

## **Social Committee Report for 2020**

The Social Committee in 2020 comprised six members of the congregation: Gail Chipperfield, Cliff Golledge, Phil Gower, Michelle McGannon, Louise Roulston and myself as Chairman. We would normally meet twice a year to formulate a diverse and hopefully enjoyable programme of social activities. We last met in December 2019 and formed a plan for activities in 2020 which included a Grub Club, Lunch Club, all-age Beetle Drive with Fish and Chips, all-age board games at DICE on Albert Road, a men's and boys' minibus trip and our annual Midsummer Mystery Meal – all of which were, of course, scuppered by the pandemic restrictions.

However, we managed three social activities before the shutters came down! Some church members were able to go on the New Year's Day walk along the sea front; we had a Chinese Grub Club at the Noble House and a ladies' tea and cake afternoon at the D-Day Story café in February, and in March we held one of Gail's 'Orrible 'Istories evenings in the church centre.

Time will tell when and how we will be able to meet socially again – but we certainly will!
