Finance

January is a good time to take stock and review
aspects of life. If you haven't recently reviewed the
way you give to the church now would be a good
time to do so. Regular giving through the Parish
Giving Scheme which ensures donations are gift
aided is an ideal way and if you haven't changed yet
Jane Stephens has all the details.

BookCentre

During 2021 the book centre received in sales
£6157 and spent £5179. The Bookcentre has now
transferred £900 to the church accounts

WHAT MATTERS TO US?

While pioneering the future of fair trade, we have the following three key themes very much at the heart of every decision we make.

Trade Justice

We are painfully aware that 40 years of fair trade has not done enough to counter the incredible power imbalances in international trade. We are passionate about economic justice and believe that transparency is key in achieving this.

Social Justice

We are actively, noisily passionate about equality across all areas, including: gender, religion, opportunity, regardless of background, heritage, experience or inheritance.

Environmental Justice

We are increasingly concerned and worried about the killer effects climate change is having on our partners. We will bring people's attention to the crisis which will be created if we overstep the UN's ambition to pursue a limit to global warming of 1.5 degrees above pre-industrial levels. See here for more on the choices we make which impact the environment.
