Him, and just got down on my knees and wept, would these Christians class that too as a work? If yes, then I guess I'm not saved. Friend, there is NO FORMULA that you must follow for getting saved. The criteria for salvation is simply believing the gospel. However it is you come to God for salvation, whether on your knees, driving a car, in your living room at night, whilst in pain in a hospital bed, you must come to Him believing the gospel. Whatever you say to God the moment you truly believe, GOD KNOWS YOUR HEART! The bickering Christians I hear today on YouTube and the like, seem to forget that one major thing, that GOD KNOWS THE HEART of the person who seeks salvation. After all, it was God Who sent someone to preach to that person in the first place, because He knew that that person was ready to hear AND believe. Watch that you don't try and add a work into salvation by making out that there is a work in there in the first place! Jesus is the One Who saves! Can man see the heart? No. Can we really ever say that a professing believer is NOT saved? Although we can know someone by their fruits and can have a pretty good idea as to whether that person is saved or not, the answer really is still no. Friend, if you have a video channel, blog, podcast, social media account, etc., don't waste the precious time the Lord has given you on this earth questioning if someone is saved or not. Instead, turn your outlet into an active Christ-centred soulwinning ministry, and give all your efforts over to God! Rejoice and delight in your salvation, allowing the glorious Light of Christ to shine through you, so that others WANT what you have. Don't give the unsaved any more of an excuse to stay away from God, because they see your bickering behaviour. Don't confuse a genuinely saved Christ-loving Christian into thinking that they are not really saved just because they didn't follow your 'formula'. Keep focused on the simplicity of salvation; telling people what Jesus did for them. Understand and accept that it's the Lord and His word that will prick their conscience and heart, and Who does the saving! Jesus is the only One Who can save, and He's the only One Who **looketh on the heart.**

Hypocrite-Hunter (Hypo-Hunter (pronounced 'Hippo' from now on) – the guy who can't take criticism!

Part TWO – 'Woe is me!' Isa 6v5

Hunter writes...

Ruckman taught and acted in some deeply concerning ways. The subtle (and not so subtle) racism was a serious issue.

Ruckman was NO racist!

I'm afraid I need to address this guy because of all the videos he's put out recently, alongside the comments & LIES he speaks on his channel, & *on other people's channels* (talebearer extraordinaire – Lev 19v16, Prov 11v13 Prov 18v8, Prov 20v19, Prov 26v20 Prov 26v22).

For those of you who don't know what this is all about, **just bypass this long article.**

Since my last newsletter went out, Hunter *who doesn't name people OR produce video's about people* has **NOW STARTED**. The one thing he was *against*, he is **NOW DOING!** Hypocrisy in this guy's life seems to be second nature. He's no different from all these false-accusers & busybodies on YouTube that HE attacks. I was also told that Hunter is deleting *any comments* that are *against* him, seems very one sided doesn't it, why not show them all, but that's Hunter for you, **he just can't stand criticism**, & will NOT admit *when & where* he is wrong – **PRIDE!** In his case, FAKE HUMILITY, as always, he just doesn't learn. He's a critic, a talebearer & just a whiner, moaning about everyone & rather than taking any good *from* them, he'll just attack them... VERY unchristian, & UN-Biblical! *So here we go again...* he says *I have his email address*, HE HAS MINE! *But did he email me?* Of course not, he's a hypocrite & says one thing but does the other. He's also a blatant LIAR, & when his feet are held to the fire, he will LIE to get out of anything! **Lie number one** – Hunter states that he *didn't* use Ruckman's name to say he was a racist, but that is **EXACTLY WHAT HE DID BY 'INSINUATING' RUCKMAN WAS A RACIST initially, but now he has stated categorically, that Ruckman is a racist, just look at his comments.** Hunter has ALL of Ruckman's commentaries *but doesn't read them anymore he says* (!!!), *sure baby*, you are such a LIAR it's unreal. Do you KNOW why Hypocrite-Hunter is so stressed about all of this 'inter-racial' marriage stuff? It's because his wife is **Filipino**, do you think he would care *two-hoots* about this issue if he'd married a white English girl? *You bet your booties he wouldn't.* He's a LIAR & a con-man if he says he would. I put out a '23 line paragraph' on why Hypo-Hunter is a hypocrite & he responds, how *by an email to me...* NO... but by his *first video*, which was **one hour & nineteen minutes long**, lying all the way through it as I will explain. The plus side *for him* is that his views have gone up over FIVE TIMES since he's been attacking **Tft!** I will go through this slop, *all the way through*, showing the TOSH he thinks, believes, & spouts off about... (Imagine how long his next fake-humility video will be after this article... 'days', maybe even a series, *now there's a thought*). If he responds to this article in an inappropriate way, then I guess I will have to do this all over again, but we shall see. I haven't commented on all his other videos about me **yet**, & I'm not sure I will be honest, it all depends on how he takes this rebuke. I have much more important things to do in life.

Here we go, video number ONE...

The numbers down the left hand side represent the 'time in' on the video e.g. 0.47 = 47 seconds in...

(Oftentimes I'll start off with something Hunter said & then I'll give comment)

0.47 – He avoids naming names he says, but **he insinuated (only now blatantly) Ruckman was a racist by NAMING him** – Hypocrisy within **1 min**. He is now *actively naming names* all the time – he's no different to his boy-friend Eddy-the-Fake-Pfenny (see comments later on regarding Hunter & Pfenny – Luke 23v12!!!), to whom he has sought joining with again, even though Fake-Pfenny *roasted* Hunter last time over his repentance video. You'll read more about this later on too. When was the *last time* Hunter left a comment on his enemy's (now a friend) video? Interesting. He'll run to *anybody* for support.

2.02 – **He finds it a problem to find a Bible Believing church in the UK.** He had Barry Galvin's KJV Church up the road, BUT LEFT under a cloud? Mark cannot mix with other Christians very well, he thinks he is right all the time & *they* are wrong. Barry had a *thriving* church & Mark could have been a great help & asset to Barry, but because of PRIDE, & Hunter thinking he knew best, he left. Later on, in his video you will see he mentions Barry, saying what a *great preacher* he was (FAKE HUMILITY AGAIN hoping Barry will stand with him regarding this situation) **but Hunter LEFT Barry's church!???** Hunter *should have helped Barry* & they could both be actively involved in running one of the best Bible Believing Churches here in the UK. **PRIDE was Hunter's downfall, it will ALWAYS be, he just can't see it sadly.** Self-delusion is a terrible thing.

2.18 – 'accused of hypocrisy!' Indeed Hunter – you just can't see *your own* failings & flaws, this is tragic, this is PRIDE.

3.22 – Hunter & I have met – *we're brothers!* We certainly ARE brothers, he's saved, I'm saved. I actually like him, & he has *potential* **if** he could just DROP this dumb fake-humility, whining & moaning, & MAN-UP a little. He could be a great help & asset to *any church* he joins (forget all this DUMB IDIOTIC 'church-building' immaturity, which is SO LAME it's beyond belief). Who gives a TOSH where you meet & worship the Lord, whether it's a tin hut, shack, shed, kitchen or palace! This is just such a pathetic argument, such a nit-picking **prideful fleshly argument** it's so immature, *it's so Hunter*. Heinz ketchup, washing up bowls, plus a trillion other things aren't mentioned in the Bible, what does that prove? The word 'Bible' isn't mentioned IN THE BIBLE, but you keep saying it DODO! Grow up, man-up & stop pretending to be someone you're not – Gal 6v3. Just be a humble Christian, in love with the Lord, doing His will, loving His word & reaching lost sinners.

3.30 – friendship!? *I haven't seen you or heard from you for ages.* You've only emailed me twice IN YEARS!? One was to 'rat-on' (*your enemy at the time*) Fake-Pfenny regarding his video on me & my tract. The other was to ask whether I said something behind your back. How can we be *good* friends when we haven't spoken or emailed each other for YEARS? Why didn't you call me, email me? Now you're whining because I've given you *a few home-truths* to consider & **you STILL can't see your problems.** Well, I hope after *this issue* YOU WILL START TO SEE your faults, otherwise I feel as if there is NO HOPE for you Mark. Man-alive, we're only **3.30** IN!!!

3.54 – 'the defence of Ruckman'! *You got it in one son.* You insinuate (& lie) that he was a racist. He led more BLACK folk to Jesus Christ than you have even SPOKEN to in your lifetime! Loads of black folk love Ruckman. Throughout his entire life he led black souls to Jesus Christ. Do your homework, research & speak to his friends & his church before you insinuate, he was a racist.

4.05 – 'an all-out personal attack'! I want people to KNOW that you are a LIAR if you insinuate **Ruckman was a racist!** You started it, by NAMING him (even though you say you don't NAME people) – Hypocrisy! **If you call or insinuate Ruckman was a racist I'll continue to expose you for the LIAR you are.** I would be very careful what you do next Hunter, think & pray about it. (Let's see what the Lord TELLS Hunter to do shall we!!!) That's not a threat, *that's a fact.* If you are going to 'call-out' one of the best Bible teachers & preachers for *being a racist*, you must expect a backlash. Ruckman ministered to **black people all through his Christian life** & led hundreds if not thousands to the Lord & you insinuate, he was a racist? You 'called-him-out' in the open for the world to see, so I will do the same to you, *that's fair isn't it?*

4.40 – '*my opinion of you*'? You're a 'nice' guy, but arrogant & can't see your own faults. You open your mouth & say things without thinking & don't consider the consequences of your errors. You are also a hypocrite as I've already stated. If you hadn't had married a Filipino you wouldn't even be bothered about race, don't lie & say you would.

6.38 – you are always welcome at Tft! & the Oaks Church. You said that you wanted to come *more often* but *never* did. You also said you thought 'WE' had problems... **but you can't see YOUR OWN!!!** PRIDE! You've got it *sussed* haven't you son, everyone else is wrong, but you are right. You can't mix with Christians because they are NOT perfect like you. Oh sorry, you *have* met up with at least 'three' Christians in the last TWO YEARS! THREE out of how many millions... THREE, man alive you really know how to fellowship don't you. You keep saying you are alone & isolated, **but that is YOUR fault, can't you see that.** You could try so much harder to fellowship with other Christians, but you've set yourself 'above' them. I can fellowship with Pentecostal Christians, even though they are all over the shop on their doctrine, the same goes with Brethren, Baptist, even the ODD Calvinist (& they are ODD). Do you think you ought to be a little bit more tolerable to your fellow brothers & sisters?

8.09 – 'published in a newsletter'! You NAMED Ruckman to the WORLD... **after he was dead!** You wouldn't have GONE TO HIM when he was alive you coward. You sit in your house accusing your brothers & sisters in the Lord *on camera* **TO THE WORLD.** Is Bryan Denlinger saved Mark? Is he your *brother* seeing as you are 'going after him'? Why can't WE go 'after' you, seeing as you accuse/insinuate Ruckman of being a racist? Isn't it fair that we go 'after' you, as said in your own words?

8.29 – the sacred cow 'Ruckman' – very derogatory, condescending & idiotic. The so-called 'sacred-cow' is the BEST Bible teacher you have ever studied under! **You have ALL his books but now you don't read them** (!!!) LIAR! You are a hypocrite Hunter. **You insinuated he was a racist** – you are a LIAR! If Ruckman is a 'sacred cow' you are certainly an idiot, an 'ignorant jackass'. *See how it works? You can dish it out, but you can't take it.*

10.02 – 'brought to my attention by a 'snitch'' – *who brought it to YOUR attention?* Interesting! Hypocrisy again! Can't see it can you... it's incredible. *Who snitched to YOU? See how it works?!*

10.45 – 'talking with John about the Philippines' – **why don't you go & live with your wife in the Philippines? Is it the Lord's will that the two of you are separated, is that Biblical...chapter & verse? What are you trying to do over here? Why don't you work WITH other Christians? What on earth are you achieving FOR THE LORD being over here in England?**

11.40 – church buildings – WHAT A LOAD OF OLD TOSH!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! What an idiot! This is the mentality of Christians who feel *superior* to other Christians, they think they have a corner on truth. You can guarantee that 99% of the few followers that Hunter has, are *lonely isolated shallow Christians* who think the same way about how evil 'church buildings' are, can you believe this TOSH. One nasty piece of trash who follows Hunter, & is an ANTI-Christ & an abomination to the Lord, (Prov 6v16-19) is **Andy-Simple-Simon.** He sent sexual innuendo messages regarding Dee to me recently. These are the kinds of people following Hunter. (You'll read more about that later). Does Hunter ban THEM or delete THEIR comments? Of course not, because they stand WITH Hunter, *he'll take anyone!* **Simple-Simon** stands with **Pat-the-Baptist**, who dresses his dog in women's clothes...! These are the type of weirdos that are isolated, so-called Christians, NOT going to church buildings. Just look at the comments & see for yourself. If you don't mix & fellowship with other Christians, you start going a little weird it seems. **Go to church! Meet with Christians & get some friends.** Don't start saying that 'church buildings' are of the Devil... come on son grow up. This is why people like the over-inflated-windbag-Breaker, ghostly Ed (now Hunter's boy-friend again), & all those who have ISOLATED themselves & sit in their house talking to a camera, are going off on tangents. *All they do is talk to themselves, & you know what that means!!!* Sadly, our old friend **Lex**, who used to run our **YouTube channel**, has got caught up in the Hyper-Diaper crowd, although I warned him years ago about Fake-Pfenny, but now Lex just sits in isolation, drinking up his pope's videos, & all the two of them do is spend their whole lives attacking Denlinger, & writing nasty comments about him. **Lex is wasting his life**, just like Pfenny, it's tragic to see, but if you're

shallow in the Scriptures & have no friends, this is what happens. You'll also find that most of these so-called 'men' (& I use that term very loosely), don't have a wife or a girlfriend... that says a lot too. **Simple-Simon** was *begging* me for Dee OR Toy's email address, *that speaks volumes*. These guys are not real men who get out there in the world & mix. **YouTube** attracts a lot of weirdos, just view the comments on these videos. Lex, like Hunter, just sits in his house all day watching Fake-Pfenny & writing nasty comments about everyone... these are so-called 'Christians' *producing fruit*? This is today's modern Christianity as scripted in Scripture. This is a *sign of the times*, that even so-called Bible Believers will sadly go OFF the rails. Lex has long gone, even though we warned him. Hunter is also on his way because he's cut all the counsellors off in his life, including Ruckman, Tft!, Denlinger, Galvin etc. (Prov 11v14). He's isolated himself, he's lost out there with very few real friends, all because of PRIDE. It's very sad to see. He should repent, apologise & get back on track.

13.00 – naming 'names' now are we? Will this continue? Are you NOW joining the community of *naming names*, the one thing that you said **you would NOT do**? Hypocrisy again.

13.46 – He's speaking about Barry's church here. Remember Hunter walked away from a **KJV Bible Believing Church**... why? Pride. Ask him!!!

13.50 – you run a CHURCH in YOUR HOUSE!!! Isn't that a **BUILDING**? Who attends? **ONLY your two sons**. You think THAT is a church? That is called **a home, a family** (without your wife) & a Bible study. 'Delusions of grandeur' I think.

14.40 – 'attacking Ruckman over race' – You certainly are! Hunter is insinuating that Ruckman was a racist, he was NOT. I repeat, if Hunter hadn't have got himself a Filipino wife, *he wouldn't even have bothered about this issue*. Shame on him.

15.50 – Hunter has ALL of Ruckman's commentaries!!! *Say's it all doesn't it?* When did he EVER give ANY credit TO RUCKMAN for the things he had learnt from him **BEFORE** this video? NOT ONCE!!! Hunter is a lying hypocrite & is attacking the BEST Bible teacher he has ever learnt from. This is how pathetic these YouTube 'keyboard-warrior' Christians are. They sit in their rooms staring into a camera all day & attack everyone who has a ministry. Fake-Pfenny does it, Breaker does it, Hunter does it etc. They are of the same ILK.

16.43 – *You're walking a terrible Christian walk!!!????* What can I say, **YOU said it?** He certainly IS when he keeps attacking other Christians all the time in his videos whether he names 'names' or not. Sort out your life. Obviously, something is wrong, & it all starts with your fake-humility which is PRIDE. *It's your fault that things aren't going well for you Hunter!*

17.46 – Hypo-Hunter CAN'T recommend *another* ministry over here in the UK!!! He says there ARE **NO MINISTRIES over here in the UK!** *I kid you not!* Go back & listen to this cretin. I repeat... Hypo-Hunter CANNOT recommend **ANY** ministry over here in the UK among 60,000,000 (60 MILLION) people & all these churches & Christians scattered everywhere. *Now just think about that for a while*. This is what you are dealing with, a narcissistic hypocrite who **ONLY** holds himself UP to people in the UK. **Ask Hunter to recommend a CHURCH over here out of ALL the churches?** He goes even MORE INSANE... listen to it... he says **he CANNOT recommend ANYONE ELSE on the WHOLE of YouTube!!!!!!!** *Can you believe he just said that?* Man this man is an EGOMANIAC! Shame on you Hunter. He has to agree with someone 100% **BEFORE** he recommends them. The guy is a fully-fledged idiot! *I don't agree with ANYONE 100%, do you?*

19.44 – 'he cannot recommend Tft!' – Of course he can't, he's jealous, envious, full of arrogance & narcissistic, that's just Hunter. Just look at the FRUIT he is bearing in his 'whiny-videos'. (Because he isn't producing any fruit (John 15v1-5) he then starts to attack those who ARE, by calling them 'fruit-inspectors'). Ask him how many tracts he gave out last year? (He can't handle questions like this because he is doing very little, so he starts talking about 'output' & saying you shouldn't be seeing it like this). Listen dummy, 154,000+ people A DAY DIE, shouldn't we be doing all we can to reach these lost souls, & you want to talk semantics? Ask him '*What are you actually DOING for the Lord?*' You take a few Bibles over to the Philippines occasionally (where you should be living WITH YOUR WIFE) & you do a few whiny little videos, is that it? What else are you actually **doing**? But you don't like these kinds of questions do you Hunter? You want to get the spotlight OFF you & onto Denlinger don't you. You want to talk 'race' NOT 'lost souls' don't you?

20.13 – his ministry is of 'exhortation'...*are you kidding me? Is this meant to be a joke?* You whine & moan all the time throughout your videos telling people why they are wrong & how you are right & you think this is 'exhortation'? Man-alive Hunter, you really are blind as a bat. You are NOT a leader, preacher or teacher. You should get involved with others & join a **team** like Barry had, & support, love & encourage them. You are FULL of critique, criticism, & pointing out faults in others when it's YOU who should be looking in the mirror (Mat 7v1-7 READ IT). You ought to apologise to Barry & seek reconciliation there, as it was YOU who walked away & started attacking his work in your videos. You call THAT a 'ministry'... of 'exhortation'? The reason WHY you have gone through so many difficulties over the last two years Hunter, is because you are NOT **doing** what you *should* be doing, & you are NOT **where** you should be either. You are *striving* against God, thinking you are right when you are wrong – Prov 14v12, Gal 6v3. **See latest newsletter for an explanation. You don't listen or take advice.** If you studied Ruckman's commentaries & read Tft! NEWS you would certainly have been challenged & would have made a few better choices I'm sure. You said you bought ALL of Ruckman's books, *but you don't read them* (!!!???) & you stopped reading Tft! NEWS (???!!!) & **now look at you**. Who will you take advice from? Who on earth do you go to for help, other than the Lord? Why don't you ask Barry for help & guidance, why walk away? I know of godly KJV men over here who I can go to, how come you don't? You try to go it alone & **now look at you**, making whiny videos criticising everyone else & you call *that* 'a ministry'? You ought to take a long hard look at yourself & start making some

GOOD decisions for a change. You just can't take criticism & you just can't take advice from others. That is PRIDE portrayed as fake-humility... WHICH IS PRIDE!

21.04 – “Show me the video where I say I'm the best here in the UK!” – TOTAL MORON! You've missed the whole point & yet 'again' CANNOT SEE THE WOOD FOR THE TREES! Man-alive – PRIDE! Just blind self-absorbent PRIDE! Narcissism personified. If I have to explain your little semantics, you're not only blind, but deaf.

21.13 – ‘Fake humility’ – “*It's hurtful to read things like that*”, you said. Of course it is, because the TRUTH hurts at times. You won't understand this because you're so full of pride, but this will be the best thing that will ever happen to you, **someone is actually telling you the truth**. Now do something about it & get over it, make some changes & get back into line doing what you *should* be doing. You would be a great TEAM player if you get rid of your pride & **start helping others** rather than trying to go it alone, **which is obviously NOT working**.

22.20 – word study ‘primers’ – **where do you find ‘word study primers’ in the Scriptures, hypocrite?** When was the last time you saw anyone from Genesis to Revelation preaching a ‘word study primer’? Hypocrisy YET AGAIN! He'll tell you *churches* aren't in the Bible, & inter-racial marriage is ok (because his wife is not white), but it's okay to preach ‘word study primers’. He tells us ‘dispensations should be ages’ (which it shouldn't) yet he's okay to *teach & preach* things **NOT found in the KJV Bible** – Hypocrisy PERSONIFIED! Man-alive Hypo-Hunter, are you starting to see it now? PRIDE! I don't think any apostle or disciple preached ‘word-study-primers’ do you? Did Paul preach a ‘word study primer’? TOSH!

22.43 “I've NOT claimed to be a Bible teacher!” – so WHY on earth are you trying to ‘teach the Bible?’

22.58 – 43 years old & saved 10 years – yet he thinks this is NOT the right excuse for people questioning his ‘authority’ in what he is saying. What has Hunter done over the last 10 years? What experience has he had except staring into a video camera each week? **What Christian work has Hunter been involved in?** He's walked away from **every** church he's been to. Yet he has the right to question *everyone & anyone* who have given their whole lives to serving Jesus Christ. Ruckman read the Bible over 250 times & *lived* to teach & preach, yet Hunter insinuates he's a racist WITHOUT THANKING RUCKMAN ONE SINGLE TIME FOR ALL THE HELP & TEACHING HE HAS GIVEN HIM! Hunter is a PUNK, an utter PUNK!

23.11 “What stage do you become a Bible teacher & speak with confidence?” – When you have studied the Scriptures, given yourself to the Lord **HUMBLY**, & got out there in the big world & done some work for the Lord, rather than just sitting in your living room at home. *You want to TEACH?* Get out there & get some experience, do something with your life. Take this rebuke as a wake-up call & get your life sorted. Stop being such an idiot telling people they shouldn't be going ‘to church’, don't be such an imbecile. *Do you think you are a role model for Christians?* Man alive, you have a lot to learn.

25.50 – ‘the ONLY person who knew ‘everything’ was Paul’!!! **Man-alive talk about a mistake!** I think old Hunter doesn't understand the difference between ALL ‘without distinction’ cf. ALL ‘without exception’ don't you. You think PAUL knew everything do you? Paul messed up his life & got thrown into jail for NOT doing what God told him to do. Hunter is messing up his life because he is NOT doing what he should be doing. If Paul can make a mistake so can Hunter.

26.24 – “A Bible Baptist Teacher & a GOOD one” – “Barry Galvin, an excellent Bible teacher” – **so why did you LEAVE him?** You want Barry to *sympathise* with you, do you? *Holding out an olive branch to Bazza are we Hypo-Hunter?* **Then WHY did you take your kids OUT OF HIS CHURCH & leave?** Hypocrisy personified & he just can't see it. One of Hypo-Hunter's biggest mistakes was leaving Barry, where he was sitting under sound preaching from the KJV Bible, to then isolate himself. Now he is pouring out his fake humility with a syrupy-slop-video... *trying to build Barry up again* – what an absolute JOKE... you're late Hunter, very late. You made a huge mistake, rectify it & reconcile with Barry APOLOGISING TO HIM personally.

26.40 – you learned a lot from these men (Ruckman, Denlinger & Galvin) & **NOW you are attacking ALL of them!!!** What does THAT tell you folks! Yes, you guessed it – PRIDE! See how blind Hunter is?!

28.24 “*The last thing I exhibit is pride!!!!!!!!!!*” **Did you just hear that???????** **Did you hear that everybody???????**

THE LAST THING I EXHIBIT IS PRIDE! (Isa 14) I rest my whole case!!!!!!!!!!!!!! ARROGANCE, PRIDE PERSONIFIED IN HYPO-HUNTER! Man alive! Doesn't that just take the biscuit?

28.36 “*The last thing I am is PRIDEFULL*” – Hunter you have the stubbornness of a jackass & the sensitivity of a Hippopotamus. You are so FULL of narcissism you are as blind as a bat. Hunter says that he tries to help other Christians, **how about he let's other Christians help him?** Why doesn't he come up here & we'll feed him as we have done on a number of occasions, we'll teach him as we have done numerous times, & we'll get him involved in tracting days, conferences etc. all of which we have done & sent out invitations etc. Barry has done the same, Barry fed & taught Hunter loads of times, & what does *mouth-on-a-stick*-Hypo-Hunter DO with all this? He turns his back on both of us & goes his own way, thinking he knows best & now he is whining **because I've told him the truth** – Gal 4v16. Some of you have said that this should have been said a long time ago, *maybe it should have*, but I'm always *the one* who seems to have to say these kinds of things aren't I? You either love or hate Tft! but no matter what, you KNOW we speak the truth *that many of YOU would love to say... YOU KNOW IT!* I take more *flack* from so many (*you wouldn't believe some of the satanic emails I receive*) Christians & non-Christians, all because of the stand we take. *Any of you want to stand with us?* Hunter won't because he's a narcissistic hypocrite who can't recommend our ministry.

29.40 – “You're not a leader & you admit it” but you have told everyone numerous times that you desire the office of a bishop!? Hypocrisy again! You said you're not a pastor or leader, but you ‘lead’ a house church? Hypocrisy again & again.

31.29 – “You own all of Ruckman’s commentaries” – you can buy them cheaper from Tft! but you didn’t come through us, *now there’s a statement*, trying to hide anything? Now let’s see here IF you *thank* Ruckman for what you have learnt from him... *here we go, I’m just listening to you now...* NO, NOT ONE SINGLE THANK YOU!!! Instead he starts *attacking* him! Hypo-Hunter is THE MOST ARROGANT punk I have come across. He is absolutely infatuated & inflated *with himself*, he is right & everyone else is wrong. Hunter will *never* have a ministry with the Lord as long as he has this kind of arrogant attitude. Everything I have stated is THE TRUTH! Have a listen to this whiny monotone monologue (if you can keep your breakfast down that is) & look up every single time I paused to comment & see what *you* think.

33.30 “I go on YouTube because there is NOWHERE else for you to go!” – Do you believe in the *local* church? Why don’t you meet up with Barry (a great preacher you called him) & start helping him with tracting etc. Why don’t you come up here to Tft! & help us? I can put you in contact with Christians all over the UK who could do with some help. You have NOWHERE else to go you said other than YouTube – MORON! You won’t go to a *church building* because they are ‘wrong’ (you say) so instead you use a **SATANIC WORLDLY MEDIUM** called ‘YouTube’!!!!???? *Now ladies & gentlemen, boys & girls, what do you think about that?* What is worse, going to a *church building* (I mean they’re really evil aren’t they!!!) or putting videos on a medium that promotes sodomy, pornography & every other vice you can think of? See how dumb his logic is? *Is YouTube Scriptural????*

36.00 “Don’t touch mine anointed one!” – again very derogatory is his comment here. He insinuates Ruckman is a racist & that’s okay because Ruckman has died now (Heb 11v4), & he expects no one to challenge him on that. Ask Ruckman’s friends & church how many black men & women Ruckman led to Christ? How many black men & women has Hunter led to Christ?

37.19 “Less than 100 views” – He’ll be happy with his views now then, seeing as he’s mentioned Tft! *Fame at last! Is that what you want Hunter, fame?*

37.36 “Fellowship was superficial!” – I said previously, I like Hunter, I actually feel sorry for him, but it seems no one will tell him the truth of what he needs to hear, so I did it, & now he makes a *one hour & nineteen video* about me. **I respond here. If he does another I’ll respond again.** *That’s life I’m afraid.* **He calls Ruckman ‘the holy cow’ so I’ll expose Hypo-Hunter ‘the jackass’ for the cretin he is. I’ll do it every time, until it finally gets through to his arrogant thick skin & he wakes up.** I haven’t got a problem with people *attacking* Ruckman on the whole, I usually just let it go. The reason I’ve given Hunter a caning is because Hypo-Hunter has bought all Ruckman’s books, learnt 99% of what he knows from Ruckman & HASN’T thanked him once, & THEN... THEN... **he insinuates that Ruckman was a racist.** Hunter is a narcissistic imbecilic cretin.

39.00 “Learn so much from Ruckman” – will the *thank you* come now? Will Hunter acknowledge that he has learnt so much from Ruckman NOW? Let’s wait & see...? NO, NO it didn’t come again, but instead he *attacked* him AGAIN! Oh dear! Interracial marriage *isn’t* a peripheral issue to Hunter OF COURSE, *he married a Filipino*, therefore it’s a *big issue* to him. When was the last time this was an issue to *any one of you* in your churches? If Hunter divorces this woman & marries again, he can marry a *Japanese, Chinese, Mongolian, South African, Malaysian or someone from Bedford Falls* for all I care, but it is HE who shoots his big arrogant mouth off regarding this issue, because HE has married a non-English woman. **He insinuated Ruckman was a racist & will run anywhere to try to prove it, yet Ruckman led more black people to Christ than any other KJV preacher I know of.** Hypo-Hunter is a HYPOCRITE – you all can see it now. *He wants ME to confirm that it’s okay to marry a black girl here...* what an absolute MORON of all MORONS! Hunter is a joke, a sad lonely joke that is. *He said he hasn’t seen me make a statement on it in any of my newsletters*, but I thought you said that you **didn’t** read my newsletters??? You are a LIAR & a HYPOCRITE Hunter! We can all see it. **Are you living in sin because you have married a Filipino you ask? How can you be living IN SIN when you are NOT EVEN LIVING ‘WITH’ YOUR WIFE????????????????????** **What a DODO! What a nutter!**

40.47 “He now wants ME to expose Bryan Denlinger” – why does *everyone* want ME to expose Bryan Denlinger? You all have a fascination for Bryan, perhaps it’s his beard. If you like him that much ask for a few hairs from it when he next shaves. Lex has the same immature mentality, they are not man enough to do it themselves, so they want ME to do their work for them. They are children who will never grow up spiritually. Listening to Fake-Pfenny the Hyper-Diaper will kill your Christian life DEAD. Just ask Lex what he is doing for the Lord. *I rest my case.*

45.40 “Give me Scripture!” Hunter asks! **So, I did!** The problem is this... when Hypo-Hunter quotes Scripture it’s in context & is right for everyone (he says!!!), but when *anyone* quotes Scripture TO HIM, it is wrong & out of context (he says!!!). The Scriptures I quoted *against* HIM are perfectly fitting & apt for this occasion, but Hunter rejected the words of God – Hunter is a LIAR & a deceiver. *I wonder why Hunter won’t do a video on what he has learnt from Ruckman?* Now that would be very interesting wouldn’t it?!

47.55 “John never really cared about what my hopes were?” *What were they my little pussycat? What are they darling? Tell us! What do you want... money, fame, recognition...friends?* Why don’t you just leave England & go be with your wife? Why don’t you bring her here? What’s your problem? You’re married, why aren’t you with her & involved in ministry together? Tell us your dreams Sparky. I didn’t realise you wanted me to enter into your dreams? **You haven’t spoken to me for years... how could I have known pussycat? Bring your wife up here & I’ll take you out to lunch for some fellowship.**

48.30 “What have those verses got to do with ME?” Hunter asks! Man alive, he just doesn’t get it does he! PRIDE!

48.50 “**I stopped reading John’s newsletters a long time ago!**” But I thought you said that I don’t talk about race in my newsletters? **How do you know if you don’t read my newsletters?** More hypocrisy, more LIES. He’s just digging a bigger & bigger hole for himself every time he opens his arrogant mouth isn’t he. *What a dumb-bell!*

49.00 “*Trying to be the UK version of Ruckman*” – now that’s a *compliment* if ever there was one, BUT sadly I’m not even in the same league. **He knew his Bible I don’t.** He spent his life studying the Scriptures, I don’t. He won thousands of souls to the Lord, I haven’t. We are poles apart. I would LOVE to be the UK version of Ruckman, but I’m bush-league compared to him, but thanks for the compliment.

49.40 “I tend to go *after* TEACHERS!” – Why? Because you think you’re more qualified? He makes you laugh doesn’t he.

53.00 “I have learnt *quite a bit* from Ruckman” – at last a HALF compliment to Ruckman – at last! ‘Quite a bit’ indeed.

54.09 “Ruckman was a great teacher!” – man alive at last! **Well done Hunter!**

54.30 You won’t listen to people unless they are 100% perfect in their doctrine??? Idiot! Take the good & leave the bad. You wouldn’t listen to anyone if that was the case. Are you 100% perfect in your doctrine? Should everyone STOP listening to you?

55.18 “*I stopped reading his commentaries years ago!*” – *because you had serious ISSUES over him* you said. What *other* issues *apart from* language & race? Tell us so we can comment on those too. You call him a *good* teacher but won’t listen to him?! Oh dear! You’ve learnt NOTHING in these last ten years have you Mr Arrogance?

55.22 – You’ve had this kind of thing happen to you *a lot of times*, when someone breaks their friendship with you!!! ...& **you STILL don’t get it? Could it be YOU?** Why do people leave you Mark? Stop & think about that for a long time before answering. **Could it be that YOU are wrong dare I say it?** Have I touched your ‘holy cow’, in other words, YOUR EGO, YOUR PRIDE? Have these people left you because they got fed up with you, or over doctrine, why??? Answer that?

56.46 – You feel sorry *for me!*? Oh dear! We all feel sorry for YOU!

56.59 “There’s nothing in here telling me what I’ve done wrong!” Oh dear Hypo-Hunter, you haven’t learnt a thing through all of this have you? You still think you are right & we are all against you. Well my dear poor boy, we shall have to keep *trying* & pointing these problems out to you, so Lord willing, you will eventually get it. Why, because we all actually love & care for you, believe it or not. You need to hear this, even though it hurts. You need to hear the truth I’m afraid & it’s gonna hurt worse & worse until you get back on track.

57.13 “Little talebearers?” Seeing as you haven’t read my newsletters for YEARS... WHO was the little *talebearer* who TOLD YOU? Hypocrisy.

57.50 “How is a newsletter any different from YouTube?” you ask. The newsletter is a *small part* of the Tft! ministry. **YouTube is EVERYTHING to YOU!**

58.00 “Rather than call or email me” – why didn’t you do what YOU SAY, to me... call me or email me??? Hypocrisy?

58.35 “*It happens all the time!*” – why do you think that is Mark? Do you think everyone is wrong by doing it? You are right as always? You really are a self-delusional hypocrite.

1.04.10 – “*My walk is not good!*” – **Why? Because you’re NOT where you should be? Not doing what you should be doing? Not listening to others? You’ve cut yourself off from good Bible teachers etc.? Do you know why you’re walk isn’t good? Is it because of YOU? Can any of us help you? What do you want?**

1.04.52 “FAKE people” you said, but you don’t see your FAKE-humility which is pride? Everyone else is wrong except YOU.

1.05.26 “You got the screen shot of the newsletter, how Hunter?” By a talebearer?

1.05.59 “I’m going after Bryan Denlinger” you said! Oh dear. How about going after lost sinners instead?

1.08.03 “We’re NOT called to follow other men!” Oh dear, *another mistake* Hunter. (1 Cor 4v16, 1 Cor 11v1)

1.09.28 “I’m not like the ‘Vigilant Christian’ *who also has a whole load of errors*” – You have to attack *all the time* don’t you Hunter! Gotta say something NEGATIVE against *everyone* haven’t you Hypo-Hunter, *because you are the only one right!*

1.13.20 – ‘Stress & pressure’ – like what, tell us, so we can pray. Be honest about what you’re going through, don’t be so evasive & illusive.

1.14.02 “This is a hard read for me!” Of course it is, the TRUTH hits hard. I’m a dearer friend to you than you realise. **I’ve told you the truth** – Gal 4v16. You don’t like it, & *probably won’t accept it*, but I can’t do anything about that I’m afraid. Now wake up & sort things out & do what you should be doing & stop *pretending* to be someone you’re not. (Gal 6v3). Get involved with a team, other KJV Christians & work **WITH THEM** as part of a team rather than isolate yourself & setting yourself up as some sort of little pharisaic island. Man-up & grow up. **Learn to take criticism.** Start reading Ruckman again (if you’re not already!) & subscribe to Tft! or are you saying you can’t learn anything from us? To proud!?

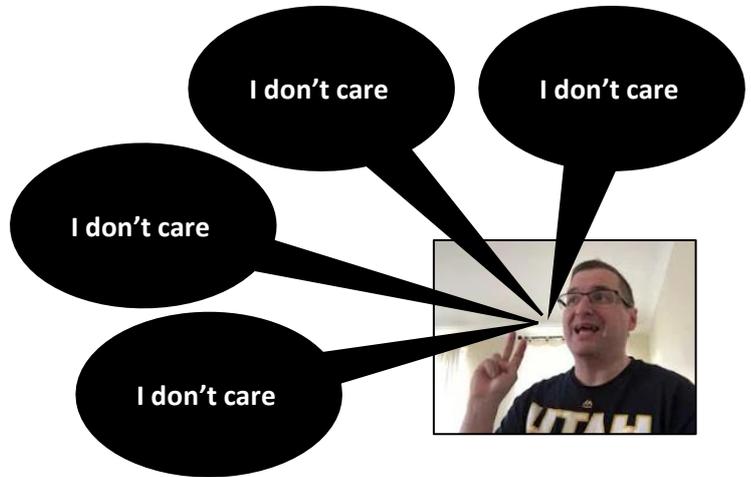

1.15.58 “You assemble at home!” Who with? Is that a church? Why don’t you rekindle your relationship with other Christians near you who you walked away from?

1.16.49 “I love brother John” - & ‘brother’ John loves you – I wouldn’t waste my time on you if I didn’t care.

1.19.07 “Going forward you’re going to be more direct!” – **I hope you’re making the RIGHT decision, as it seems like you didn’t even pray about THIS ONE! I wonder what the Lord wants Hunter to do...!?** Now there’s a question.

Before I sum up... incidentally Hunter said ‘I DON’T CARE!’ numerous times from 55.46 – 1.14.25 – interesting.

- 55.46 – I DON'T CARE!
- 55.50 – I DON'T CARE!
- 56.49 – I DON'T CARE! (twice)
- 56.51 – I DON'T CARE!
- 1.02.43 – I DON'T CARE!
- 1.02.44 – I DON'T CARE!
- 1.04.46 – I DON'T CARE! (twice)
- 1.10.08 – I DON'T CARE!
- 1.10.13 – I DON'T CARE!
- 1.10.17 – I DON'T CARE!
- 1.10.21 – I DON'T CARE! (twice)
- 1.10.34 – I DON'T CARE!
- 1.10.45 – I DON'T CARE!
- 1.14.25 – I DON'T CARE! (twice)

Maybe he should care!!! I care! (Note the Vatican Pontiff (Pope) 'two fingers'!!!)

He has deleted a number of comments *already* by those attacking him because of what he said about Bryan Denlinger. He hasn't deleted idiots like tale-bearer **Andy-Simple-Simon** who is trying to get Fake-Pfenny to 'attack me' among others, hence why he puts these comments on their videos. **Simple-Simon** even linked *mentally deranged* Pat-the-Baptist's (the guy who puts women's clothes on dogs!) YouTube video on me, *why hasn't Hypo-Hunter deleted that comment?* You see like all *fakes & flakes*, they do what THEY **want** rather than what the Lord would have them to do. Cretins like **Simple-Simon & Samuel-Joke-Johnson** are just meddlers, who are achieving nothing in life for the Lord, only trying to cause strife among believers, but Hunter will hold out his hands to these **idiots** *when they stick up for him*. **Joke-Johnson** writes in his comment on Hunter's video... *Mark, I believe John did watch your video(s) which was why he wrote about you in his recent newsletter. He actually mentioned you twice! I noticed that the photo he used of you is a thumbnail from one of your videos. I was on their mailing list a couple of years ago until I touched the "holy cow" (Ruckman) and I was flooded with personal attacks (That's a blatant LIE by the way) in my email, made fun of me having depression (another blatant lie) and then lied about me in his newsletter but never addressed the issues I had with Ruckman. (Strike three for LIES. See what I mean, I deal with idiots like this on a regular basis, & then they wonder why God's not using them. They actually work for the Devil without even knowing it. Luke 23v12 And the same day Pilate and Herod were made friends together: for before they were at enmity between themselves. It wouldn't surprise me if Hunter, Joke-Johnson & Simple-Simon all became boyfriends over this, that's what modern day Christianity is doing to shallow 'Christians', they have no guts or morals anymore.) The only people he has a positive opinion of are his wife and those girls who work for his ministry (from what I heard LaToya has left them). Just mention Ruckman's errors and you will soon discover what he really thinks of you! Which is a shame as I thought he was a genuinely nice guy! John, sent me a pack of tracts free of charge when I was struggling financially. I don't know, it's like he has an alter ego!* These are the kind of idiots I have to deal with on a regular basis. **You help them, then they turn on you. Sadly-Joke-Johnson is just another backbiting idiot who loves to sow discord among the brethren. Another time-waster, another loser... just a punk doing nothing for the One who saved him.**

Summing up ...when Hunter received his first *real attack* over doctrine it was by Hyper-Diaper-Pfenny over repentance. *Do you know what Hunter did?* He ran straight to Tft! **for help, so we helped him** & I sorted Fake-Pfenny out straight away (see **Hyper-Dispensationalist tab on Tft! website**). Now do you know what Hypo-Hunter has done because we have 'stung him' over him insinuating Ruckman was a racist? **He ran BACK TO Hyper-Diaper-baby-Ed Luke 23v12!!!** Hunter *loved it* when we were attacking Pfenny over his heresy of repentance, Hunter never wanted us to stop because it was **HELPING HIM**, & now Hunter has run back to Pfenny (Luke 23v12!!!), doesn't that just show you the hypocrisy of the poor lad? Poor old Hunter tried with Barry, & now is trying again with Eddy... *he wants to find a friend. Talk to me Hunter!* Having a fanbase with people like **Simple-Simon & Joke-Johnson** on it, just shows the kind of audience you're attracting. **Simple-Simon** has just written an email to me, crying that his boy-friend Fake-Pfenny is upset with me, he went on to say something about '*John Wayne dressed up in drag*' whatever that means? (!!! – Exactly, not all his branches go to the top, a little unstable shall we say). He even said he had a letter linking Peter Ruckman with the KKK, this is how far they'll go & what kind of lies they'll tell. They need psychiatric help, hospitalisation, medical treatment & lots of pills to help them cope in life.

Danny-boy-Smith, another *hater* of Ruckman, wrote me an evil email *even saying this* about Donna & I... "*It's a good thing that you and your wife are unable to have children, you probably don't deserve them*". These are the kind of things we get on a regular basis, & the *majority* comes from people who *hate* Ruckman, isn't that interesting. **Danny-boy-Smith** went on to say this about Dee "...*she is a white woman in a black woman's body, who would want to be with a woman who has a lot of self-hate and has no idea who she is*". These people really are **mentally unstable** & **REALLY** do have some **mental health problems**. I wonder if their mothers know what they are up to? **Dave Matthews** is another *hater* of Ruckman & he too, like **Andy-Simple-Simon**, wrote some very vulgar sexually perverted stuff in his emails. I don't know what these *haters of Ruckman* are feeding on, but *sexual material* seems to be prevalent & top of their list in their emails. His comments were

utterly disgusting, & so ANTI-Christ that I can't write them here (*although I've kept them just in case I need them*). He also seems to be warped with **mental health issues**. He attacks Dee again (*Matthews seems very racist*) & has a fascination for Bryan Denlinger, which seems *very* worrying. Isn't it amazing, I write 23 lines about Hunter & all these sexual-deviants come crawling out of the woodwork & all are associated with *hating* Ruckman. After **Dave Matthews (Davey-boy)** ran away scared into the bushes, do you know what he did? He sent his wife (**Sarah Matthews**) to fight FOR him (what a hero!), so she emailed me *three times*, then told me to '*Get lost & blocked me*' when I *challenged* what she was saying. Does she know that her husband sends vile perverted sexual stuff to us, I wonder? Not much of a man is **Davey-Boy**?

[Now here are my closing thoughts about Hunter](#). As a person I actually like him (although what he is doing at present, it's getting less to be honest). I mainly feel **sorry** for him because he's so consumed by himself that he can't see where he is going wrong & that is scary. He has a major problem, & I mean MAJOR, thinking that he is right & everyone else is wrong. Saying things like you *can't* recommend another ministry here in the UK just sums up the **idiot**, let's face it. Now, **if Hunter retracts what he says about Ruckman insinuating that he was a racist** I'll **stop** exposing him for being the MORON he is; *just because he has a Filipino wife*, otherwise he wouldn't be interested in all this inter-racial stuff. He needs to quit going 'after' people & focus on *what the Lord wants him to do*. Team up here in the UK with other Bible Believers, submit to the word of God, get involved in regular soul-winning & start working & serving the Lord... which is NOT on YouTube. Look at what impact you're actually having. Every time someone attacks you, you have a meltdown, **YouTube** is NOT for you fella. One of the reasons you're not a preacher or teacher is because you don't know 'when to land', you bore people to death with the same old stuff you said 20 minutes previously, see ANY ONE of your videos & see *how you finish*. I'm not even saying you don't have the *potential* to be a preacher/teacher, but you need to learn this. Now it wouldn't surprise me if you take *none of all this* on board & you just carry on in your little daydream of a world, but if you do go through this article, **THINK, & pray before you make the next move. What would the Lord do?** You certainly ARE a hypocrite at present with what you say compared with what you do, but then again, so are all of us at times. Learn from your mistakes, walk humbly before the Lord & don't put out another video **UNTIL you have thought it ALL through**. I notice that one of the comments on your video recommends **Stu Harvey's church**. He's a sound Bible Believer, try that one. You're very welcome to come to **The Oaks Church** anytime as always. I certainly would touch base with Barry again, & start meeting up with other Christians & **GO TO CHURCH** & stop all this nonsense of 'church buildings' slop, we know all this, & it's just immature to say to everyone you shouldn't meet in a 'church building', that's just imbecilic baby talk.

Hunter needs to take the 'good' in people & leave the bad, we're not all perfect like Mark-Hypo-Hunter.

We love & care for you Mark, believe it or not, & I hope you can actually see some of the problems you're causing **yourself**. **Ruckman was not a racist**. Depending on how you react in the future will depend on my responses. Perhaps we should all think upon the following words... **For even hereunto were ye called: because Christ also suffered for us, leaving us an example, that ye should follow his steps: Who did no sin, neither was guile found in his mouth: Who, when he was reviled, reviled not again; when he suffered, he threatened not; but committed himself to him that judgeth righteously: Who his own self bare our sins in his own body on the tree, that we, being dead to sins, should live unto righteousness: by whose stripes ye were healed. For ye were as sheep going astray; but are now returned unto the Shepherd and Bishop of your souls.** 1 Pet 2v21-25.

(Oh dear, another 53 minute video has just gone up from Hunter about me the very next day... here we go again!)

Update – On the **4th Dec 2019** Mark Hunter subscribed to Tft! – Very interesting, & at last! Since the first video, he's made two others, *which I won't go through now*, but needless to say he's backtracking & now he's trying to change what he's said previously, so he doesn't have to 'lose-face', & admit he was wrong (pride again), but instead he's now saying HE DOES recommend *three* YouTube ministries (**two of which have LEFT YouTube** – says it all) & one who is in his wife's church in the Philippines. Regarding better Bible teachers than Ruckman he lists **James Hudson Taylor & George Müller** (yes you heard that correctly), these two Christians Hunter thinks, were **better** Bible teachers than Ruckman... **don't laugh, he's serious**. Hunter goes on to say that Ruckman wasn't even a *great* teacher. He says Ruckman had a lot of things wrong? Such as Mark? You say race, & language... what else? Hunter will soon be joining the Hyper-Diapers, mark my words & watch this space. He's now on a downward spiral, you'll see. He will team up with *anyone* who will have him, including heretics.

This sums the guy up... not a clue! Hunter says he himself should get OFF YouTube? (Jam 1v8). He thinks I have bipolar now, all because he can't take criticism & he never thinks he's wrong, it's very sad.

He keeps making videos of me (*six so far I believe*) *rather than contacting me, like he says YOU SHOULD*, hypocrisy personified. So, I respond with an article, that's all. He will not admit he's wrong, so he just keeps *doing what he's doing... so will I...!!!*

He says that IF his 'fake-humility' was true, he'd have sorted it out long ago. The problem here is this, **no one wanted to tell him the truth because the truth hurts**. Lex & Mark had a 'ding-dong', after Lex told him some home truths, now they no longer speak & Lex has joined the Hyper-Diaper crowd. There were contentions in the Bible among Christians (Acts 15v39) & there will be contentions among Christians today also, that's life sadly- see also Prov 13v10, 17v14, 18v6, 22v10 (Hunter).

Hunter says he doesn't follow Bryan Denlinger because 10% of what he says is wrong, so he can't follow him. Does that mean Hunter is 100% RIGHT? If not, **according to Hunter himself, we should NOT be following him.** If Hunter is wrong, then **according to his own admission DUMP HIM!** You can't let ANY leaven have ANY place he says, & he can't listen to other teachers he says (!!! Pride & arrogance). Hunter is a hypocrite. He goes as far as saying that his 'golden cow' in the Philippines, his favourite preacher will NEVER lead you astray!!!!!! He's 100% perfect according to Hunter. Hunter *worships* this MAN more than I *admire* Ruckman, how's that for hypocrisy?! He ONLY recommends ministries (Fontana & Jacoby) **who are NO LONGER ON YOUTUBE** – how's that for some insight. He says I keep saying 'man-alive' but if I had a pound for every time he said 'absurd' or 'ridiculous' I'd make a few quid. In his 4th video he's just said that he DOES read his Ruckman commentaries!!! **He's a liar, a hypocrite & a very unstable man** (Jam 1v8). He will say ANYTHING at ANY time to cover his tracks. Watch his videos & see all the contradictions, he just digs a bigger hole each time, it's sad.

Oh & by the way Mark, just to help you... *when you conclude, CONCLUDE!!!* In your 4th video about me, at 22.50 you are concluding *there...* but went on for *another* 22.54 minutes, this is what bores people & why you won't get a large following, it's LYING. If you conclude, CONCLUDE!!! Your hits go up when you attack TFT!, so if that helps you, keep it going.

(I've just heard Hunter say that he agrees now with Fake-Pfenny... Luke 23v12!!! **What did I tell you, he'll join the Hypers... & within 10 minutes he's done it!**)

He's concluded by saying that *everything* I've said about him is NOT true...

I rest my case. He's a narcissistic hypocrite.

A tragic case of self-delusion. He moans all the time about being lonely, yet HE is the problem!

(If Hunter continues to accuse Ruckman of being a racist, maybe we ought to get Ruckman's church involved & his friends, to see what *they say, including his black friends,* wouldn't that be interesting).

What a waste of time all this is, yet I guess it had to be done. I write a 23 line paragraph exposing Hypo-Hunter, & he produces **hour upon hour of video** on me. Imagine how long his next set of videos will be... weeks!

Incidentally, perhaps everyone who commented on his videos would let us all know which 'church' they attend?

Tribe 32	Crikey!! It's the Popular Front of Judea

Andrew Burns	Alejandro Darantinao jr
Ntswaki Madiba	Simon Andy (Simple-Simon as mentioned)
Kevin Williams	Samuel Johnson

Dave Matthews (Davey-boy)	

I'll hunch a bet, 95% of the above people who commented on his videos DON'T attend 'a church'. Says it all doesn't it.

Now here are two of the people who are referenced above & who have written the following regarding Mark's videos...

therobinfliesagain22 writes... Hey friend, I am thankful for your ministry; but I feel as though this has gone on too long. The evils that they are spouting are not good; but our business is not with them. **We are to be about our Father's business.** I love your ministry Mark **because it is very different; you are one of the few that tries to look to Jesus,** and not to men for their doctrines. Brother, I absolutely despise their pernicious teachings, but I love the Lord and have faith that He will do as He sees fit. God is good. If people want to be racist, let them be racist; if they want to be godly, I pray that you will help them along. I don't want to be rude, but I look forward to the days when I can hear your take on scripture, **instead of on Ruckman, his disciples, and their doctrines.** As a black person, I am thankful for your stance against their teachings, but I am more blessed when you go through the scriptures and focus on the truth, instead of their lies. God bless you Brother Mark, the name of Jesus is more of a blessing coming across your lips to those that hear you than these other men's names. **Now this guy, even though I wouldn't agree with some of his beliefs, has GRACE & seems a lovely guy. But will Hunter take counsel from him? You shall see in his next video, I guess.**

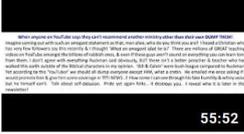

Tribe 32 writes... Mark it's a small group **Father see's the hearts** of those who profess to be his, **don't get caught up in the snare put it behind you move on don't give this man any attention. I heard you say before you don't get caught up in this type of backbiting..** We are in a fight Mark, it's a spiritual war, you're aware of this, Satan will attack and use Christians against us even our friends and family, it's sad how folks are weak minded and don't see they are being used by Satan or maybe they do and are the tares of the bible.

Again, his followers want him to quit attacking other Christians, but will Hunter listen & take counsel (Prov 11v14), or will his PRIDE take over & he'll continue? We shall see in his next video. This will show you how much he listens to counsel or whether, yet again, he will do what HE WANTS & make pretend to be humble.

Mark my words... he'll keep attacking because that's the kind of guy he is, his heart is rotten.

Closing comment – look out for **Dave Matthews** in the comments section (although he'll change his name soon to go undercover) & see what a *talebearer* he is. He's trying to incite hatred & discord among Christians (an 'abomination'). Does Hunter DELETE his comments? Of course not! Matthews runs to Hyper-Diaper-Ed straight away, then back to Hunter & anyone else he can, to spread his lies & discord (Prov 6v19). These 'men' are hypocrites, as I stated right from the start. **Just now...** I also received an email from a **Bryce Matthews** who is the most racist person who has ever emailed me. He said he lived in Belgium. He is so racist he's dangerous. If you ever come across him dump him. He said such vile things he ought to be reported. He thinks Jesus was white. Some of the maddest nastiest people I know *profess* to be Christians.

Mark said he averages about 100 views per video. When he's attacking Tft! it shoots up to over 500, & doubles his normal views with each video thereafter on average. **When he reads the word of God Psalm 23 it goes back to approximately 100 again.** This sums up Christians on YouTube. They are mainly interested in gossip, something new (Acts 17v21), scandal, arguments, debates, & negative stuff. When it comes to the word of God, not many are interested... how shallow & sad this really is. Hunter's followers are these kinds of people, full of gossip, talebearers, & 'Christians' wasting their lives.

Breaker-the-Date-Setter is at it 'Again'...

Less people are watching ol **Podgy-Breaker** these days, so he needed to do something in order to get another *influx* of viewers, so guess what, he said **the Rapture will be in 2019... like he said it would be in 2018, like he said it would be in 2017,** & the nonsense just goes on & on. He's had a few *too many chicken-wings again* & needs more money it seems. Breaker is a Hyper-Diaper. I used

to like him before he started all *that nonsense*. Now just to show you how easily led Christians are, look at the views of his Bible studies below after seven months of being posted. Now look at the views of his Rapture 2019 video!!! See what I mean? We all would love to see the Rapture happen this year, but we do

NOT use the Rapture as a way of getting more subscribers, more views & therefore more MONEY!!! (1 Tim 6v1-11, Ps 52v7, Phil 4v11, Prov 16v8, 18v11, 1 Sam 8v1-3, Mat 6v19-21, Prov 10v15...) Breaker is just another brat who uses Ruckman for 'gain' & then starts attacking him to try to show that he knows more & Ruckman was wrong. So many Christians do this, they learn from Ruckman, use him, & then they abuse, attack & call Ruckman a racist like Hunter did. With **243,000 subscribers**, I find it quite amazing that he only gets on average **3,700 views per video**, seems quite weird to me. **Why would 243,000 people sign up & subscribe, & then less than 2% of those people watch his videos?** Perhaps more Christians are seeing through him (& *there's a lot to see through!!!*) these days, makes you wonder doesn't it. When you start teaching that Jesus Christ WON'T save you because you *asked* Him to save you, you're through as a ministry! Chicken-wing KFC Breaker's time is up.

Bibles, Books, Tracts, CD's, & more...

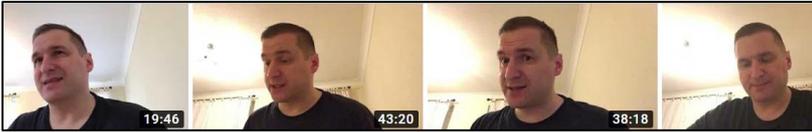

Since Christmas we have shipped out loads of parcels of Bibles, books, tracts, CD's, etc. all over the world. We can ship to any country. An elderly lady down south is ordering 500 'The Son I never was' tracts each time she places an order. It is so encouraging parcelling up tracts & Bibles to send out. Regarding our sermon CD's, Liz has taken on the job of creating a master-copy list in Excel, which will have every sermon that we have recorded at The Oaks Church. If you would like a copy of the list so you can choose specific sermons to order, just let us know. All CD sermons are FREE. Well done Liz!

Tracting the elderly...

Recently, while travelling around, we have been tracting homes of the elderly with our 'Growing Old' tract. I always think that this could be the last time these 'shut-in' elderly people will ever 'read' the Gospel. If you have an old people's home near you, I would highly recommend posting some of these tracts through their doors before it's too late. Reaching old people with the Gospel is such an important ministry. This booklet is designed with this generation in mind, so it's worth carrying a few of these around with you wherever you go, just in case you have the opportunity of leaving one in a relevant place. Some Christians specialise in reaching children & teenagers, others have a ministry with either men or women, but it's just as important to reach the older generation who are coming to the end of their lives. Even if you posted just five of these booklets a day, think how many people you could reach in a month/year.

Hypo-Hunter stung by Tft! News makes *even more* videos in response to my initial 23 page paragraph

Amazing isn't it, Hypo-Hunter really has taken my rebuke of him *very badly* hasn't he, he just can't stand **truthful** criticism. I think this is his sixth video on me, & now he is insinuating that I think he is *too young* to teach or preach, **another lie** I

hasten to add. I said that he criticised Ruckman by calling him a racist (**Ruckman is NOT a racist**) with his **10 years** of Christian experience (ask him what he has done for the Lord in those 10 years & see his fruit), compared with Ruckman's **60+ years** of studying the Bible (see the fruits of Ruckman in comparison). YOU compare the two, Hypo-Hunter with his whiny voice on YouTube telling everyone that they are wrong & he is the **ONLY** person who has got it right, compared to Ruckman... it doesn't bare thinking about does it. How many souls has Hunter led to the Lord, how many books, tracts, sermons has he produced? How many missionaries has he sent out? How many other ministries have *started* because of Ruckman etc? When it comes to fruit, *Ruckman's orchards* compared to *Hypo-Hunter's seedless grape*, you can understand what I mean can't you, yet this jumped up *fake-humility-punk* is still making videos about me, lying all the way through... I guess *that* is his 'fruit' (albeit corrupt, cankered, & rotten). I haven't commented on his other video's yet, *maybe I should start?* The boy needs to grow up & move on in life & do something useful for the Lord. I was told that as soon as he got back from the USA he couldn't wait to make a video about little old me! Makes you think doesn't it...!? **Those 23 lines must have stung him very hard, hit him hard, & penetrated his heart.** *You attack Ruckman by calling him a racist & expect people to just let it go?* You're fortunate that *others* haven't joined the rally, so beware, just in case you start lying about Ruckman & accusing him falsely again, *not everyone is as nice & sweet as me!* If you start pointing the finger, expect some retaliation, that's life. **Ruckman was NOT a racist!** (Hunter gets a kick out of being *controversial*... that's DUMB! *Just preach & teach the word???*)

What 'good' do you *think* you are actually doing? What is the *real* motive behind your decisions?

STOP & take a step back. Do you really think that you are doing something worthwhile for the Lord, or is it because it's personal to you? Are you changing people's lives by what you are doing? Really? Are you making a difference, & if so how? How would you measure the success by what you are doing? Are you one of these Christians who thinks *they* are doing right, but in reality, you are doing wrong (John 16v2)? You see, your heart is so deceptive & deceitful (Jer 17v9, Rom 7v18, Mat 12v34) that you cannot trust even your own self. Take Hunter for instance, he 'thinks' he is doing something positive when he attacks Ruckman, Denlinger, me etc. but in reality, his heart has deceived him & his pride has taken over. All he is doing is trying to destroy other Christians, rather than edify what they actually are doing for the Lord. Just because it's personal 'to him', he goes on the attack. Ruckman could have (but didn't) 99.99% of his doctrine right, yet because Hunter doesn't agree with him on the 00.1% *due to it being personal*, he attacks him. I could attack Hunter on loads of things that he is wrong about, personal & doctrinal, but I don't because it's not profitable at this stage. If he was harming others, or leading others astray, or 'getting personal', then *maybe* I'd fall into the same situation as he has done, but all that is, is immaturity (1 Cor 13). We could all go around picking & attacking each other, because none of us have got it ALL RIGHT, but what good would that do? If you can (Rom 12v18), take the good & leave the bad in everyone. Was the apostle Paul right on everything? Didn't David commit adultery & murder, yet Hunter still reads his books doesn't he? Look at Solomon's life, does Hunter read his books? That's why Hypo-Hunter is a HYPOCRITE! If it's personal TO HIM, he'll attack you. He's so pathetic that he keeps 'calling me out', as does his mentally ill handful of disciples, regarding race-mixing. What do I do? *I don't do anything*, & this drives them mad. His very small band of merry 'men' (used only as a descriptive word as none of them ARE real men) all want me to attack Bryan Denlinger. Do you know what I do? *I don't do anything*, & IT DRIVES THEM NUTS, they can't stand it, they foam at the mouth, they hiss & they slither all over the place begging me to expose Bryan, but why? What's their motive behind it all? If Hunter quits attacking Ruckman, I'll quit attacking Hunter, Capiche? We'll see what happens won't we. I am waiting for an apology from Hunter too, let's see what kind of a man the boy really is. Maybe this issue I ought to change the title from Time for Truth! to 'Time for Hunter!' Hasn't he been a naughty boy!!!

The Gap FACT! (Part TEN)

Continuing from the book 'The Gap Fact' by Perry Demopoulos...

Gen 1v2 **And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.**

"Darkness" as a shield or cover In Exodus and Deuteronomy and as in other places the darkness served also as a COVER (Job 22v13, 14) for human eyes so that people would not perish upon seeing that **"light which no man can approach unto"** (1 Tim 6v16). One must understand that there is no man that can stare at the sun on a bright day. Now how in the world would you think that man could look at God, Who is absolute "Light" in His essence? **"God is light, and in him is no darkness at all"** (1 John 1v5). There is no possible way! Therefore, God put a BARRIER between him and fallen man as a result of SIN on man's part. The word, **"thick darkness"** is also mentioned in 1 Kings 8v12. It has to do with merely a cover for man's eyes so that they will not perish upon seeing God. 1 Kings 8v12 says, **"Then spake Solomon, The LORD said that he would dwell in the thick darkness."** This verse is also repeated in 2 Chron 6v1.

Here we will list verses that deal with **"thick darkness"** – **And he made darkness pavilions round about him, dark waters, and thick clouds of the skies.** (2 Sam 22v12) **And thou sayest, How doth God know? can he judge through the DARK CLOUD? Thick clouds are a covering to him, that he seeth not; and he walketh in the circuit of heaven.** (Job 22v13, 14) Job 26v8 **He bindeth up the waters in his thick clouds; and THE CLOUD is not rent under them. He made darkness his secret place; his pavilion round about him were dark waters and thick clouds of the skies. At the brightness that was before him his thick clouds passed, hail stones and coals of fire.** (Psalm 18v11,12)

John Gill (1697-1771) (English pastor and theologian before Charles Haddon Spurgeon was pastor) says this about the verse, Which, and the dark waters in the next clause, are the same with the thick clouds in the last, in which Jehovah is represented as wrapping himself, and in which he lies hid as in a secret place; not so as that he cannot see others, as wicked men imagine, Job 22v13, 14; but as that he cannot be beheld by others;" That is the proper interpretation of the text for he mentions Job 22v13, 14 which reads, **"And thou sayest, How doth God know? Can he judge through the dark cloud? Thick clouds ARE A COVERING to him, that he seeth not; and he walketh in the circuit of heaven."**

The Biblical explanation of darkness and evil is that God doesn't say that darkness is good any more than He said evil is good for the last half of Amos 3v6 says, **"shall there be evil in a city, and the LORD hath not done?"** meaning the Lord allowed and created the evil to pass because of SIN on the part of Israel.

Not only that, Isaiah 45v7 says that **"[God CREATED] darkness"** not God IS darkness or that darkness was a part of God's creation as Hovind thinks, **"This then is the message which we have heard of him, and declare unto you, that God is light, and in him is no darkness at all"** (1 John1v5). When you accept His revelation you get light from Him; when you reject His revelation the result is God's judgment- DARKNESS! God is not darkness although He has the power to create it AS A RESULT AND JUDGMENT UPON SIN for God is light, absolute light and any sin brings upon it the judgment of God and darkness as a result of SIN. For another explanation of the darkness in Genesis 1v2 we quote Dr. David E. Walker, "The "thick darkness" that is associated with God (Exod 20v21; Deutv 4v11; 1 Kings 8v12; 2 Chron 6v1; Ps 18v8-11; and Ps 97v2) is not there because it is "good," but rather to divide between Himself and His sinful creation. To claim that the darkness is good because God created it ignores the purpose and intent behind its inception." (**The Bible Believer's Guide to Dispensationalism, p. 228**)

Absolutely correct! This is also explained by the fact that God divided the darkness from the light in Genesis 1v4. Not only that, the Lord shows the difference between "day" and "night" (Gen 1v18) in our solar system as a means through creation to show Who He is. The eternal Godhead is manifest through His creation. **"Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear"** (Heb 11v3). **"For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse"** (Rom 1v20). On Mount Sinai, Moses (Exod 20v21) **"drew near unto the thick darkness where God was."** This was the **"thick cloud upon the mount"** in which Jehovah was when he spake unto Moses there. The Lord dwelt in the cloud upon the mercy-seat (1 Kings 8v12) the cloud of glory. When the psalmist (Ps 97v2) describes the inscrutable nature of God's workings among the sons of men, he says, **"Clouds and darkness are round about him."** God dwells in thick darkness. Darkness (Isa 13v9+10; Mat 24v29) also is a symbol of the judgments that attend on the coming of the Lord.

We learn the past by added revelation; we can know the future by studying the past. Under the inspiration of the Holy Spirit Solomon wrote added revelation concerning the evil man, the Anti-Christ, **"When wisdom entereth into thine heart, and knowledge is pleasant unto thy soul; Discretion shall preserve thee, understanding shall keep thee: To deliver thee from the way of THE EVIL MAN, from the man that speaketh froward things; Who leave the paths of uprightness, to WALK IN THE WAYS OF DARKNESS;"** Who rejoice to do EVIL, and delight in the frowardness OF THE WICKED; Whose ways are CROOKED, and they froward in their paths" (Prov 2v11-15). Now there are some very important words here that are

absolutely necessary to make note of 1.) Note the singular “of the evil man.” This is prophecy of the Anti-Christ. 2.) Note the singular word “man” in italics added by the King James translators, which is added revelation. 3.) Note “DARKNESS” in verse 13. 4.) Notice that “EVIL” follows in the next verse. 5.) Notice that “THE WICKED” is in verse 14. The wicked are connected with “THAT WICKED” of 2 Thessalonians 2v7. 6.) Finally, notice that his way is “CROOKED.” They take after Leviathan (Isa 27v1).

All of this context is directly connected with the “darkness” of Genesis 1v2. The Book is eternal, with added revelation to help you understand the past. Unfortunately our dear brethren, have spent so much time and paper, cassettes, DVD’s, CD’s, etc., to prove their point about creation and the young earth, couldn’t figure out Romans 5v12. And because of that, they couldn’t figure out Genesis 1v2-5, where the words “light” and “darkness” occur – **“And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters. And God said, Let there be light: and there was light. And God saw the light, that it was good: and God divided the light from the darkness. And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day”** (Gen 1v2-5). The Book that takes you back before Genesis 1v1 is the Gospel of John. Its beginning is similar to that of Genesis 1v1-5, **“In him was life; and the life was the light of men. And the light shineth in darkness; and the darkness comprehended it not”** (John 1v4, 5). Jesus Christ is the light and light is connected with life. Where there is no light, there is no life. Where there is no light there is darkness. Darkness can’t figure light out. We note **Dr. Peter S. Ruckman** concerning John 1v5, “You now have coupled “LIGHT” with “LIFE” and thus have retreated way back to Psalm 36v9: **“For with thee is the fountain of life” in thy light shall we see light.**” You cannot “see THE light” unless you have some light from GOD so you can see it. It is the “word” that gives you the “light” to see “the light.”

“Thy word is a lamp unto my feet, and a light unto my path” (Psa 119v105). Note the original “match meet” (**“And God said, Let there be light: and there was light,”** Gen. 1v3) and notice that Paul’s “rulers of the darkness of this world” are in “high places” (Eph 6v12). In Isaiah 24v21 the AV of 1611 gives advanced “light” on these “high places” which no Hebrew scholar or Greek scholar could find in either Testament in the last 1,900 years; this darkness in “high places” is found ABOVE the stratosphere (Isa 24v21). That is why the expression **“and God saw that it was good”** is not to be found in Genesis 1v7 although every other day of creation is followed by that expression. There are “principalities and powers” in “heavenly places” far above any king, potentate, dictator, ruler, senator, prince, noble, chairman, Pope, or “secretary general” on this planet.” (**The Bible Believer’s Commentary Series p. 10**).

In scripture, all instances of obscuring the absolute light of God (Gen 1v2) or the light of the sun which brought consequent darkness, and the two past cases of floods (Gen 1v2+6-8) are revealed to be the result of judgment, not creation. Just stop and think for a moment. Here is the God of all creation in all His glory so bright, eternal and wonderful; that NO MATTER WHAT HE DOES, He does it PERFECTLY, RIGHTEOUSLY [for **“there is no unrighteousness in Him”** (Ps 92v14) GLORIOUSLY, for in Him is NO DARKNESS. **“God is light, and in him is no darkness at all** (1 John 1v5); for His absolute light is unapproachable – “LIGHT WHICH NO MAN CAN APPROACH UNTO” (1 Tim 6v16), WHO DOES NO SIN, for “IN HIM IS NO SIN” (1 John 3v5) AND CANNOT SIN, WHO HATES SIN, WHO DOING “ALL THINGS WELL” (Mark 7v37) created the heaven and the earth (Gen 1v1) PERFECTLY, and then for some strange reason (as the young earth ‘creationists’ think), up pops this earth that “WAS WITHOUT FORM, AND VOID; AND DARKNESS WAS UPON THE FACE OF THE DEEP.” Let’s take it a step further. Don’t leave me now! When God creates new heavens and a new earth (Isa 65v17) where there will be an earth that won’t be without form, and won’t be void, and there won’t be any darkness. Do you mean to tell me or any other person that has got any sense that the first time God created the heaven and the earth that he did it ‘the wrong way’??? OR THE EARTH JUST ‘HAPPENED’ TO BE “WITHOUT FORM AND VOID AND DARKNESS WAS UPON THE FACE OF THE DEEP” but the second time God creates the heavens and the earth they WON’T be without form and void and there won’t be any darkness? You mean God didn’t ‘do it right’ the first time but He’s going to do it a little bit different the next time. Right? Nothing like bringing God down to YOUR OWN LEVEL of thinking. That type of thinking resembles the thinking of an evolutionist. An evolutionist starts with ‘something’ that improves over a period of time. That is how it sounds with the anti-gap theorists. God started with something empty, void and dark and moved its way up by God creating it into something nice and full. THAT sounds like evolution!

Darkness and God’s Judgment on Sin and the Cross

What excuse are you using for NOT distributing tracts?

If it’s money, I’ll send you some **free** (UK ONLY). Have you posted a tract through every house down your street yet? If not, why not? You have a responsibility to reach the lost sinners where you are. Don’t wait any longer, just grab a handful of tracts & go for a walk. You don’t have to meet people or talk to people if you don’t want to, or don’t feel up to it, but leave tracts everywhere. Post them through letterboxes, pin them up on notice boards, leave them in dentist & doctor’s surgeries, leave them in bus-stops, in shops etc. EVERYWHERE you can, but sow the seed of the word of God & the Gospel wherever you go. Make it a priority that you do a few every day. Think of how many souls you could reach over the year. If you are not tracting, you better have a good reason to tell the Lord why you didn’t, seeing as tracts are so cheap, & it’s a great way of reaching lost souls for the Lord.

Why Fake-Pfenny (Hunter's new heretical friend) has never led a soul to Christ, & why he'll never be able to...

Oh dear, oh dear...**Moron of the Year Fake-Pfenny** is at it again. He has just produced a video about his ex-boyfriend *Chicken-Wing-Breaker* saying that Breaker doesn't understand the Gospel. The truth of the matter is this, **BOTH of these idiots DON'T understand the Gospel**. They blow *hot & cold* all the time. Poor ol Pfenny thinks that Jesus Christ won't save you *if you call upon Him to save you...*! The trouble with these two muppets is this, they play semantic games. (**Semantics** - *the branch of linguistics and logic concerned with meaning. The two main areas are logical semantics, concerned with matters such as sense and reference and presupposition and implication, and lexical semantics, concerned with the analysis of word meanings and relations between them. The meaning of a word, phrase, or text*). When I called upon the Lord to save me, I **TRUSTED & BELIEVED** that He would, because of what His word said. **Believing the Gospel & calling upon the Lord from a repentant heart, trusting in Jesus Christ to save me. He saved me, no matter what this idiot Pfenny says.** This is why Pfenny has never led a soul to Christ, he wouldn't know **how** to. There is NOT one single Hyper-Dispensationalist on planet earth who is a **soul-winner**. None of them, (Moore, Stam, Bullinger, Colic-Caldwell & sadly Lex now), not one, wins souls for Jesus Christ. They preach & teach a false *mental-ascent-Gospel* & then spend the rest of their time attacking those who ARE soul-winners. Jealousy & pride are interwoven in this cult. Rom 10v12-15 **For there is no difference between the Jew and the Greek: for the same Lord over all is rich unto all that call upon him. For whosoever shall call upon the name of the Lord shall be saved. How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher? And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things!** Don't ever let the Hyper-Diaper cult, talk you out of your salvation folks, which is what they try & do all the time. They preach a **works-based salvation** (but don't know it), & 'works' has NOTHING to do with the Gospel. This *mental-ascent-false-Gospel* was made up by their cult, only within the last 30 years. Only simple people who *can't think*, & who *wrongly* divide the Scriptures, will follow Pfenny, just look at the comments section for proof.

Jehovah's wife in the OT... taken from RRB

Isaiah 54v5-6 **For thy Maker is thine husband; the LORD of hosts is his name; and thy Redeemer the Holy One of Israel; The God of the whole earth shall he be called. For the LORD hath called thee as a woman forsaken and grieved in spirit, and a wife of youth, when thou wast refused, saith thy God.** The wife of vs 5-8 is NOT the Church, the Bride of Christ (Eph 1v22+23 cf. Eph 5v25-32, 2 Cor 11v2), it is Israel, the Bride of God the Father (v5). The passage is explained in Hosea 2. The Hyper-Diapers (Stam, Moore, Colic-Caldwell, Breaker etc.) confuse these TWO wives & make the New Jerusalem a Jewish city when it is not. The New Jerusalem is THE LAMB's 'wife' (Rev 21v9), NOT the Father's, so John 14v1-3 is for the Christian (Gal 4v26), NOT the Jew. *Rightly divide or wrongly join the Scriptures!*

Jeremiah 3v14 **Turn, O backsliding children, saith the LORD; for I am married unto you: and I will take you one of a city, and two of a family, and I will bring you to Zion:**

Hosea 2v19-20 **And I will betroth thee unto me for ever; yea, I will betroth thee unto me in righteousness, and in judgment, and in lovingkindness, and in mercies. I will even betroth thee unto me in faithfulness: and thou shalt know the LORD.** Also, if Jesus IS the Father, as some nutty Christians say, that would mean He has TWO wives, Israel & the Church (the Bride of Christ – Rev 21v9), which is bigamy, see how dumb that teaching is? Jesus is NOT the Father!

Words NOT found in the Bible

Have you noticed that these *super-spiritual* Christians who say that we should ONLY use Biblical words... DON'T! Words like car, toilet, electricity, or YouTube aren't in the Bible, neither is the word Bible IN the Bible, but they use these words. Again, these kinds of Christians are hypocrites. Modern day Christianity is producing arrogant pedantic Christians who like to draw attention to themselves, showing off to try to impress their followers.... *We're living in very strange times*. A nut calling himself '**Pope Cletus aka Robert Hill**' thinks that you should ONLY speak KJV words, yet he went on to say the following words... "*PDF up on your Browser/Tab, press Control F*". By the way, this is another Hypo-Hunter follower, & unfortunately a very *simple* one. There are many pathetic (used in the correct context) people in the world, & many of them live on YouTube because they CAN'T live out there in the real world, they just can't mix with other Christians, they have mental problems. God loves them, *we love them*, they're just weird. These are the sort of people who stay in their PJ's playing computer games all day, rather than get a job. It's us tax-payers who are *keeping* them. 1 Tim 5v8 **But if any provide not for his own, and specially for those of his own house, he hath denied the faith, and is worse than an infidel.** Many Christians over here in the UK are unemployed (some unemployable) & have quit on life. They will NOT work, & in so doing, stand *against* God & the Bible in this. All they do is sit on their computers, read books & attack other Christians, thinking that they have a ministry & are doing God service (e.g. Cletus, Breaker, Pfenny etc.). All they want is for YOU to support THEM financially... DON'T! DON'T send them one penny! These lazy hypocrites are a curse on the Body of Christ, & a terrible ambassador for our Lord (2 Cor 5v20). Have a read of 'Foxe's Book of Martyrs' & then have a look at Christians today... *it will turn your guts!* There is no comparison. Today we have effeminate namby-pamby Christian 'men' (Robert Hill) acting like girls calling each other 'out' & making videos about each other, this is persecution is it? Poor Robby needs to get out there & try to win some souls for the Lord instead of doing cartoon videos.

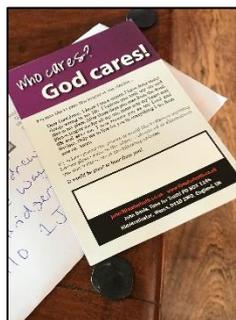

The Mormons – By Nathan Young

The Mormon beliefs are similar to the beliefs of the Jehovah's Witnesses which I showed in last month's newsletter, therefore please excuse any duplicates from last months which you will see below. There are different off-shoots/denominations with Mormons, so not every Mormon would hold to the below, however the majority will. Joseph Smith, the founder of the Mormon Church, testified one day that he would have his own Judgement Seat, like that of Christ's, where he would judge people once they entered Heaven. He, as well as Brigham Young, taught that men lived on the moon, and their ambition was to preach to the inhabitants there. If those do not ring alarm bells alone, then I don't know what will. My testimony and ministry is preaching against the Jehovah's Witnesses, however I do speak from time to time with Mormons on the street. For more help in tackling cults, please go to my website at www.JWanswers.co.uk or watch my teaching videos at www.YouTube.com/npjy83 - all verses below are from the King James Version, God's infallible word.

Is this your handwriting?

I received another complaint with this photograph attached, that's two just today. They wrote the following... *Dear John, with all respect any religion is a belief system it is up to the individual as to what they believe in. My religion is 40,000 years old and Is tried and tested, by using God and Jesus Christ you must be referring to Christianity. I find your attempts by sending me a leaflet addressed to me through the post offensive, as an **intelligent** person I am fully aware of all religions. I do not wish to receive any future correspondence from you or any company presenting God and Jesus Christ as the truth. I am not sure how you obtained my personal address and full name and I do not wish to know. If they are on any sort of database I would like you to remove them. The envelope was hand written which I will keep in case I need it in the future as a proof of harassment based on religion. Yours **sincerley**.* _____.

Below is a photo showing you what was sent through the post. Whatever you're doing seems to be stirring people up regarding the Gospel. Just be careful writing their names on the envelope. It may be better just to use their address without their name? Just a thought. **And yes, as an *intelligent* woman she spelt *sincerley* incorrectly** – Prov 16v18. I pointed out her mistake & suggested that she is also making *another* mistake by following the wrong 'religion'!!!

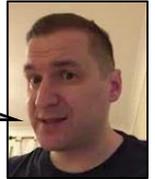

Read... **Prov 14v12, John 14v6, Acts 4v12, 1 Tim 2v5, Eph 2v18, Ps 36v9, Mat 11v27, Eph 4v21, John 5v39+40**

Little 'Boy-Wonder' aka Hypo-Hunter shows his *real*/heart! 'Extemporaneous Pontification Personified'!

If I had a *quid* for every time Hunter said "It's ridiculous, it's absurd!" I'd make a fortune! It was brought to my

It's ridiculous!
It's absurd!

attention yesterday that Hypo-Hunter has left a review about **The Oaks Church** attacking me 'again', you can see it here. Now this **coward** hasn't got the guts to face me directly, **or even contact me**, so instead he tries to hurt the Body of Christ (*just like the Devil does!!!*) by leaving nasty vindictive comments everywhere about me. He's done it here, & on *other* people's channels etc. he really is a cowardly punk isn't he. I didn't realise what a wimp this idiot is, he acts just like a little child who wants revenge when he has been told off, **or exposed as we have done**, for the **LIAR** he is. Now don't forget, all I did was write 23 lines

defending why Ruckman is not a racist, & exposing this idiot **for the liar he really is**. I viewed his channel yesterday & saw 'another' video attacking me, & a guy who stood up for me by writing an email to Hunter, & 'yet again', Hypo-Hunter goes mad telling everyone how he is right & every single Christian on planet earth is wrong. He went down the same boring whining line of insinuating *very directly*, how there is no one on YouTube, *not one single person he can recommend* other than himself. This egotistical shallow narcissistic self-deluded MORON is so full of his FAKE-Humility, that he is now on a course of self-destruction, watch & see. He tells the world how no one is supporting him, indirectly (directly) **BEGGING for money AS USUAL**, even though he has a job??? Now I wonder why he is NOT being *blessed* financially, spiritually or mentally? Have a guess! He complains ALL THE TIME, he moans ALL THE TIME, he whines ALL THE TIME, **he criticises ALL THE TIME**, he attacks people ALL THE TIME, he lies, & is the **epitome of hypocrisy** ALL THE TIME... now have a guess why he admits that he's finding life so tough? He says he has prayed for help & support for a LONG TIME but isn't getting any except one person!!! **Can you guess WHY the Lord isn't answering his prayers?** How come everyone KNOWS but Hunter? This self-deluded punk, just can't see how **wrong** he is can he? I don't think I have EVER come across such a person who is so opinionated & puffed up as this faker. I've just looked at his channel & I think there are at least six or seven videos attacking me, & all I did was write a 23 line paragraph. Imagine how many videos he's going to make now!!! I don't watch the idiot, but I know some of you keep an eye on him FOR ME, thanks. Just let me know if & when he uploads one about me, **& maybe I'll give it the same attention as I did with his first one**. If he gets personal, I will get personal, if he wants to play nasty & dirty, I'll oblige & play his little games. These types of hypocritical Christians are a scourge on the Body of Christ. They do NOTHING any good for the Lord, they are just parasites seeking self-glory, with no interest in living, serving, working or bringing HONOUR to the Lord Jesus Christ. Is Hypo-Hunter saved? I *think* he is. Is he an ambassador (2 Cor 5v20) or good example to others? He's pathetic; a coward & a liar, DUMP HIM! You'll never learn anything from him except how to whine, moan (Phil 2v14, James 5v9, Eph 4v29, 1 Cor 10v9+10, Num 11 etc.) criticise & point the finger at others – Mat 7v1-5. Look at the FRUIT he produces... (John 15v1-5) I rest my case. Incidentally, this really made me laugh... everyone who quotes Scripture against Hypo-Hunter ALWAYS takes it out of context HE SAYS, but when HE quotes Scripture, it is ALWAYS IN CONTEXT... he's a little beauty isn't he, what a guy! The ONLY church Hypo-Hunter can recommend he says, is one in the Philippines. Now just think about that for three seconds. Out of the tens of thousands of churches across the USA, UK, Europe & worldwide, the ONLY ONE Hypo-Hunter can recommend, is in the Philippines, **don't laugh please, HE'S SERIOUS!!!** Guess what nationality his wife is & what church she goes to? You got it! Cut Hunter in half & you'll find a putrid stench of arrogance & fake humility, encompassed by such a hateful, critical, self-deluded fallacy, that ONLY he himself believes. *It's not that Hunter can't see the 'wood for the trees', he can't even see the forest!*

Lastly, I was absolutely disgusted by one of his comments, he offended me in such a way that I may never recover, I could not believe my ears, it hurt me, upset me, took my breath away & was totally uncalled for, I was shocked to say the least, never has anyone said such a thing to me as this guy did... He said that I make *noises* like Ruckman, & said I *sounded* like a *parrot* on occasions, & everyone who knows me, **KNOWS, that it's a peacock, NOT a parrot!**

If ever there was a man who needs to change direction in his Christian life, it is Hunter, but will he listen to the Lord rather than his arrogant prideful ego? I doubt it. If this newsletter doesn't penetrate his hard, critical, proud, narcissistic heart, I doubt anything will. We shall all see by how he reacts to this.

(Next, he'll be telling us that the Mark of the Beast is an ink-pen splodge ON (Cf. Ezek 9v4 with Rev 13v16 (see NIV!!!)) your hands or ON our foreheads... **beware of the 'mighty'-Hunter** (Gen 10v9!!!))

Is Hypo-Hunter the new Pontiff? (See Pope-Hunter on page 20)

I mean, no one knows the Scriptures like Hunter, HE is the final authority on all matters of faith & practice!

You just can't help some people can you!?

You try to help some people, teach & show them the right way, whatever the situation is, & they still decide to do it their own way & it goes 'pear-shaped', as they say. Pride is a killer! No one likes arrogant people who think they know it all. If you are not teachable, & you don't listen to helpful comments & constructive criticism, then the ONLY person you will end up hurting is YOURSELF! I find this trait even in people I like, my friends... & in me, which I detest! Prov 16v18 **Pride goeth before destruction, and an haughty spirit before a fall.** Prov 18v12 **Before destruction the heart of man is haughty, and before honour is humility.** Prov 11v2 **When pride cometh, then cometh shame: but with the lowly is wisdom.** When was the last time you made a poor or wrong decision, then owned up to it & apologised? Consider this for next time.

A nutty loud-mouthed self-righteous woman just emailed me...

As you know, I get weekly emails *good & bad* due to the amount of literature & information we put out. Recently I received several emails from a nutty loud mouth Christian woman who wanted me to *stop* selling Ruckman's books because of his stance over 'abortion' she said. She said it's an *abomination* in the eyes of God. I asked her what else does God view as an abomination? She suddenly went quiet. Here are a few abominations, that like her, YOU may be committing! *Are you perfect?* **John 8v7.** As always... *take the good & leave the bad.* This nut-bar-woman said Paul Washer was a better Bible teacher than Ruckman... I kid you not, she was serious.

Lev 18v22 **Thou shalt not lie with mankind, as with womankind: it is abomination.**

Lev 20v13 **If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall surely be put to death; their blood shall be upon them.**

Deut 7v25 **The graven images of their gods shall ye burn with fire: thou shalt not desire the silver or gold that is on them, nor take it unto thee, lest thou be snared therein: for it is an abomination to the LORD thy God.**

Deut 7v26 **Neither shalt thou bring an abomination into thine house, lest thou be a cursed thing like it: but thou shalt utterly detest it, and thou shalt utterly abhor it; for it is a cursed thing.**

Deut 25v16 **For all that do such things, and all that do unrighteously, are an abomination unto the LORD thy God.**

Deut 27v15 **Cursed be the man that maketh any graven or molten image, an abomination unto the LORD, the work of the hands of the craftsman, and putteth it in a secret place. And all the people shall answer and say, Amen.**

Prov 3v32 **For the froward is abomination to the LORD: but his secret is with the righteous.**

Prov 6v16-19 (Read these verses!!!) **These six things doth the LORD hate: yea, seven are an abomination unto him:**

Prov 11v1 **A false balance is abomination to the LORD: but a just weight is his delight.**

Prov 11v20 **They that are of a froward heart are abomination to the LORD: but such as are upright in their way are his delight.**

Prov 12v22 **Lying lips are abomination to the LORD: but they that deal truly are his delight.**

Prov 15v8 **The sacrifice of the wicked is an abomination to the LORD: but the prayer of the upright is his delight.**

Prov 15v9 **The way of the wicked is an abomination unto the LORD: but he loveth him that followeth after righteousness.**

Prov 15v26 **The thoughts of the wicked are an abomination to the LORD: but the words of the pure are pleasant words.**

Prov 16v5 Every one that is proud in heart is an abomination to the LORD.

Prov 17v15 **He that justifieth the wicked, and he that condemneth the just, even they both are abomination to the LORD.**

Prov 20v10 **Divers weights, and divers measures, both of them are alike abomination to the LORD.**

Prov 20v23 **Divers weights are an abomination unto the LORD; and a false balance is not good.**

Prov 28v9 **He that turneth away his ear from hearing the law, even his prayer shall be abomination.**

Ezek 18v12 **Hath oppressed the poor and needy, hath spoiled by violence, hath not restored the pledge, and hath lifted up his eyes to the idols, hath committed abomination,**

Luke 16v15 **And he said unto them, Ye are they which justify yourselves before men; but God knoweth your hearts: for that which is highly esteemed among men is abomination in the sight of God.**

Rev 21v27 **And there shall in no wise enter into it any thing that defileth, neither whatsoever worketh abomination, or maketh a lie: but they which are written in the Lamb's book of life.**

This is why people like *idiot-Hunter* & this *nut-job-woman* are just *self-righteous bigots* who think they are right & we should all just listen to THEM! I don't agree with quite a few things Ruckman stood upon, but I take the great stuff & leave the rest. I never stated that I *ever* agreed with him on *everything*... I take the GOOD & leave the so-called 'bad'. Hunter dismisses EVERYTHING because of one or two things, & then turns around & ATTACKS Ruckman over the things he disagrees with. This nutty woman does the same. That's the difference between us. I am much more loving, tolerable, understanding, caring & beautiful, than these hyenas. I have a lot more GRACE!!!

Encouraging email...

'Yesterday I completed the reading of the Christian Soldiers Battle Notes, a very long haul indeed. I found the chapter on the Hyper Diapers very interesting indeed...' Have you read the **Christian Soldier's Battle Notes** yet?

Scoffers in the last days...

Every dispensation has its 'last days', & today in the Laodicean period called the 'Church Age', we are also in the 'last days' preceding the Rapture. In 2019, we are extremely close to the return of Jesus Christ.

2 Pet 3v1-5 **This second epistle, beloved, I now write unto you; in both which I stir up your pure minds by way of remembrance: That ye may be mindful of the words which were spoken before by the holy prophets, and of the commandment of us the apostles of the Lord and Saviour: Knowing this first, that there shall come in the last days (2 Tim 3v1-7, 1 Tim 4v1) scoffers, walking after their own lusts, And saying, Where is the promise of his coming? for since the fathers fell asleep, all things continue as they were from the beginning of the creation. For this they willingly are ignorant of...** The Church isn't teaching much about the Rapture & the return of Jesus Christ, because it's taken its eyes from off the Lord & is now focusing on 'social justice' & the 'rights of the common people' instead. It professes orthodoxy while entering into apostasy. This is one of the greatest SIGNS that we are IN the 'last days'. People like chicken-wing-Breaker (the new Harold Camping) are doing damage to the Body of Christ because they keep setting 'dates' for the Rapture. Listen, the Rapture could happen NOW, get that! I'm expecting the Lord anytime NOW!

2 Cor 11v13-15 **For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ. And no marvel; for Satan himself is transformed into an angel of light. Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works.** Like I keep saying, oftentimes, it's about motive. WHY, are you saying or doing that? What's your motive behind it? Set a date & your subscriber list radically increases along with MORE MONEY for you! Is that your motive? The world is scoffing at us Christians because of people like Camping & Breaker setting DATES! We do NOT know THE DATE of the Rapture so stop guessing. The Lord Jesus Christ could return anytime NOW!

Another 'sign of the times' is that people (Christians & non-Christians) will NOT endure SOUND doctrine (including also evolution, Calvinism, Hyper-Dispensationalism, tongue-speaking etc.) 2 Tim 4v1-5 **I charge thee therefore before God, and the Lord Jesus Christ, who shall judge the quick and the dead at his appearing and his kingdom; Preach the word; be instant in season, out of season; reprove, rebuke, exhort with all longsuffering and doctrine. For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears; And they shall turn away their ears from the truth, and shall be turned unto fables (evolution). But watch thou in all things, endure afflictions, do the work of an evangelist, make full proof of thy ministry.** Do you know what your ministry is? Are you actively involved in a ministry? Time is running out, get busy for the Lord before it's too late!

Is it worth it? How do you measure success?

What is *success* to you? What is *success* to God? I wonder if He sees things differently to you? Shouldn't we want to please God above all else? So why don't we? Does God want you seeking a 'career' to bring glory, money & prestige to *yourself*? Remember those 10 vanities in Ecclesiastes? (See Tft! issue 51 pages 2+13) Is that His will for your life? If it isn't, what is? **But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.** Mat 6v33. There is nothing more satisfying, that brings contentment, than knowing you are in the will of God. Do you sleep well at night? If not, why not? Could it be that you know you're not living as the Lord wants you to live? The temptations of this world are very enticing aren't they – 1 John 2v15-17, James 4v4. Is it time for you to change direction in life? Don't let the Devil steal your time, energy, talent, mind & heart (John 10, 2 Cor 4v4), use everything you have for the Lord (Rom 12). There is no one like the Lord Jesus. He's our Saviour, best friend, & someone not only can you trust implicitly, but one who will never let you down... He's worth living for!

And seekest thou great things for thyself? seek them not...

Jer 45v5

Definition of the word 'Vanguard'...

'A group of people leading the way in new developments or ideas. The foremost part of an advancing army or naval force.' It's an interesting word & one that you only hear occasionally. Are you a leader or a follower? Are you a good team player, or do you like to be isolated from the team? I want to be part of a group who are leading the way for the Lord, doing His will, trying to get as close to Jesus Christ as possible, & acting like a true Christian soldier (2 Tim 2v3, 2 Tim 2v4). I get encouraged when I see Christians united together as a team working & serving the Lord. I want to be part of that. Isa 59v19 **...When the enemy shall come in like a flood, the Spirit of the LORD shall lift up a standard against him.** 1 Tim 6v12, 2 Tim 4v7. How are you helping to fight the enemy? Are you 'friend or foe?' (Prov 27v6). What's stopping you, what is hindering your Christian walk? (Gal 5v7).

What are you learning from the sermons you listen to?

Think of all the sermons you have listened to. What have you learnt from the preaching, especially of late? Are you putting into practice what you hear or is it *just another sermon*? We were talking about this in the car the other day, & asking what do we *really* get out of every sermon, it was an interesting conversation. When we sit under the word of God as it is preached, we should all be asking the Lord to speak & minister to us, & change us to be the people that He wants us to be, shouldn't we? How have you changed over the last six months because of the preaching of the word of God?

Tracting in London...

We visited London on business recently & as usual, it was mad! London is a crazy place, exciting, intense & fast moving. We're thankful to the Lord that we only visit there, as we'd never like to live in such a place. In-between calls we were able to post quite a few tracts through letterboxes of some incredible houses. May the Lord break through into their chaotic world down there.

Do you keep your word?

Do you keep your promises, or do you break them? It's easy to say "I'm going to do this or that..." & you DON'T DO IT!!! Are you like that? Too many Christians PROMISE things & then DON'T deliver. You'd be better to keep your mouth shut rather than break your word. Rom 13v8 **Owe no man any thing, but to love one another: for he that loveth another hath fulfilled the law.** Num 30v2 **If a man vow a vow unto the LORD, or swear an oath to bind his soul with a bond; he shall not break his word, he shall do according to all that proceedeth out of his mouth.** Ecc 5v4 **When thou vowest a vow unto God, defer not to pay it; for he hath no pleasure in fools: pay that which thou hast vowed.** I have found in my 48 years of life so far, that there aren't many people you can really trust sadly. Satan knew man way back... **And Satan answered the LORD, and said, Skin for skin, yea, all that a man hath will he give for his life.** Job 2v4. Man will promise mountains yet deliver molehills! Are you a man of your word, or a liar, deceiver & untrustworthy? When was the last time you promised something & didn't carry out that promise?

Witnessing to a customer...

Yesterday we had the chance to witness to two customers while we were in an appointment. One was from New Zealand & was going through a very hard time. She told me briefly her life-story & at this point in her life she was struggling. I was able to give her the Gospel along with some booklets which she accepted, said she would read, & then email me. The other lady in the office also listened well & took two booklets. It was an appointed time & thank the Lord we used the opportunity for Him.

Prisoner update

We are now sending Bibles, tracts & books to prisoner family members to take into Prison. Hopefully this will work much better, & we shall be able to get some KJV Bibles into prisoners' hands along with some Gospel tracts etc.

The Oaks Church

It was lovely to see our friend Karl at the Friday night meeting. Please pray for him as he has some challenging decisions to make soon.

Tft! Web-Shop

Stocks are good & orders are coming in weekly, even daily at times. Dee & I sent out 20 parcels yesterday which was very encouraging. **Ruckman's hardback Study Bible** is selling very well. We are nearly out of **'The Christian Soldier's Battle Notes'** & shall be re-ordering this again soon as the **third** edition, which will include a few extra 'bits & pieces'. I get so encouraged when I see so many people ordering Gospel tracts. I love just parcelling them up & sending them out thinking about the possibilities & opportunities they have, & where they'll end up going. We pray that people read them & souls shall be saved.

Donna's health

The little piglet isn't doing too bad at present. We just pray that the rheumatoid arthritis has now burnt itself out. The damage has been done, & even though it's irreversible (unless the Lord heals her), she will have to live with limited movement & slight pain every day. Please pray for Donna that she will not get any worse. She can cope as she is. Thank you Lord for looking after her.

YouTube as usual...

None of the idiots are stopping or listening. Hunter is still making his videos & mentioning me as often as he can it seems. He's being *monitored* at present by a friend who keeps me posted. Yesterday another load of old drivel spewed out of Hypo-Hunter's mouth against me, all because he can't take criticism, just like Pfenny. It's disappointing to see a young man like this being led of the Devil to keep making videos attacking everyone he can. He says he's going 'after' certain people... very Christian isn't it... how about 'going after' lost sinners instead? He certainly isn't following the word of God & is a terrible ambassador for the Lord. None of the apostles or disciples did what Hunter seems to think is 'right', attacking other Christians. His one stringed fiddle makes a terrible sound doesn't it? '*Inter-racial-marriage*' is one of the only tunes he knows, other than '*Destroy Denlinger*' & '*Gossip, name call & spread discord*', they too seem to be a couple of his favourites. The poor boy has lost the plot & is headed down a very lonely road indeed. His lack of friends is down to his arrogance & fake-humility. He wonders why nobody wants to meet up with him, but can't see his own faults & sins, it's a shame, as he NEEDS friends, & people who will help him. I've tried, Barry's tried, along with many others, *but he knows best* sadly. He'll never learn. Pray that this issue of **TFT! NEWS** will wake him up so he can see where he is going wrong, & change direction for the 'good', FOR THE LORD!

What a great couple of verses...

Acquaint now thyself with him, and be at peace: thereby good shall come unto thee. Job 22v21. Are you at peace? Do you sleep well at night? **Thou wilt keep him in perfect peace, whose mind is stayed on thee: because he trusteth in thee.** Isa 26v3. Are you trusting in the Lord or trying to work things out yourself? Is your life full of turmoil & problems? Maybe it's time you trusted in the Lord more - **It is better to trust in the LORD than to put confidence in man.** Ps 118v8. If you are fighting against the will of God you'll never be happy or content. Do you know what you *should* be doing? Then do it! Are you involved in something you know you shouldn't be? Then stop it. Talk to the Lord about everything.

Who can you talk to apart from the Lord?

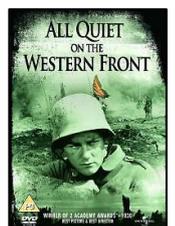

Who is your closet friend apart from the Lord? Who can you turn to, talk to, in times of trouble? Who really cares, understands & listens well in your life? Do you take advice from them? And what about you, are you a good support, listener & help to others? Aren't we all travelling along life's highway together, trying to work it all out & do the right thing? Shouldn't we be a help & support to one another rather than a hindrance & stumbling block? I wonder how many people you have helped down through the years, stop & think about that for a while. Do you feel ashamed or encouraged on reflection? How could you help more people? What can you offer to help others? It can be a lonely walk at times can't it, & much of that is down to the way we treat each other. If you haven't got many friends, who's fault is that & why? As Christians, we should be full of love & support for one another, but for some reason, in this apathetic era we're living in, very few people care about others, I guess it's a sign of the times.

Problems 'in church'...

Where there's people there's problems. The more people the more problems (Isa 5v8), hence why crime is so high in cities compared to villages. It's the same with church & people that attend. We are all individuals with different backgrounds, different cultures, ideas, goals, etc. (Ps 133v1 – It's interesting that the word 'unity' occurs three times in Scripture). When we meet up together at each meeting, we should do all we can to leave the flesh, our problems, the mundane, our bad characteristics etc. outside, & come to sit under the ministry of the word of God & worship the Lord. Church is not the place to bring in the world, you can do that anytime outside. We should be prepared when we come to meet together, our attitude should be right. True Christian fellowship is a wonderful thing & we need to help & minister to each other. Leave your arguments, debates, disagreements & disappointments at the door & seek to edify the body of Christ - Eph 4v29, 1 Thes 5v11. We've all got our problems, even with each other, but when we come together let's lift up the Lord above all else. When we meet on a Friday evening, it's like a little oasis in the desert. We feed on the word & rejoice in the Lord & forget about the worldly & carnal stuff. 'Friday night church' sets us up for the weekend, & 'Sunday morning church' sets us up for the week. What are you bringing to your local church as a member? How are you helping & how much do you get involved? Here at The Oaks Church, everyone plays their part, which is very encouraging & wonderful to see how each person is actively involved.

All Quiet on the Western Front Film... 1930

Originally it was a novel by **Erich Maria Remarque**, a German veteran of World War I. The book describes the German soldiers' extreme physical and mental stress during the war, and the detachment from civilian life felt by many of these soldiers upon returning home from the front. We recently watched this film again, & it was very moving indeed. When you *compare* what men & women went through from all sides during WW1 & WW2, with the idiots we see on YouTube (Pfenny, Podgy-Breaker, Andersnake, Hunter etc.) is it any wonder why the church today is so full of effeminate Christians who know nothing about **being a man** & how to live for the Lord in such an evil world. What Christian role-model 'men' do we have today who will stand up & be counted for Christ? What Christian SOLDIERS do you know, who fight for the Lord no matter what?

If you don't talk, how do we know?

If you have a problem, talk! **Talk to the Lord first**, then to your Christian friends. Don't expect anyone to know & understand what you are going through *if you don't talk*. Too many Christians are bottling things up & trying to get through tough times alone & it's only destroying them. We all need help at times, so talk. Don't let pride get in the way, **talk!**

Has Tft! NEWS changed over the years?

Yes, is the answer to that question. Why? Because the church & Christians have changed, that's the simple answer. Jude tells us to... **earnestly contend for the faith which was once delivered unto the saints**. Jude 1v3. We're in a warfare (1 Tim 1v18, 2 Tim 4v7), it's a fight to combat the errors that are coming into the church, which weak Christians are falling for. Not only are we trying to reach the world with the Gospel, but Tft! is standing up for TRUTH, & against the errors we see that so many Christians are following, e.g. Hyper-Dispensationalism, Calvinism, 'Signs & Wonders' for today, the Trinity is a Catholic doctrine, 'asking' is 'working', to name just a few. England is in a very sad state today, & it's only a glimmer of what it once was & stood for. Like all nations, we have sold ourselves short, & allowed 'anything & everything' to corrupt us. **It's too late to save our nation**, it's sinking fast, but we can have one last push to reach as many lost souls as we can with the Gospel, before the Rapture. I'm not into 'politics' or politicians, I don't believe any of them seek the Lord's will above their own. I'm standing upon the word of God, asking the Lord to guide me to do His will, that's all – Rom 12v2, Eph 6v6, Col 4v12, 1 Thes 4v3, 1 Thes 5v18, 1 Pet 2v15-17, 1 Pet 4v2+19, 1 John 2v17. If Tft! is too *negative* for you, just come off the mailing list. I am so saddened for our country & for the way the world has turned it's back upon the Lord Jesus Christ.

Another day of life...

I never take for granted that I'll have *another* day of life, I appreciate *every day* the Lord gives me. Since my two major operations (hip-replacements) over the last five years, I cannot tell you how many times I have thanked the Lord that He has allowed me to keep walking. I absolutely LOVE life & I'm so thankful for each day He wakes me up. Personally, I try to live for the Lord *throughout* the day, talking to Him, asking Him to help me in everything I do, to teach me the Scriptures, change me to be the person that He wants me to be etc. 'Spiritually' I hate the sin in my life, although my 'flesh' loves it (Eph 4v17-22, Rom 7v14-25, Rom 13v11-14, Gal 3v27, Col 3v10, 2 Cor 5v17, Rom 8v9, 1 Cor 15v45-50, Rom 6v14, Col 2v11, Col 3v5+9, 2 Cor 7v1, Rom 6v18-23, 1 Thes 4v7), & I try to do what is right, even though I fail oftentimes. If the Lord gives me 'tomorrow', I'll do all I can to live it for Him.

Thank you as always...

Over half way through **March** already can you believe!? We'd like to thank everyone as always, who stands with us, prays, supports & encourages us in this ministry. It's been a good start to the year so far, which we give thanks to the Lord for. We are hoping to achieve a lot for the Lord this year. We would encourage all of you to keep reading your Bibles as often as you can (Mat 4v4), pray without ceasing (1 Thes 5v17), & be the best ambassador you can for the Lord (2 Cor 5v20). Distribute tracts everywhere (Ps 68v11, Prov 11v30, Ps 126v6, Luke 8v11), leaving them in every place you can think of, including all the places you visit, as you never know who will pick one up. Write letters & emails regularly, encouraging other Christians in their work, & if possible, write letters to all your unsaved relatives including a Gospel tract, do it anonymously if you need to. I would be happy to post tracts to anyone on your behalf, as I understand how hard it can be, to reach those who are closest to you, let's help each other. Listen to as many sermons as you can, whether it's in the car, at bedtime, throughout the day on your iPod, however, but saturate yourself in the word of God (Ps 119v9). If you would like some free sermon CDs just let me know. Don't waste time (Eph 5v16), use it wisely & for the Lord. Are you spending too much time on yourself & things that don't really matter & will only get burnt up at the Judgement Seat of Christ (1 Cor 3v11-15)? Ask the Lord to help you love & care more, to forgive & have compassion on those who need it. Don't judge too quickly, make sure you do as the Lord wants you to do. Give your best to the Lord & ask Him to bless your every effort. Ask Him to guide you in every decision you make, & don't act irrationally, stop, pause, think, pray. Be generous & thankful at all times, don't hoard money & possessions, use everything you can for the Lord & His work. Provide for your family (1 Tim 5v8), work hard & don't quit. Know when to stop, in the Lord's time. Make sure you take time out to rest (Mat 11v28-30, Mark 6v31, Heb 3v19, 1 Pet 5v7). Do the work of an evangelist at all times (2 Tim 4v5), don't miss an opportunity, but use it to point people to the Lord & His word. Don't be proud, arrogant or show fake-humility. Don't be an attention seeker, getting in moods when you aren't getting the attention. Grow up, spiritually mature (1 Cor 13) & overlook the faults/sins of others (Prov 10v12, Prov 17v9, 1 Pet 4v8); don't be a gossip. Don't get me wrong, it's hard to live as a Christian, but it's certainly worth it. Our number one goal in life should be to please the Lord Jesus Christ above all else. Everything else will fit into place if we do that (Mat 6v33, Col 1v18). We don't get a second chance at life so make every day count & get the most out of each one. Enjoy life, live it to the full. Make changes if you need to, but make sure you seek the Lord before anything else. Make sure you look after your friends & make some new ones if you can (Prov 18v24), don't try to go it alone & isolate yourself. Christian fellowship & friendship is vital, especially in today's nasty world. Learn to discern between right & wrong (Heb 4v12, 1 Kings 3v9+11, Heb 5v14, Mat 16v3). We have a lot to learn folks, remember that. Never give up.
