

St. Peter's Church, Hersham

ATTRACTING, ENGAGING, INVOLVING

St Peter's Church is an Anglican Church in Hersham, Surrey. Pre- lockdown, our average Sunday morning attendance was 80 adults and 15 children, in addition to our monthly All Age Worship and other services that are aimed at the whole church family. We also run a popular Toddler group in our church hall. Since lockdown we have found various ways to keep in touch with all our church family, including ways to help younger families to develop faith at home.

We believe that together we can grow our children's and families' ministry. This belief is strengthened by our ongoing work with our local schools and the excellent relationship with them. It is also in line with one of the goals as identified by the Diocese of Guildford of which we are a part.

In the last two years, we have also seen growth in the number of families through our baptism ministry and have started a new 'Breakfast Praise' service to develop these relationships and we would hope to build on all these opportunities.

We believe that God is calling us to grow our church younger, to reach out and further develop relationships with the families we meet during the week and to this end we have re-structured our leadership team. In view of this we are seeking to employ a part time children's and families' worker. (20 hours). This post is initially a three-year contract, with the possibility of extending to a permanent position.

The post carries an occupational requirement to be a practising Christian, in accordance with the Equality Act 2010.
