Table Top Descriptions

Edible donkey poo

'Jesus found a donkey and rode on it, just as the scripture says,' John 12: 14
Jesus rode into Jerusalem on a donkey. Donkeys are known for their reliability, strong backs and feet.

Talk about why Jesus chose a donkey instead of a handsome horse, fit for a king?

Palm Praises

In Bible times the palm leaf represented value and luxury. The palm tree was a necessity and produced dates, coconuts, coconut milk, sugar, flour, mats, brooms, baskets, thread, ropes, butter and soap. The people in Jerusalem cut down branches and laid them before Jesus shouting 'Hosanna!'

Talk about whether the people of Jerusalem were welcoming Jesus because he was going to save them or because they saw him as the Messiah.

Fig Bibles

It is believed that Jesus ate figs on the way into Jerusalem on Palm Sunday. Make a Bible from a fig roll to remind you of the importance of Palm Sunday.

Squonks

Talk about the noise from the crowds as Jesus entered Jerusalem. They shouted and waved and greeted Jesus loudly. Make an instrument to praise Jesus with.

Donkey Hobby

In Jesus' day donkeys were used by working labourers and landowners alike. Jesus would have been riding at equal level among the crowd rather than above and through the crowd.

Talk about how it was not glorious being a donkey but respected as a trusted animal, faithful and strong. Can you carry Christ in your everyday lives?

Cloaks on a Plate

'A large crowd of people spread their cloaks on the road while others cut branches from the trees and spread them on the road.' Matthew 12:8

In Jesus' time people wore cloaks to protect them from the hot sun rays and also the colder nights and winds. It was a cloak of protection.

Talk about how Jesus may have felt when people honoured him by taking off their cloaks and placing them on the ground before him.

Palm Sundaes

The people of Jerusalem were overjoyed to see Jesus. Create a Palm Sundae to celebrate this important occasion. The green jelly reminds us of the palm leaves and the biscuit reminds us of the dusty road.

Hearts of nails

Palm Sunday is at the start of Holy Week. By Good Friday the people of Jerusalem will have become angry with Jesus and wanted him crucified on the cross.

Talk about how much love Jesus has for us even though he was killed on the cross. He forgives our sins and we can love him forever, as he loves us.

Prayer banner

The people of Jerusalem saw Jesus as their king and were full of joy and high expectations on Palm Sunday. Events quickly turned to sadness and Jesus was crucified within days. Pray about how Jesus' friends and family felt during this strange week.

Squonk

Decorate a small piece of pipe (Approx 21 mm x 40 cms overflow pipe works well) with permanent markers.

Stretch the wrist of the latex disposable glove (check allergies!) over one of the ends of your pipe and fix with an elastic band.

Cut a small hole in the thumb of the glove. Insert the end of the drinking straw through the hole and seal with sellotape.

To play your squonk:

Tension the glove so that it is flat across the bottom of your pipe, forming a light seal.

Blow very hard through the straw so that the glove inflates and the part tensioned across the bottom of the pipe vibrates. (It may take a bit of practice!)
