

Thanks to your gifts those in need in Zimbabwe have the support they require

Dear St Bartholomew with St Christopher, Haslemere,

I am writing to say a heartfelt thanks to **St Bartholomew with St Christopher, Haslemere** for your gift of **£500.00** towards our **global work**. Despite challenges of their own through closures and reduced income, our global church partners have been continuing to carry out their mission to support community members living in poverty including those hit hardest by Coronavirus.

Along with our other church partners, the Anglican Church of Zimbabwe has experienced challenges running programme activities during the pandemic. However, they continue to be active in their communities following the devastating social and economic impact. As well as the HIV Stigma Reduction Programme, they have been organising activities to support those in greatest need. They have been educating the Church and communities on COVID-19; using Churches as distribution centres for personal protective equipment; establishing virtual groups so that people can stay connected and support each other at this difficult time; and distributing food packages.

This year children across the world have spoken out against climate injustice and called for action to tackle the environmental crisis that our planet faces. With the Church of South India's Green Schools Programme we will be supporting children in addressing the environmental issues they face on daily basis, through our 2021 Lent Appeal. Our Lent Course 'For Such A Time as This' is available to order free at www.uspg.org.uk/forsuchvertime or by calling 020 7921 2200.

We are continuing to offer pre-recorded sermons from USPG for use in your church services, or for personal use. You can order these sermons by emailing Gwen Mtambirwa, Mission Engagement Co-ordinator at gwenm@uspg.org.uk. Thank you for joining with churches across the world in their mission of transforming lives through education, healthcare and justice for all.

Thank you once again for your prayers and support of our work with the global church, on behalf of USPG and our church partners.
