PRESS RELEASE

Contribute to the district's Vision 2040 at the next Flourishing City at Bradford Cathedral

As part of its 'Flourishing City' programme Bradford Cathedral invites you to a consultation on what you want to see from the district of Bradford in 2040.

Members of the public and the cathedral's own congregation are invited to offer their thoughts on the topic, with all feedback gathered at the consultation sent to Bradford Council.

The consultation will take place on Sunday 9th February from 12noon with an introduction by the Very Revd. Jerry Lepine of Bradford Cathedral, and will also be preceded by refreshments.

The Very Revd. Jerry Lepine, Dean of Bradford:

"Bradford needs a vision for its future. Over the last few years the cathedral has been working with council and civic leaders to reflect on areas of fresh thinking for District life.

"This consultation is part of the council's long-term thinking and planning for Bradford and we invite you to be part of this.

"At the end of the consultation, opinions will be reported back and be built into the bigger picture for the future of Bradford in twenty years' time.

"Please come along and give us your input."
