

## ALCOHOL ISN'T HEALTHY

On June 1 2009 Air France Air Bus Flight 447 crashed. All 228 on board died<sup>6</sup>.

But 22,000 die from alcohol each year in the UK<sup>5</sup>. That's almost TWO Air Bus crashes in the UK a week!

Alcohol is legal *but it sure isn't law-abiding!*

According to the US Supreme Court<sup>7</sup>

*"Alcohol tends to idleness, disease, pauperism and crime."*

What are *you* tending to?

Beware the end result<sup>8</sup>:

***"Their wine is the poison of dragons, and the cruel venom of asps"***

Deuteronomy 32:33.

You can ask God for a better result, far better than rehab:

***"Create in me a clean heart, O God; and renew a right spirit within me"***

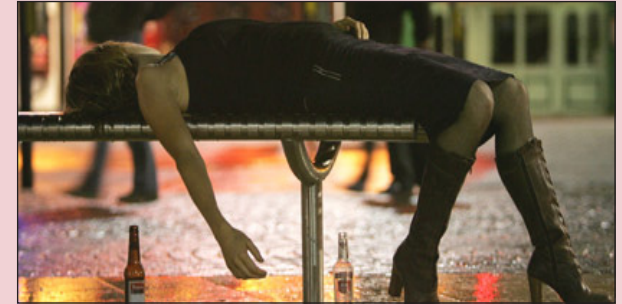

Psalm 51:10. DON'T DELAY!

# ALCOHOL AWARENESS

## Reclining Ladette<sup>1</sup>

Is she your daughter / sister / girlfriend / mother / You?

Or maybe you're a lager lad who likes a fight?<sup>2</sup>

Or sex in the street<sup>2</sup>? Whatever...  
Here's your little liquor god that makes it happen<sup>2</sup>:

*This is your life* - in a can!  
And here are some of the people who have to clean up after you.  
Even if it is their job, you still owe them a debt of thanks.

*Police*<sup>2</sup>...  
Be thankful they'll protect you.  
Muggers/rapists won't.

*Paramedics*<sup>3</sup>...  
Be thankful that you're in their professional hands.  
And for whoever's hands were steady enough to dial 999 for you. What's more...

## ALCOHOL ISN'T 'COOL'

One historical source states<sup>4</sup>  
*Pubs often displayed the sign:*  
*'Drunk for a penny, dead drunk for twopence, clean straw for nothing'...*

The same source states further that *one contemporary social reformer declared there were only two means of enjoyment for the poor - sex and alcohol. And drunkenness was by far the more attractive of the two as it was cheaper and its effects more fulfilling...*

That was in 1830! Drink den owners haven't changed. To them you're just a swill bin who swells their profits! So they'll set 'em up<sup>5</sup>. And you.
