Prayer Points This Week

For the ongoing situations in Ukraine, Israel and Gaza.

For those returning to school, college and university; those sitting exams and making decisions about their future.

For a renewed sense of vision for Holy Trinity. May God guide our steps as we prayerfully journey into 2024.

Children and Young People

We are working towards removing any barriers to ensure our services and other activities are accessible to all. Please be patient with us on this journey and if you have any suggestions that may help us please do let us know.

We believe that God has created each one of us uniquely and therefore we welcome everyone to our services and activities. We understand that sitting still or keeping quiet is a challenge for those with additional needs and that's no problem!

We ask that everyone is mindful of each other and there may be times in the service where the safe space in the Lady Chapel would be a more comfortable place. Here you can see and hear the service and access sensory toys, quiet spaces and comfortable seating.

The Lady Chapel, to the side of the main church area, is accessed via the door you came in. It is accessible to anyone who needs it. We just ask that anyone under 18 is accompanied by their responsible adult.
