Why Traidcraft

WHAT MATTERS TO US? While pioneering the future of fair trade, we have the following three key themes very much at the heart of every decision we make

Trade Justice We are painfully aware that 40 years of fair trade has not done enough to counter the incredible power imbalances in international trade. We are passionate about economic justice and believe that transparency is key in

achieving this.

Social Justice We are actively, noisily passionate about equality across all areas, including: gender, religion, opportunity, regardless of background, heritage, experience or inheritance.

Environmental Justice

We are increasingly concerned and worried about the killer effects climate change is having on our partners. We will bring people's attention to the crisis which will be created if we overstep the UN's ambition to pursue a limit to

global warming of 1.5 degrees above preindustrial levels. Foodbank

B30 and South Birmingham Foodbank would like to thank customers at Sainsbury Longbridge for their donations which on Saturday totalled 1231k and on Sunday totalled 613k

Last week we received in 6816k and gave out 4674k feeding 397 clients on 184 vouchers

Christmas Thanks...
to all our fantastic volunteers and supporters. The plain truth is thousands of local people would have been hungry if it were not for your contribution.
Thank you from

- the mothers who are missing meals so their children are fed
- the many people who are too afraid to put the heating on
- those trying desperately to keep out of debt and simply having no money left for food
- those who have made poor choices but find it difficult to 'get their heads above water'
- those lost in Universal credit payment delays, pension credit applications, PIP application rejections, online applications and endless telephone voicemail queues

You helped them all. (All 10 803 clients since last Christmas and numbers rising each week.
