We have a relationship with God; Jesus brings us direction and certainty, how are we showing this to those who so desperately need this?

SMALL GROUP SERMON DISCUSSION

John 14:1-11

1: When you think of a pioneer, who do you think of and what do you admire about that person?

2: Jesus pioneered a way from God to man and from man to God. What attributes of Jesus the pioneer do you most admire?

3: John records many times that Jesus provided just what was needed at just the right time. Chapter 2 : wine at a wedding; Chapter 3: teaching to Israel's teacher; Chapter 4: living water and new life to a desperate woman and then healing to an official's son. He also gave food to five thousand hungry men and brought Lazarus back from the dead. In what ways has Jesus provided for you at just the right time?

4: Look at Hebrews 4:14-16. What does this tell us about what Jesus has done for us and what he has provided?

What does it mean when it says that Jesus is our high priest?

How can we have the confidence to enter into the presence of God?

5: What are some ways we could encourage each other to make better use of the freedom we have to enter the throne room of God?

6: Knowing that Jesus is the way, the truth and the life gives us direction, certainty and a relationship with God. How does this encourage us to live and how can we use this confidence to help others know about Jesus?

7: How can we lovingly share our faith with people who do not like to think that there is only one way?
