Follow The Star: Bradford Cathedral invites you to their concerts, events and services this Advent season

The 'Star in the Tower' at Bradford Cathedral will be officially switched on at 3:30pm on Saturday 30th November as people gather for the city's Lantern Parade, which will start at the cathedral and move through the city of Bradford to the City Park as part of a day of events organised by Bradford Council including a Christmas Fayre and Lantern Making Workshops.

People have been invited to visit the Broadway shopping centre to a special lantern workshop over the morning and early afternoon run by Cecil Green Arts, a collective of artists, puppeteers, musicians and circus performers. They can then bring these lanterns to Bradford Cathedral from

HOSPITALITY. FAITHFULNESS. WHOLENESS.

3:30pm to take part in the parade, which will include live music and other attractions, as well as seasonal refreshments, which will leave from the cathedral grounds around 4:30pm.

The 'Star in the Tower', which is supported by Bradford Council, has been designed to reflect the Church of England's 'Follow The Star' campaign and will be lit up during the Advent and Christmas season to encourage people to either discover the cathedral for the first time or re-visit, by attending one of the many concerts, events or services during the month, as well as to explore the cathedral, take part in the Sparkling Bradford selfie challenge or to enjoy some peace and tranquillity in the heart of Bradford.
