

MORE RECOMMENDED RESOURCES: – HISTORY, CHURCHES AND RACISM

Regional Minister Revd Mary Taylor writes: “As mentioned before, **David Olosuga ‘Black and British’** is great if you like history as it’s a really comprehensive look at black people in Britain and at slavery/anti-slavery.

In similar vein but from the point of view of a British Asian is **Sathnam Sanghera ‘Empireland’** more journalistic and thinking about the legacy of empire.

On the church I have **Mukti Barton ‘Rejection, Resistance and Resurrection: Speaking out on racism in the church’**

I also have a London Baptist Association DVD **‘The Windrush Legacy: Faith in Migration’**
