

Child Registration & Consent Form

What is this form for?

This form is for registering children to attend children's events at The Vine Church. If possible, please complete the form on the next page and bring it with you when you drop your child off at a Vine Church children's event. Copies will be available at the event registration if required.

We ask that you provide us with each child's name, gender, date of birth and address. This information is used to help us

- plan appropriate activities with required staffing levels,
- contact you in the event of an emergency,
- inform you of any upcoming event that may be of interest to your children.

Often at our events, including our regular Sunday services, the children may be served food or simple snacks. Please do indicate on the form if your child has any food allergies.

General Data Protection Regulations

We require parents or guardians to give us permission to store and process the data of children under the age of 16. You can grant consent to all the purposes; one of the purposes or none of the purposes shown on the form below. Where you do not grant consent we will not be able to use your personal data (so for example we may not be able to let you know about forthcoming services and events) except in certain limited situations, such as where required to do so by law or to protect members of the public from serious harm. You can find out more about how we use your data from our "Privacy Notice" which is available on our website or from the church office.

You can withdraw or change your consent at any time by contacting the church administrator at the address below or hello@vinechurch.org.uk. Please note that all processing of your personal data will cease once you have withdrawn consent, other than where this is required by law, but this will not affect any personal data that has already been processed prior to this point.
