ATTRACTING, ENGAGING, INVOLVING

## **Part Time Children's and Families' Worker (20 hours per week)**

Salary £15,000 per annum

St Peter's, Hersham is an Anglican Parish Church with a regular congregation of approximately 80 adults and 15 children per week. We also run a popular Toddler Group and have good relationships with our local schools and community. Since the lockdown we have found various ways to keep in touch with all of our church family, including ways to help younger families grow faith at home.

We wish to appoint a committed Christian to enhance our children's ministry and develop relationships with the families that we come into contact during the week, through our schools' work and toddler group. Working alongside the ministry team you will, with the support of volunteers, enhance the church's ministry to children to grow our church family and encourage children's faith and Spiritual development.

The successful candidate will have experience of leading children's ministry and be happy to share their faith with children and families. It would be desirable to have experience of building teams of volunteers. You will need to be computer literate and have good communication skills.
