

# We Remember

Silent for 1 - Clap for 1

Love always protects, always trusts,  
always hopes, always perseveres.

Love never fails.

# Remembrance Day 2020

## Silence for 1 - Clap for 1

Remembrance Day is a time when we stop and unite to remember those who have fought in or been caught up in war. We take time to be still, to pray for peace.

This year due to the coronavirus pandemic we are unable to meet together as we would normally and so we're inviting you to join with us in Remembrance 2020 by doing the following...

- Colour in the poppy poster and display it in your window
- At 11am on Remembrance Sunday (8th November) go outside your home and be silent for 1 minute, then clap for one minute
- Desford Free Church and St Martin's Church will be hosting an online Remembrance Service. You can join us at 10:45 on  **YouTube** by searching 'Desford Remembrance 2020'. There will be a pause in the service to go outside and... be Silent for 1 - Clap for 1
