

Policy Statements for Members & Parents of Cathedral Choirs

The Cathedral Choirs and the Christian Faith

The role of the Cathedral Choirs is to lead and enhance the worship of God within the liturgy.

The Canon Precentor regularly spends time with all the Cathedral Choirs getting to know members, particularly in their first year. He is one of several people who are always on hand to answer questions and help with difficulties if they arise.

We are very pleased to see families of our young singers at services and hope they will become part of the Cathedral community. Please contact the Dean or the Precentor for more information.

The Cathedral has recently refreshed its five-year Vision and Strategy, resulting in three new strategic priorities: (1) Welcome everyone joyfully, ensuring every visit has meaning, (2) Ensure the Cathedral is open and relevant for generations to come and (3) Use our assets and partnerships to make a positive contribution to our local communities.
